--	--

Members.

Undoubtedly, the highlight of the year has been the practical completion and official opening of the new club house.

The project has of necessity taken many years to complete, mainly because of the limited availability of funds. During those years, many members contributed much of their own personal time to the project, and the new building is now a fitting tribute to all members.

The official opening attracted interest far and wide, and has shown to the local community, that the Helensburgh Stanwell Park S.L.S.C. is not simply a group of life savers, but a community service organisation that is able to achieve any task committed to it.

The following pages cover the activities of the Club during the 1986/87 season, and this, the 80th Annual Report of the Helensburgh Stanwell Park Surf Life Saving Club, is submitted for your perusal and adoption.

Harley Dreghorn,  
Hon. Secretary.  
8th July 1987.

#### OBJECTIVES OF THE HELENSBURGH STANWELL PARK S.L.S.C.

- \* To provide a community service in protecting the public at Stanwell Park beach.
- \* To provide training facilities for members and new members in life saving techniques.
- \* To foster competition among members.
- \* To provide social activities for members.

## **PRESIDENT'S REPORT**

As in the past, my report will be brief to allow other officers to report on their areas of club activity.

Last season, finally saw the completion and opening of the new club house, much to the relief of those involved with the negotiations, finance and construction. This has taken many years and hours of personal time from some club members and their families. To those who made the effort, you now have a building of which all members can be proud and which the Club can determine and govern its uses. It will be our major asset and fund raiser for years to come, so maintain it as if it were your own and more importantly use it to the members' advantage and pleasure.

In no particular order, I congratulate the patrol members, competitors, social committee and the ladies committee, all of who form our club and mould it into one, to keep Helensburgh Stanwell Park Club in the forefront of surf life saving.

The only championship carnival I was able to attend this season was the Nationals in Perth and I was impressed by the conduct and dedication of those members who made the long trek. Three members in particular should be encouraged to make the effort next season - John Boyle, Brett Daintry and Brian Morton all came so close to medals and all deserved a better result.

I have decided not to stand for re-election next season; be assured its not a cop-out but I feel it is time for a change and fresh ideas at the helm. My sincere thanks and congratulations to the executive and management committee who have the thankless job of keeping you all satisfied with your role in surf life saving.

Good surfing and best of luck for the 1987-88 season

Terry Daintry.  
President.

**\*\*\*\*\***

During the season, we have received financial support, or goods or services, either totally donated or at a reduced price from many local people and local businesses. Each of these donations have made a substantial contribution to the successful running of the Club during the year, and to all of the Club's supporters, who are too numerous to mention individually, we hope that you will accept this as our sincere thanks for your assistance.

**\*\*\*\*\***

## ACKNOWLEDGEMENTS - OUR DONORS AND SPONSORS

During 1986/87, more than \$20,000.00 was received by way of donations, raffles and special grants.

The N.S.W. State Government, through its Sport and Recreation Grants, approved of an amount of \$5,000.00 towards the construction of an awning over the stairs of the Club building. Wollongong City Council has agreed to provide a similar amount.

Lifesavers Appeal Day on Saturday, 15th November 1986 raised a total of \$1441.00 through our annual door knock appeal in Helensburgh - Otford - Stanwell Tops and Stanwell Park. Our thanks to local residents for your generous support.

The Christmas 200 Club, although not as successful as last season, was well supported, and our thanks to all donors who purchased tickets.

The Social Committee has conducted raffles at the Helensburgh Workmens Club on a regular basis throughout the year. A total of \$1702.97 has been raised from this source, and our thanks to the patrons of the Workmens Club for their continuing support.

Special thanks is extended to the Board of Directors of the Helensburgh Workmens Club for allowing the raffles to be conducted and for other opportunities and support given to the Surf Club in raising funds.

We acknowledge with thanks a total of \$3345.76 in general donations received throughout the year, including larger donations from the following members and friends:

H. Akhurst	Scotts Florist, Sutherland
G. Bragg	Helensburgh Lions Club
B. Phillips	A.M.W.U. staff at Metropolitan Colliery
R. Tickner, M.H.R.	Video Bug, Helensburgh
H. Williamson	

New life saving equipment has been purchased with the donation from the Video Bug, viz a new fuel tank for the I.R.B. Donations from Scotts Florist and the Metropolitan Colliery staff have not yet been used, and are being held until a decision is made as to what equipment to purchase.

With the completion of the Club building, a special drive was conducted amongst members to purchase 'Bricks' towards the construction costs of the new building. This was started late in the 1985/86 season, but donations continued to be received this season from the following -

Ald. F. Arkell	D. Morgan
J. Bedwell	B. Phillips
J. Clarke	W. Phillips
C. Collins	B. Pike
M. Dezius	P. Potter
P. Dunford	J. Powell
A. Frankland	J. & A. Riddell
R. Gavel	J. Ryan
K. Gillett	F. Smith
F. Harper	V. Stewart
K. King	K. Watts
J. McAteer	R. White
P. McDonald	Seagulls Jnr SLSC
R. Mercer	Helensburgh Masonic Lodge

The nine patrols were again sponsored, with all patrol members being outfitted in S.L.S.A. uniform surf patrol tee shirts. It is with pleasure that we acknowledge the continuing support of these sponsors -

B.P. Helensburgh (Bill Johnson) - since 1981/82  
Helensburgh Smash Repairs (Keith Burton) - since 1982/83  
Modern Motor Magazine - since 1982/83  
Helensburgh Offset Printing (Bob & Diane Jeffrey) - since 1983/84  
J. & E. Burke (Eddie Burke) - since 1984/85 and sponsoring two patrols  
Bernie & John Ryan - since 1984/85  
Stanwell Park Shopping Centre (Charlie Goodman) - since 1984/85  
A. & J. Hanna Plumbing (Allan Hanna) - since 1984/85

As mentioned in the previous Annual Report, an offer had been received to sponsor half the cost of a double ski for the Club. This option was accepted during the year, and our thanks to Parnell, Kell and Foster, Chartered Accountants of Sydney for this sponsorship. The remainder of the cost for the ski was raised by the Social Committee.

Other competitive equipment acquired during the season through sponsorship by members included two single skis.

A \$10,000.00 grant from the State Government was expended on the new building during the year. This grant was mainly used to pay for the floor - parquetry on the dance floor and tiles at the eastern end, plus plumbing, hardware, paint and other miscellaneous items.

As mentioned earlier a further \$5,000.00 grant has been obtained and with a similar amount from Wollongong City Council, an awning will be provided over the stairway.

The Club was fortunate in receiving a \$ for \$ grant of \$515.50 from the Australian Government being half cost of a replacement motor for the I.R.B. During the year, a second I.R.B. motor was acquired with funds raised by the Social Committee, plus a donation from the Helensburgh Lions Club.

A \$200.00 subsidy towards the operating cost of the I.R.B. was sought and approved during the 1985/86 season, but because of an administrative oversight within the Illawarra Branch, the papers were not processed, and the subsidy not paid. Following representations by the Club Executive, the Branch agreed to meet the cost of the subsidy.

A further \$200.00 subsidy for the operation of the I.R.B. during the current season, has also been received.

Our thanks and appreciation is extended to the Australian Government for its support of surf life saving in general and so far as Helensburgh Stanwell Park S.L.S.C. is concerned, we have received direct benefits for the \$ for \$ gear grant and the I.R.B. Fuel subsidy.

The N.S.W. State Government has also supported our Club with a grant of \$10,000.00 (approved last year), and \$5,000.00 this season.

Our thanks is extended to the Wollongong City Council, initially for the help given in completing the club house prior to the official opening, for the assistance with the official opening, and for the commitment of a \$5,000.00 grant to match the State Government grant.

The Lotto Club being run by Bobo White continued through the early part of the season, and was disbanded during March 1987. Funds raised through the Lotto Club were used towards a subsidy to the competitors travelling to the Australian Championships in Western Australia.

## **CLUB CAPTAIN'S REPORT**

Firstly I would like to thank all members who achieved 100% Patrol Attendance, as it is these members with the right attitude that carry the other members and the Club.

1986/87 was a pretty fair year for the Park. Patrol standards were fairly high.

Competition results were plenty and there was quite an influx of new members gaining awards.

Congratulations to the winners of the Patrol Competition this season. Patrol No. 9, with Graham Cook captaining the patrol - he seems to have a hold on the Cup. But it just shows how much time and effort he puts into it.

Along with Graham in the patrol was Peter Beehag, Don Harris, Steven McDonald, Louise Phillis and Leanne Whitehouse.

Also congratulations to the Patrol Member of the Year, Jeff Lucke. Jeff had a very good year, and has been nominated by the Club for the position of Illawarra Branch Lifesaver of the Year.

The Club owes a big load of thanks to Mark Thompson, the competition organiser and handicapper, who has done a really good job; I really think he loves it.

Finally thanks to Rick Dzopalic for his great effort and assistance throughout the year. See you next year, Rick.

Geoff Wood,  
Club Captain.

## **LIFE SAVING AND PATROLS**

Nine patrols were formed this season under patrol captains Mark Wallace, Phil Doran, Gary George, Tony Van Zyl, Paul Potter, Chris Emmett, Mark Thompson, Mark Ryan and Graham Cook.

There were 75 active members rostered for patrols.

There were no serious incidents recorded during the season. A total of 33 rescues were made. 5 with the I.R.B. Approximately 700 people were warned to swim within the patrolled area, or were guided to more safe swimming areas.

10 incidents of marine stings (blue bottles) were recorded as well as 14 other cases of first aid.

In accordance with Association rules, active patrol members are required to complete a Proficiency Test each season; 12 active members failed to present themselves for the Proficiency Test this season.

## **CLUB EQUIPMENT**

At the commencement of the season, club life saving and competitive equipment was presented for inspection to Branch officials in a very high standard. All equipment has since been maintained to a high standard, with repairs being effected as required throughout the season.

At the close of the season, the I.R.B. radio was not operable despite it being repaired twice throughout the year. Repairs were also required to the ambu-manikins to bring them to a satisfactory state.

Two new I.R.B. motors were acquired during the season. Other new equipment includes a fuel tank for the I.R.B., a double ski and two single skis. A rescue board was obtained partly with prize money won in the Egg Corporation Competition, as well as a new Shock Pack, partly with prize money won in the B.H.P. Patrol Competition

The Jack Mawson Memorial First Aid Room has been well maintained throughout the season, and has been well stocked with first aid supplies.

### **I.R.B. CAPTAINS REPORT**

During the season, two new motors were acquired for the I.R.B. one a replacement, and the second provided through fund raising. Other major items included a new fuel tank (donated by the Video Bug, Helensburgh), and a second prop guard.

Expenditure on the I.R.B. this season in repairs, maintenance and operating costs (fuel) totalled more than \$1200.00. With the exception of \$200.00 operational subsidy from the Australian Government, all costs were met by general club funds. Although the I.R.B. is one of the most expensive pieces of life saving equipment to obtain initially, and to operate, its value in life saving cannot be counted in dollars and cents.

I would particularly like to express my thanks to Paul Potter for his expertise in helping maintain the duck; also to Graham Cook.

Again this season, we have had an active I.R.B. competitive team and whilst we achieved success in winning all events at the North Wollongong carnival, our efforts at the Branch Championships resulted in only three 3rd placings. We have however qualified in seven of the eight events for the State Championships.

I would like to see more members gain I.R.B. awards next season so that our Club has not only one I.R.B. driver in each patrol, but two. I hope you will give it a-go.

Mark Ryan,  
I.R.B. Captain.

### **CHIEF INSTRUCTORS REPORT**

As the new Chief Instructor, I would firstly like to thank Michael Keating for the good work he has done as Chief Instructor over the past six or seven years.

To all members who gained awards this season, as shown in the list below, may I offer my congratulations.

To the instructors, Evan Griffiths, Bobo White, Jim Powell, Mark Wallace and Rick Dzopalic, may I say thank you for your time and experience in helping to train members to gain their various awards.

Finally, to all members who hold the A.R.C., re-assessments will take place in early October. details will be on the Club notice board re training and examinations.

Jeff Lucke  
Chief Instructor

## **S.L.S.A. AWARDS GAINED 1986/87 SEASON**

Don Harris

Jeff Lucke

## CARNIVALS AND COMPETITION

The club was poorly represented at carnivals last season, except for a handful of regular craft competitors, a few cadets and three officials who kept the club colours flying.

Damien Coke was a good example of lining up every week along with cadet Scott Boyle, who next season joins the junior ski riders. I expect him to do quite well.

Second year Junior Steven McDonald should be ready to show out in sprints and flag events. The future strength of our club lies in our Cadets and Juniors.

Last season, the ski riders competed in all events with a great deal of success and at times winning all the ski races on the programme. At the Branch Championships, the club won four of the six ski events and were placed 2nd in the other two. In all the club recorded 5 Gold, 3 Silver and 2 Bronze on the day.

A Silver medal went to John Boyle and Brian Morton in the Junior Double Ski event and the N.S.W. Championships.

The Australian Championships were held at Scarborough beach, Western Australia. Helensburgh Stanwell Park was represented by six competitors, one team manager and one official. Our club was credited with two 4th placings and a 6th placing in the finals. They were John Boyle and Brian Morton in the Junior Double Ski (4th), Brett Dainfry 4th in the Open Board Riding, and Brian Morton 6th in the Junior Single Ski. After a good season, I think the boys were deserving of better things when the State and Australian came along. But I am sure they will make amends this coming season.

Brian Morton had four wins and a 2nd at the Branch Championships including a win in the Open Single Ski, a first time for a Junior in this event. Brian had a top season at surf carnivals winning 17 Single Ski races including 5 in the Open category. He represented Illawarra in the Under 18 Branch Team winning the Single Ski race, he was also named Man of the Carnival on three occasions throughout the year. A muscular back injury, however, prevented Brian from paddling at his best in the State and Australian Champions, but nevertheless he finished 7th in the State and 6th in the Australian. He also gained 1st placing in the Stillwater Championships conducted at Lake Illawarra.

John Boyle, one of our strongest competitors, paddled very well at the Branch Championships collecting two Gold and a Bronze. He also won many Open and Junior ski events. John represented Illawarra on two occasions, first in the Open Inter-Branch Championships, and later in the Under 18 Inter-city team. He was awarded Man of the Carnival at Towradgi and Stanwell Park carnivals for outstanding wins on the day.

John once again teamed with Brian on the Club's new double ski, which was sponsored by Parnell Kerr and Foster, Chartered Accountants of Sydney, with the balance being raised by the Social Committee through raffles at the Helensburgh Workmens Club. They had a great deal of success winning ten Open Double Ski and three Junior Double Ski races. They were rarely unplaced. After winning the Branch Double Ski event, they started favourite at the State. The pair paddled well clear of the field, but were caught from behind right on the line and had to be content with 2nd place. Misfortune struck once again in the final of the Australian when they were in a close 2nd place, but were interferred with at the first can and lost some 20 metres. Paddling hard they managed to regain 2nd place only to be placed 4th in a blanket finish on the line.

Meikle Watts competed at the Branch for a 3rd in the Ladies Malibu

Brett Daintry gained a 3rd placing at the Branch Open Board Riding, and for the second year in succession, was placed 4th in the Australian. A welcome change of luck, and a few good waves could make the difference for Brett.

Congratulations to James and Jason Powell for their win in the Junior First Aid Competition at the Branch Championships, a first for Stanwell Park. Jason and James also competed at the N.S.W. titles in this event. Keep up the good work.

Chris McKay performed well in the Junior Board Riding, to gain 3rd place in the Branch Championships, and later in the Ski races, gained a Gold in the Junior Ski Relay. He then teamed with Kevin Morton to gain 2nd place in the Open Double Ski.

No wins were recorded this year in beach events at the Branch, but some good efforts were recorded. The most outstanding competitor on the day was Don Burke who finished 4th in the Flags, 5th in the Open Sprint and teamed with Mark Thompson, Peter Burke and Gary Rankin to run 4th in the Open Beach Relay. Mark Thompson also did well for 5th placing in the Open Flags and 8th in the Sprint.

Cadet Scott Boyle was placed 4th in the final of the flags, and had many placings in beach events at carnivals.

Our top beach competitor Ron Burke was unable to compete owing to a shoulder injury; hoping he is fully recovered for the coming season.

Lance Morton,  
Team Manager.

**CLUB HONOURS, COMPETITION AND AWARDS**

**Life Membership** - Will Phillips

**Patrol Competition** - won by Patrol No. 9; Patrol Captain Graham Cook, Peter Beehag, Don Harris, Steven McDonald, Louise Phillips, Kevin Morton and Leanne Whitehouse.

**Patrol Member of the Year** - Jeff Lucke

**Club Member of the Year** - Peter Beehag

**Carnival Point Score Winner** - Brian Morton

**Most Consistent and Successful Carnival Competitor** - Brian Morton

**M.U.L.L. Award** - Don Burke

**Whingers Award** - John Boyle

**Car Trial Winners** - Ian and Lyn Kohlhardt

## **SOCIAL COMMITTEE REPORT**

The Club's Social Committee has experienced a tremendously successful season. Raffles conducted at the Helensburgh Workmens Club have yielded almost \$2,000.00 profit, which has been used mainly towards new equipment.

It is extremely pleasing to be able to report that this Committee achieved its major goal of purchasing an additional I.R.B. motor from funds raised.

The Committee was also able to provide funds to match a sponsorship obtained for the purchase of a double ski for competition.

Many well attended functions which are listed below, were organised by the Social Committee this year, including the celebrations for the opening of the new club house, the Stanwell Park surf carnival, party nights and competitors fund raising functions. All of these earned our club much needed revenue.

I would like to take this opportunity to thank my fellow committee members for their efforts and enthusiasm, with a special thank you to Phil Anger, my co-co-ordinator, the real driving force behind our success.

The Committee also wishes to extend its appreciation to the ladies auxiliary and all club members for their support.

Don Harris,  
Social Committee Co-ordinator.

## **SOCIAL FUNCTIONS AND OTHER ACTIVITIES**

Presentation Night was held on Saturday evening 5th July 1986 in the Surf Club.

The Annual General Meeting was held on Sunday, 27th July 1986 and was attended by 49 members and visitors. Following the Meeting, a small function was held to dedicate and officially open the Harry Bennett Bar, by his long time mate, Frank Krinks.

A bus trip to Wilton, with dinner and a bush dance was attended by 60 members and friends, on Saturday, 16th August 1986.

The major function of the season was the official opening of the new club building on 25th October 1986. This attracted an estimated 450 people.

An Appreciation Night was held on 14th November 1986, when the opportunity was taken to invite all who had made some contribution to the construction of the new building.

The Club hosted a Surf Carnival, for both Juniors and Seniors on Saturday, 6th December 1986. On 1st February 1987, the Club hosted the Illawarra Branch Surf Board Riding Championships.

A Christmas Party and drawing of the 200 Club was held on Saturday evening 14th December 1986.

A special fund raising social evening was held on Saturday, 7th February 1987 to raise funds for the competitors travelling to Western Australia for the Australian Championships

On Sunday 29th March 1987, the Club hosted a visit from members of the St George Masonic Club

Patrol Dinner was held on Saturday evening 2nd May 1987 with invitations being extended to all patrol members and for the first time, a friend to accompany them.

### **OLD BOYS REPORT**

The 18th Annual Reunion of members and ex-members of the Surf Club was held on Sunday, 19th October 1986, with an attendance of 62 personnel.

The venue again was the Helensburgh Workmens Club and thanks are extended for permission to use the Club premises and their facilities.

The attendance represented about half of the invitations extended and efforts are in hand to increase the numbers who might attend.

The occasion again proved most enjoyable and the visible support of local Federal Member, Robert Tickner, M.H.R. for Hughes, was appreciated. Mr Ian McManus, at that time, the nominated candidate for the State seat of Heathcote was also welcomed.

Good wishes and the hope for a successful season is extended on behalf of the 'Old Boys' to both the senior and junior members of the Club.

Jim Thorn,  
Co-organiser.

### **VALE**

To those families who have lost loved ones during the past season, we extend our sincere condolences.

## **CLUB ADMINISTRATION**

As in past seasons, the management of the Club has been under the control of the Club Committee, consisting of 18 elected officers. Although Committee meetings were planned and promulgated early in the season, and the pre-determined dates adhered to, attendance at meetings has been sadly lacking. In an endeavour to induce greater attendance, meetings were advertised as General Meetings in the hope that non-committee members might attend and participate. Meetings were held on the following dates -

- 11/8/86 - Committee meeting, 10 members
- 18/9/86 - Committee meeting, 17 members
- 15/11/86 - Committee meeting, 10 members
- 8/12/86 - Special General Meeting; only 7 members attended and held as Committee meeting
- 18/1/87 - Special General Meeting, 21 members attended
- 8/2/87 - Committee meeting, 11 members
- 15/3/87 - Committee meeting, 12 members
- 12/4/87 - Committee meeting, 10 members
- 17/5/87 - Disbanded, lack of quorum (5 members)
- 22/6/87 - Committee meeting, 10 members

\* These meetings were advertised as General Meetings, but were changed to Committee meetings because of lack of a quorum.

Thus from 10 meetings held during the year, average attendance has been 11 members.

The Special General Meeting held on 18/1/87 was specially arranged to deal with Finance Committee recommendations for increases in Club fees, and House Committee recommendations for the hiring of the new club house.

Since the election of office bearers at the Annual General Meeting held on 27/7/86, the following changes have occurred -

- Michael Keating resigned as Chief Instructor,
- Jeff Lucke elected as Chief Instructor, 18/1/87
- Ron Burke resigned as Branch Delegate, 15/3/87
- Stan Hobby elected as Branch Delegate, 15/3/87
- Con Asmussen elected as Caretaker, 15/11/86
- Sponsorship Committee established 8/2/87

### **Committees**

This season saw the election and establishment of an active Social Committee. The first part of the season saw the Committee principally involved in fund raising activities, but in recent times its activities have been more towards injecting new thoughts into social activities for the club.

The Social Committee has teamed up with the newly formed group of ladies and both have worked hard towards ensuring the best possible social functions.

A special mention of thanks to the organisers of both groups - Don Harris and Irene Dezius, and their helpers.

The Finance Committee met only on one occasion this season, and submitted recommendations to the Committee in regard to increases in Club fees and other charges

The House Committee also met only once this season, and submitted a number of recommendations regarding the future use of the club house, including hiring out for social functions.

The Building Committee met regularly during July, August and September 1986, to monitor progress of work on the new building.

The Seagulls is now operating as a section of the Club, although for convenience it is basically run as a separate entity. Club Rules and Association requirements provide that the Seagulls be governed by and be subject to the Rules of the Helensburgh Stanwell Park S.L.S.C.

The Seagulls committee has maintained a high profile within the Club generally and many of the office bearers are actively involved in most functions and activities. Fund raising activities are shared between the main Club and the Seagulls with the Seagulls continuing to raise all funds necessary to continue their activities, on their own.

The Seagulls Annual Report and Financial Statements are included at the rear of this report.

### **Carnivals and Competition**

During the season, some difficulty arose in interpreting the rules governing entry to club competition, and it will be necessary for the rules concerned, to be examined and amended as required before the start of the 1987/88 club competitions.

As mentioned by the Team Manager in his report, attendance at carnivals this season has been very poor. Carnival entry fees to the extent of \$368.90 (excluding IRB competition) were incurred this season, and of this amount \$108.30 (30%) was paid for entry to events that were not contested, i.e. the competitor did not compete in the event, or did not even turn up for the carnival. Naturally this situation cannot be allowed to continue and it was decided by the Committee at its March meeting that the problem be resolved before the next season, with competitors only being nominated for carnivals under certain conditions.

At this stage, I would express my personal thanks to Lance and Barbara Morton for their continuing assistance again this year, in compiling carnival entries.

### **Security of the Club house and Club equipment**

With the opening of the new building, and the installation of a new security key system by Council, extensive efforts have been made to restrict the number of Club members who have direct access to the club house. However, on many occasions, the caretakers and other club officers have reported that the club house is 'wide open.' This leaves valuable club equipment vulnerable to theft and/or damage and cannot be allowed to continue.

### **Publicity and Public Relations**

Special attention has been given to promoting the Surf Club throughout the season. A general invitation was extended to all local residents to the official opening of the new building, and club functions are being advertised as 'All Welcome.'

A Surf Club team has been entered in the Helensburgh Touch Football competitions.

Publicity this season has generally been through articles in the Northern News. However, some concern has been expressed that items about our Club were not as frequent, did not include photographs, and were not as detailed as reports from other surf clubs. The Club Executive intends to introduce a number of changes in conjunction with the Publicity Officer next season

During the season, Tanya Potter accepted the task of collecting and maintaining a photographic record of the Club and its members.

Attempts were made to introduce a regular monthly newsletter for distribution amongst patrol members. Unfortunately lack of time and an editor has temporarily prevented the newsletter from continuing.

### **Illawarra Branch and SLSA involvement**

Helensburgh Stanwell Park S.L.S.C. was again affiliated with the Illawarra Branch of the Surf Life Saving Association of Australia; the Seagulls were also affiliated with the Illawarra Branch Junior Association.

A number of Club members are members of the Board of Life Saving Control, viz -

Graham Cook	- also District Supervisor
Jeff Lucke	- also District Supervisor
Mark Ryan	
Con Asmussen	
Jim Powell	- Joined this season, as Carnival official
Jason Powell	
James Powell	
Evan Griffiths	- Joined this season

Evan Griffiths is also the Superintendent of the Illawarra Branch Junior S.L.S.A., whilst Harley Dreghorn was elected (pro-tem) as Treasurer of the Illawarra Branch.

### **Drowning, 1/2/86**

As reported in the previous Annual Report, a male person drowned in the surf at Stanwell Park beach on 1/2/86.

It was not until the latter part of 1986 that the Club Executive learnt the Coroner had dispensed with an inquest into the incident, and had formally recorded death by drowning. Subsequent to that, meetings involving the Club Executive and all members who were either on patrol or at the beach on that day, were convened to generally discuss the incident and ensure that the actions of the patrol were satisfactory.

In an endeavour to finally close this unfortunate incident, a letter was forwarded to the Illawarra Branch in March 1987 setting out the Club's version of the incident, including quotes from statements made by various people and tendered to the Coroner, and suggesting that in similar circumstances whether it be with our Club or any other Club, a Branch officer should be delegated to liaise with the Club Executive and provide guidance on such aspects as recording of facts, representation at the inquest, police involvement, public liability risks, etc.

### **Inventory of Club Equipment**

Now that the Club building is completed and better security is available, the Club Executive intend to compile a complete list of all club equipment, including life saving, competition, training, and general items. It is intended this be included as a part of future Annual Reports.

Harley Dreghorn,  
Hon. Secretary.

## THE NEW CLUB HOUSE

In the 12 weeks before the new building was officially opened, many members gave freely of their personal time to complete the various small jobs still required. In that period, the Building Committee met regularly every two weeks, to ensure that no delays occurred in meeting a fairly tight schedule.

The major problem was co-ordinating work so as one job did not interfere with other work, such as completing all the painting before the parquetry was laid. Even in the last week, work was programmed, with the final activity being the erection of the plaques bearing the names of almost 200 donors who had assisted financially.

The official opening ceremony took place before a crowd estimated conservatively at 450. Club President, Terry Daintry briefly outlined the history of the project, and expressed appreciation for the assistance both financially and in kind that the Club had received.

Lord Mayor, Ald. Frank Arkell praised the Club and its members for their perseverance and efforts in completing the building, and the local community for its support of the Club, before declaring the building officially opened.

An Appreciation Night to acknowledge those people who had assisted with the building construction, was held on 15th November 1986. At this function, special thanks were extended to the following for their help -

Frank Krinks, Snr.	Design, supervision and general building work
Ted Nichols, Bernie Nichols and Greg Hourigan	Bricklaying
Bill Ryan and Tony McAuliffe	Plastering, internal walls
Wally Powell and Greg Wood	Carpentry
A. & J. Hanna & Co. and Dave Cooper	Plumbing and drainage
Klaus Herrmann	Electrical
Ray Rankin & Son	Tiling
Kevin Fleming and Frank Harper	Painting

In addition to the above, there were many Club members who worked on the project. Completion was only achieved through the efforts of these members who in addition to their traditional role of lifesaving, gave up more of their time to become carpenters, painters, cleaners, etc. and to these members, a special vote of thanks is recorded.

The total cost of the building up to the time of opening was \$238,500. This was funded as follows:

Fund raising by Helensburgh Stanwell Park SLSC, including members donations	\$24,000
Donation from Kembla Coal & Coke Pty. Ltd.	10,000
Wollongong City Council	82,500
NSW State Government - Department of Sport, Recreation and Tourism	35,000
NSW State Government - Grant to Surf Life Saving Association	30,000
NSW Special Employment Grant	57,000

A few minor tasks still remain to fully complete the building, such as minor plumbing work, erection of shelves, improvements to the public address system, additional power points, lighting, etc. These are being carried out as opportunity arises.

Two major items still remain to be completed, viz to erect an awning over the stairway leading to the 1st floor level and balcony, and to replace the existing security grill and gate adjacent to the first aid room. Funds for the awning have been made available by way of a \$5,000.00 grant from the State Government (Department of Sport and Recreation) matched with a further \$5,000.00 grant from the Wollongong City Council. It is expected that the work on the awning will be commenced early in the new season.

### COMMENDATIONS

From the Illawarra Branch Board of Life Saving Control for conducting the Illawarra Branch I.R.B. training seminar. The support of the Club and our I.R.B. Captain made the seminar a successful project.

From the Illawarra Branch Board of Life Saving Control for the hospitality shown to Board members and successful hosting of the Branch Board Riding Championships.

From the Illawarra Branch for the assistance and efforts of Mark Ryan provided to Scarborough Wombarra SLSC in the organisation of the Branch IRB Championships.

# SEAGULLS ANNUAL REPORT 1986/87

<b>PRESIDENT</b>	<b>Michael Dezius</b>
<b>VICE PRESIDENTS</b>	<b>Irene Dezius, Marion Griffiths Peter McDonald, Jim Powell Evan Griffiths, Jan Powell Sandra McDonald, Frank Harper Ken Prentice, Helen Prentice</b>
<b>SECRETARY</b>	<b>Lesley Harper</b>
<b>TREASURER</b>	<b>Lorna Dreghorn</b>
<b>ASST. SECRETARY</b>	<b>Lorna Dreghorn</b>
<b>CLUB REGISTRARS</b>	<b>Lesley Harper, Lorna Dreghorn</b>
<b>POINT SCORE OFFICERS</b>	<b>Marilyn Gavel, Sandra McDonald</b>
<b>CARNIVAL POINT SCORE OFFICER</b>	<b>Jan Powell</b>
<b>CARNIVAL AGE GROUP MANAGERS</b>	<b>Water Lesley Harper, Frank Harper Beach Peter McDonald, Jan Powell</b>
<b>PUBLICITY OFFICER</b>	<b>Jim Powell</b>
<b>DELEGATES TO COMMITTEE OF SENIOR CLUB</b>	<b>Evan Griffiths, Jim Powell Lorna Dreghorn</b>
<b>DELEGATES TO ILLAWARRA BRANCH</b>	<b>Michael Dezius, Lorna Dreghorn</b>

At this time of year when a report on the past season is required and brevity is called for, it seems impossible to fit it all into a few pages. When the information is collated and you see the amount of travelling, training, competition and success our juniors have had, it makes you feel proud to be associated with the Helensburgh Stanwell Park Surf Club.

The 1986/87 season once again saw a healthy registration of 126 juniors and with this number a lot of organising and work for the executive and parents. This brings me to congratulate everyone for the way they have worked as a team for the good of our juniors.

The marchpast, senior R&R, and junior R&R again this season made Stanwell Park stand out amongst the other clubs of the Branch. We have also had many wins in the individual events both in water and beach. Our individual events stand to improve even more next season as some of our juniors are being coached a couple of times a week during the off-season by Ken Sweney. Ken coaches children from any clubs at his club at North Wollongong and we thank him sincerely for his good work.

Evan Griffiths has again this year broken the clubs resuscitation training record. This season a total of 31 juniors gained their certificate. This is nearly double that of last year's record. Congratulations to all successful children. Whilst speaking of the coaching Evan does, I must mention the four 2 person R&R teams that out competed all local clubs and represented the Illawarra Branch at the Inter-Branch Championships. The teams were formed as below -

<b>"A" TEAM</b>	<b>"B" TEAM</b>	<b>"C" TEAM</b>	<b>"D" TEAM</b>
Christine MacDonald	Wayne Dreghorn	Cathy Young	Sonia Dezius
Mathew MacDonald	Todd Prentice	Mathew Bryant	Samantha Dingwall

The following results were obtained -

Corrimal	"A" 1st, "C" 2nd, "B" 3rd
Towradgi	"A" 1st, "C" 2nd, "B" 3rd
McDonald's	"A" 1st (Invitational)
Coledale	"C" 1st, "A" 2nd, "B" 3rd
H/S/Park	"B" 1st, "A" 2nd, "C" 3rd * Note
North Wollongong	"A" 1st, "B" 2nd, "D" 3rd
Bellambi	"A" 1st, "B" 2nd, "D" 3rd (Branch Championships)

\* The "B" team comprised Tiffany Pugh & Sonia Dezius

Another busy man this year was Jim Cotton who despite training for State Parliament and completing a Tech course found time to coach our very successful marchpast teams and our 4 person R&R team. Congratulations to all involved. The marchpast results are as follows -

Corrimal	1st place
Towradgi	1st place
McDonald's	4th place (Open Invitational)
Coledale	1st place
H/S/Park	2nd place * Note
North Wollongong	1st place
Bellambi	1st place (Branch Championships)

\* This was our "B" team as the "A" team were marching as the Illawarra marchpast team.

The 4 person R&R team comprised the following juniors -

Adam Prentice	Andrew Bedwell
Grant Dezius	David Gavel
Jannine Powell (patient)	Melanie Dingwall (reserve)
Keiran Beaumont (reserve)	

4 person R&R carnival results -

Corrimal	1st place
Towradgi	1st place
McDonald's	3rd place (Open Invitational)
Coledale	1st place
H/S/Park	1st place
North Wollongong	1st place
Bellambi	1st place (Branch Championships)

Congratulations also to our individual competitors who excelled at the various carnivals. All carnivals were well attended by Stanwell Park. I would like to list all the junior's wins throughout the season but it is not practical. I will mention the most important carnival, i.e. Branch Championships. The overall points accrued, won us 4th place in the Branch and this is a great effort. Following are the results -

	GIRLS	
Renee Galloway	8 year sprint	3rd place
Melissa Beards	12 year sprint	3rd place
Renee Galloway	8 year flags	3rd place
Jannine Powell	12 year board race	3rd place
Jannine Powell	12 year iron maiden	2nd place

	BOYS	
James Potter	7 year sprint	3rd place
Simon Doherty	8 year sprint	1st place
Adam Nugent	7 year flags	1st place
James Potter	7 year flags	3rd place
Luke Potter	10 year flags	3rd place
Jeffrey Harper	10 year swim	3rd place
Jeffrey Harper	10 year board race	2nd place
Jeffrey Harper	10 year iron man	3rd place
Simon Bedwell &	junior board rescue	2nd place
Jeffrey Harper		

I must include also our relay teams who also did well

8 year relay team	2nd place
11 year relay team	3rd place
13 year relay team	3rd place

To all the boys and girls who won gold, silver or bronze. congratulations. and to those who missed out. keep up the good effort as it may be your turn next season

Our Sunday morning point score went well again this season. The numbers taking part in the swims are very encouraging. I think the main reason our juniors are gaining courage to take part is the ample assistance we receive from our various senior patrols. Thanks fellas.

It has been suggested that in the new season we should change the format of the Sunday point score so that the water events can be held a little earlier. The suggestion is that we run two separate age groups simultaneously on the beach. This sounds quite feasible if we can get the same help from the parents as we did last season. Keep up the good work Mums and Dads.

Our Presentation Night went off again like clockwork mainly due to Lesley's organisation and Evan's presentation. Congratulations to Lesley, Lorna and Sandra for their good taste in the selection of the trophies. A big thank you to our sponsors and the Helensburgh Workers Club for their support.

The major trophy winners for 1986/87 season were -

Seagull of the Year	Jannine Powell
Seagull of the Year	Scott Boyle
Endeavour Trophy (Boys)	Simon Bedwell
Endeavour Trophy (Girls)	Melanie Dingwall
Best at Carnivals (Beach)	Andrew Bedwell
Best Junior at Carnivals (Girls)	Christine MacDonald
Best at Carnivals Water (Boys)	Jeffrey Harper
Best at Carnivals Senior (Girls)	Jannine Powell
Swim Encouragement (Boys)	Jarrold Sorehsen
Swim Encouragement (Girls)	Samantha Dingwall
R&R Championship Trophy (Tied place 4 person and 2 person as below)	
4 Person	Adam Prentice
	Andrew Bedwell
	Grant Dezius
	David Gavel
	Jannine Powell
	Melanie Dingwall
2 Person	Keiron Beaumont
	Christine MacDonald
	Mathew MacDonald

The State Carnival was held at Byron Bay this year and despite the long distance involved, we had 18 children and most of their parents journey by car and train to be in attendance. The competition as expected was pretty tough, but our 5 person R&R made it to the finals and resulted in 7th place which was only one point away from 6th and 6th place. Jeffrey Harper excelled himself by gaining 4th place in the 10 year old board race. Both deserved special mention due to the numbers involved in the competition.

We saw the reintroduction of the 5 and 6 year olds last season. Most parents will realise that they have been accepted in a purely non competitive role and we must ensure this is carried out, else their involvement may be jeopardised. The Executive will be looking for more non competitive activities for the next season.

The National Awards instruction and examinations were held early in the season to assist our Secretary in getting the necessary papers into State before the State Carnival. These lessons, with the assistance of the Senior Club were well conducted and by what I can gather are among the best in the Branch if not the best. Thanks everyone

During the season we had a time of sadness in the passing of one of our former juniors, Natalie Rosseeuw who was the daughter of our previous Secretary Maria. To Maria, Claude and Julian I extend on behalf of the Club our heartfelt sympathy.

The trailer we had built last year has proved a real boon for the transportation of our carnival equipment and boards. I give thanks to Bernie Potter for his assistance in padding the frame to prevent damage to the boards and thanks also to Peter MacDonald especially for collecting, transporting and returning the gear each carnival.

At our presentation evening a marble pen and pencil stand suitably inscribed was presented to Noel Berlowitz and a lovely sheath of flowers for his dear wife. Noel, who has worked untiringly for the good of the Illawarra Branch, has retired after 10 years service as President. From all your friends at the Park we wish you good health. Don't forget to drop in sometime.

Fund raising was along the same lines as the previous season. Discos, bus trip, chocolate drive, hot dog stand and a few raffles. The raffle prizes on two occasions were large boxes of fresh fruit and vegetables kindly donated by Bidders.

The bus trip 'City Lights' organised by Irene and Lesley proved to be a success again though the weather being so wet on the night nearly spoiled the meal. Even so it was very enjoyable and I'm sure everyone had a good time. The club benefitted by around \$400.00.

The chocolate drive which was supported mainly by our juniors raised \$300.00. Two discos were run conjointly with the Helensburgh Swimming Club and we appreciate their allowing us to be involved.

The Sunday morning hot dog stall still proves to be a winner and to all the ladies that have assisted, Irene gives her thanks.

Irene together with a number of Surf Club ladies have formed a Ladies Auxiliary and catered for many functions both for the junior and senior clubs and I am sure I speak for everyone when I say, thanks girls you have done a great job.

During the last season 5 more of our juniors qualified as cadets with the senior club. In the past 5 years there have been 18 juniors qualify as cadets. It's a pity we cannot do as the league does and charge a transfer fee, then our fund raising worries would be over. More seriously, to the latest 5 cadets we are proud to see you going on in the Surf Club and performing such a worthwhile service to the community, and we hope you have a long and happy association with Stanwell Park.

Welcome to our newly elected executive and office bearers, and I hope we can work together to make this Bicentennial year a season to be remembered especially as we start the new season under a new name 'Helensburgh Stanwell Park Junior Activities Committee.'

And finally to my wife Irene, I do look forward to your capable support again.

	<u><u>\$21604.48</u></u>		<u><u>\$21604.48</u></u>

## SUMMARY OF FINANCIAL STATEMENTS

The Club's net cash balance at the end of the financial year, excluding funds held by the Junior Section (Seagulls), was \$5530.77. Of this various amounts have been allocated for special projects.

Excluding all expenditure on the new building, general expenditure this year exceeded income by \$1938.35.

An amount of \$1,000.00 is still owed in respect to a loan for 1985 Presentation Night, and \$2,500.00 is still owed on a \$4,000.00 loan obtained to construct the new building.

Summarised, the Club's financial position at 1/6/87 is -

Credit balance at bank	5530.77	
Saleable items -		
Bar stocks	424.92	
Club jackets (3)	99.00
