Members

I submit herewith for your consideration and adoption the 81st Annual Report of the Helensburgh - Stanwell Park Surf Life Saving Club, covering our activities during the 1987/88 season.

Our Club reached a further milestone during the year, the achievement of 80 years of community service. It is fitting at this time to reflect on how milestones in our history have been reached, and in every case from the formation of the Club in 1908 to the patrolling of the beach 80 years later, there is one common factor - the commitment of individual members who give so freely of their time..

Throughout the Annual Report, various club officers have reported on their respective areas of responsibility. Indeed you will read how the Club has prospered well and there are positive signs for another good year in 1988/89. But look also at the statistics - the two most important areas of the club are heading into a trough, and next season could well be a year when less members are doing more patrols. There has been a fall off in the number of members on patrol over the last few years and several other members have indicated they will not be undertaking patrol duties next season. Similarly active involvement on the Club's management committee is falling, with a much greater workload now being placed on the few who are involved.

I bring these facts to the attention of all members, with the intention of alerting you to the situation. Undoubtedly the tradition that has been part of the Helensburgh - Stanwell Park S.L.S.C. for 80 years will continue and the current active members will ensure that the Club is still able to achieve its major objective of protecting the public at Stanwell Park beach. The fact remains however that we must set ourselves a further goal over the next two or three years to build up and maintain a strong active membership.

Harley Dreghorn
Hon. Secretary
3 July 1988

OBJECTIVES OF THE HELENSBURGH STANWELL PARK S.L.S.C.

- To provide a community service in protecting the public at Stanwell Park beach.
- To provide training facilities for members and new members in life saving techniques.
- To foster competition among members.
- To provide social activities for members.

PRESIDENTS REPORT

The 1987-88 season has been an extremely successful period for the Helensburgh-Stanwell Park Club.

The season has seen a number of memorable events and milestones achieved, particularly the 80th Anniversary of the Club. The year has seen the stage set for a revamping of the Old Boys Re-union to ensure it continues as one of the Club's major annual events. There is also the annual visit of the St. George Masonic Club, and the hopefully annual Helensburgh-Stanwell Park S L.S.C. Race Day at Kembla Grange.

Through the perseverance of keen members and sound economic management the Club has been able to clear its accounts and finish the season in the black.

I would like to take this opportunity to congratulate all members who achieved awards in life saving and to those who represented our Club in competition.

Special congratulations to the Burke brothers and Matt Larkin for their success in the World Life Saving Titles held in Southport, Queensland.

Many thanks to our sponsors and donors and all the willing workers who pitch in and lend a hand.

Congratulations to the Juniors and their committee. There were some really great successes this year and we are looking forward to more of the same next season.

Thank you to all who have assisted me personally throughout the year.

Don Harris
President

VALE

To the families who have lost loved ones during the year, we extend our sincere condolences.

ACKNOWLEDGEMENTS - OUR DONORS AND SPONSORS

During the 1987/88 season, the Helensburgh-Stanwell Park S.L.S.C. has continued to function and in fact has been able to achieve a small surplus through the continuing support of the local community. The appreciation and thanks of all members of the Club is extended to all who have contributed. It is of course not possible to record every individual donation, and we would therefore ask our many supporters to accept this as our sincere thanks for your assistance throughout the year.

Our particular thanks must go to the local people who every year support our Club on Lifesavers Appeal Day. Held on Saturday 14th November 1987, a total of \$1870.78 was collected through door-knocks in the Helensburgh-Otford-Stanwell Tops-Stanwell Park area.

The Social Committee was again active in running raffles, and thanks to the generosity of the patrons of the Helensburgh Workmens Club and the Centennial Hotel, Helensburgh almost \$1200.00 was raised.

The Social Committee and Ladies Committee assisted in the running of a Fashion Spectacular, at the Helensburgh Workmens Club on 4th September 1987. The night was organised by Anne Dreghorn, and with the help of a number of local stores, and models, raised just over \$1,000.00. Our thanks to the various stores listed, to the models, and to the patrons of the H.W.C. who attended.

Adazz Ladies Fashions, Wollongong; Aziza Ladies Fashions, Helensburgh; Blue Garter Bridal Wear, Woonona; Eureka Mens Wear, Helensburgh; Just Formals Hire, Gympie; Margarets Place, Helensburgh; Total Elegance Swimwear, Wollongong; Michelles in the Park, Stanwell Park; Stewarts Shoes, Helensburgh; Sweet Apricot Childrens Wear, Engadine; Unisports Sports Store, Wollongong; Video Bug Helensburgh; Kim Allen Cosmetics, Stanwell Park; and the Helensburgh Workmens Club for the venue.

The Social Committee was also active in the running of the Era v Stanwell Park Bowls Day at Helensburgh Bowling Club. Our thanks to the Bowling Club and the patrons who supported the day, and to Peter Beehag for his organisation. This day raised \$710.00 which was split between our Club and Era S.L.S.C.

Our thanks to the Helensburgh Workmens Club for allowing the Surf Club to run an Anzac Day function in their premises. This raised almost \$650.00, and our thanks to the patrons of the Workmens Club for their support.

Including the funds raised on Lifesavers Appeal Day, general donations to the Club this year totalled \$4,957.58. The major donation was \$2,000.00 from the Illawarra Turf Club as part of the Surf Club's involvement in the Kembla Grange races on 16th April 1988. Our sincere thanks to the President and members of the Illawarra Turf Club for the donation, as well as the many patrons who supported our Club at the race meeting on that day.

At this stage, our thanks and appreciation is recorded for the following who assisted in making the Race Day possible sponsoring individual races -

Frank Krinks Pty. Ltd., Helensburgh; Helensburgh Butchery; Happy Jacks Liquor Store, Helensburgh; G. Brice of Helensburgh; Helensburgh Workmens Club; Heathcote Services Club; Scarborough Upholstery, Scarborough; Stewarts Shoes, Helensburgh; A & J Hanna of Helensburgh; Imperial Hotel, Clifton.

The St. George Masonic Club at Mortdale, who have organised picnic days at Stanwell Park, and availed themselves of our Club's facilities, made a special donation of \$500.00 to the Surf Club. Our sincere thanks to the Committee of the St. George Masonic Club for their generous donation.

There were a number of other donations received during the year, including donations from the following -

H. Akhurst
G. Andrews
Kissells Butchery
B. Phillips
Ryans Hotel, Thirroul
H. Williamson

The Centennial Hotel, Helensburgh, donated a new set of patrol area screens, valued at almost \$600.00. The patrol members have appreciated the value of this new equipment.

A special note of thanks to the Shelly family for their support during the year.

Donations received during the previous year from Scotts Florist and the AMWU staff at Metropolitan Colliery, were used towards the purchase of a UHF radio valued at \$1,200.00. Half cost of the radio was provided on a \$ for \$ basis with funds from the Australian Government.

We have continued to receive donations from members for the purchase of 'Bricks' towards the construction of the new building. Donations totalling \$288.00 were received from F. Stott, B. Cannon and K. Chapman (on behalf of the Budd family).

We acknowledge with thanks the continuing support of the following who sponsored patrols during the year, with patrol members being outfitted in S.L.S.A. surf patrol tee shirts:-

B.P. Helensburgh (Bill Johnson) - since 1981/82
Helensburgh Smash Repairs (Keith Burton) - since 1982/83
Modern Motor Magazine - since 1982/83
Helensburgh Offset Printing (Bob & Diane Jeffrey) - since 1983/84
J & E Burke (Eddie Burke) - since 1984/85
Southern Brick Distributors (John Ryan) - since 1984/85
Stanwell Park Shopping Centre (Charlie Goodman) - since 1984/85
A & J Hanna Plumbing (Allan Hanna) - since 1984/85
Engadine Computer Centre - 1st year

The Video Bug, Helensburgh (Steve Montgomery) sponsored the Beach Team this year, whilst the Centennial Hotel, Helensburgh sponsored the I.R.B. competitors in the Australian Championships held at North Cronulla in August 1987. Our thanks to these sponsors, both of who are regular supporters of the Club.

The Helensburgh Workmens Club again came to our support in providing the venue for the Fashion Spectacular and the 80th Anniversary Dinner. The Workmens Club also provided refreshments and dinner for the Old Boys Re-union, and provided refreshments for the Patrol Dinner, and other functions during the year. Our thanks to the committee, management and staff of the Club for their continuing support.

Government Grants

During the year, we received a \$ for \$ Grant of \$600.00 from the Australian Government towards the purchase of a UHF radio.

In addition, a further \$250.00 was allocated through National Council, again from Australian Government funds, as a fuel subsidy for the operation of the I.R.B.

Our thanks and appreciation is extended to the Australian Government for its support of surf life saving in general and in providing funds to our Club to the extent of \$850.00 this year.

The Old Boys Re-union has always been a source of funds and with the increasing attendance at this function, we can expect to see the Jack Mawson Memorial Account running with a healthy balance. This year, \$291.00 was collected at the Re-union, for which we extend our sincere thanks to the Old Boys.

CLUB CAPTAINS REPORT

Firstly, congratulations to Mark Ryan on achieving the individual honour of Patrol Member of the Year. It is always difficult to select the winner of such an award, but this season particularly Mark's efforts were really noticeable and appreciated.

The winning patrol in the Club's patrol competition, patrol 3 led by Mark Thompson, was thoroughly deserving of the win. I extend my congratulations to Mark for the effort he put in as Patrol Captain and his general ability to organise his patrol on the beach. Congratulations to the other patrol members, Ron Burke, Mark Warncken, Wayne Thorpe, Jim Forshaw, Grant Dezius, Kelly Brightman and Jason Brightman.

Congratulations to the 16 members who achieved 100% patrol attendance during the season - Andrew Bedwell, Matthew Buckley, Pater Buike, Ron Burke, Phil Doran, Paul Dreghorn, Chris Emmett, Jeff Lucke, Dave O'Grady, James Powell, Jason Powell, Mark Ryan, Mark Thompson, Mark Wallace, Mark Warncken and Rohan White. Next season let's aim to double this number.

In my first year as Club Captain, I have appreciated the individual commitment of the many members who attend their patrols as rostered, and who are always alert and ready for action on the beach. Surf life saving is all being part of a team, and I now know how Geoff has felt for the past few years being the captain of that team.

It would be remiss of me not to record my thanks to Rick, his assistance as Vice Captain made my job much easier. I know that as I write this report in Darwin, Rick is fulfilling the role of Captain and I extend my personal thanks to him for taking over while I am away.

On behalf of the active members, I extend thanks to Mark Thompson for his organisation and conduct of the Club competitions. Similarly to I.R.B. Captain Mark Ryan and to Graham Cook, Paul Potter, Mark Wallace and Kevin Morton, my thanks for keeping the I.R.B. in a serviceable condition.

The season as usual has been beset with the regular jokes and butt-kicking. My award of the year however must go to the nameless I.R.B. driver who in a hurry to beat the waves, overlooked putting the fuel tank in the duck before heading out to sea. Guess who.

Finally my thanks to all for their efforts in 1987/88.

Don Burke
Club Captain

LIFE SAVING AND PATROLS

Because of the reduced number of active members, only eight patrols were formed this year. Patrol Captains were Jeff Lucke, Mark Ryan, Mark Thompson, Phil Doran, Kevin Morton, Mark Wallace, Gary George and Chris Emmett. There were 54 active members rostered for patrols.

In accordance with Association rules, active patrol members are required to complete a Proficiency Test each season; 9 members failed to present themselves for the Proficiency Test this season and were accordingly rostered for radio or observation duties.

42 rescues were recorded during the season, 8 with the I.R.B. Almost 400 people were warned or directed to swim within the patrolled area.

16 cases of first aid were recorded.

CLUB EQUIPMENT

At the commencement of the season, all life saving equipment was presented for inspection by Branch officials in a high standard. During the season all equipment has been maintained to a similar high standard.

The I.R.B was overhauled at the start of the season, and the two motors serviced during the year. The I.R.B was damaged during the Branch Championships in May, whilst being used by another club, and is currently undergoing repairs.

New patrol screens have been provided, by way of donation from the Centennial Hotel, Helensburgh. Competitive equipment has been maintained in a satisfactory condition, with boards and skis being attended to as required by Lance Morton.

Consideration was given during the year to the future of the oared suft boat 'Con Asmussen'. The boat has not been used for a number of years in competition, and several suggestions have been made to place the boat on display in the surf club (hanging from the ceiling). It is proposed this matter will be discussed at a Special General Meeting to be held in October 1988.

A new UHF portable radio was obtained during the year at a cost of \$1200.00 financed on an Australian Government \$ for \$ grant. The two oxy-vivas are currently being converted to air bag operation as required by the Association.

The Jack Mawson Memorial First Aid Room continues to be well maintained by John Walker.

I.R.B. CAPTAINS REPORT

The past season has been a quiet one, but an eventful one in different ways. Firstly we had one of the "slackest" seasons in gaining I.R.B. awards, with only one drivers award gained.

On the other side, this is the first season the Club has been able to operate the I.R.B. with two motors - we now have a fully serviceable stand-by motor. I wish to thank the Social Committee for raising the funds to acquire the second motor, so that during the past season, there was always another motor to rely on if one failed.

On the competitive side, I would like to thank all the competitors (drivers, crewpersons and patients), for their efforts in I.R.B. competition.

I believe the Helensburgh-Stanwell park club initiated I.R.B. competition in the Illawarra Branch. Records will show that the Club's I.R.B. competitors have competed in some of the biggest sea conditions since inception of State competitions. During these years of competition, the Club members have shown that they can compete with the best of them. That includes the big budget clubs and clubs that can call on many resources.

I.R.B. competition provides another avenue for members to be competitive in surf life saving and I hope that the Helensburgh-Stanwell park Club will continue to have proficient and active drivers on the beach at all times.

Mark Ryan
I.R.B. Captain

CARNIVALS AND COMPETITION

Don Burke was the Club's most outstanding competitor this season, winning the Carnival Point Score ahead of his two brothers, Peter and Ron. Don performed well in Sprint and Flag events at inter-club carnivals and championship carnivals.

Graham Mercer must be one of the most consistent Beach Flag competitors Stanwell park has produced. This season Graham was narrowly beaten in the Branch and finished 3rd in the State Championships. But unfortunately Graham was injured in the final of the Australian and later had to withdraw from the World Championships. It must have been disappointing as he was the current World Champion.

This season's competition finished on a high note for the Beach Relay Team at the World Championships held at Southport, Queensland. The team of Matt Larkin, and the Burke boys, Don, Peter and Ron gained 3rd place in the final, a wonderful effort. Another good run in the State Championships resulted in a 4th placing. Later at the Australian Championships, the team just missed out on the final. I am sure this urged them on to do better at the World titles.

Steven McDonald had wins and placings in under 18 events throughout the season, and represented the Illawarra Branch in the under 18 Inter-city carnival; a job well done.

Andrew Bedwell also represented Illawarra in the Inter-city carnival and performed well in beach events. Andrew finished 2nd in both Sprint and Flags at the Branch Championships, a good effort.

In the Branch Board Riding Championships, Rohan White gained a well earned silver medal. Rohan is a keen surfer and is due for a big season in 1989. Brett Daintry also competed well but met with no luck in the final.

Jason and James Powell did well in the First Aid Championships at Branch level to take out 3rd place. Janine Powell will swim in the under 15's next season and I am sure she will have a paddle on the board as well.

After losing some of our champion ski riders to other clubs, we were left with only one ski competitor, Kevin Morton. Although out of action at the early part of the season he managed to win a race, was placed on several occasions and made the semi-finals at the NSW State Championships.

Lets hope the Club can encourage more young competitors to compete next season.

Team Manager

SOCIAL COMMITTEE REPORT

I am pleased to report that through the efforts of the Social Committee and others mentioned below, the Club has had its best financial year since the new Clubhouse was commenced.

Special thanks go to -

- Peter Beehag, and Norm Finney from Era S.L.S.C. for their organisation and running of the Era v Stanwell Park Bowls Day.
- Anne Dreghorn, Lorna Dreghorn, Gail Harris and Irene Dezius for the Fashion Spectacular at the Helensburgh Workmens Club; this night was a sell out and raised \$1,000.00.
- Frank Krinks and the Illawarra Turf Club for the benefit day at Kembla Grange Races - \$2,200.00 raised on the day; better weather next time.
- Sponsors of the Race Day for their support.
- Harley Dreghorn for his contact with the St. George Masonic Club, resulting in a \$500.00 donation.
- Helensburgh Workmens Club, and the patrons, who contributed towards our raffles with \$630.00 raised, plus a further \$650.00 on Anzac Day.

Now that the Club is back on its feet financially, the role of the Social Committee can head more towards what its all about - organising social functions for the members. Next year we hope to be able to put up a full programme of social activities, including golf days, family bar-be-ques at the Surf Club, and regular Saturday evening social nights.

I extend my thanks to the members of the Social Committee for their assistance, and to the Ladies Committee for their help. Let's all do it again next year.

Phil Anger
Convenor, Social Committee

OLD BOYS REPORT

Once again a pleasant day was held by all who attended the October 1987 reunion dinner. "The waves were bigger" and "the stories like fishermans tales" but that's what it is all about the great friendship which has shown itself each year. The friendship attained many years ago suddenly surfaces with the first hand shake of welcome.

Lets keep it alive and those for some reason who have not been along for a few years, make this year the occasion to step back down memory lane.

This is our 20th Reunion Year, lets make it a big one.

Many thanks to Jim Thorn and the late Ken Bridle both members who have been the force for many years in running this important function. Words cannot express our thanks to both these "old surf lifesavers" for years of dedication.

With the retirement of Jim and Ken, Harley and myself have taken over and we look forward to the continued support given this year in future years.

There are many names of old members on our books who still receive advice of the re-union; and there are many who no doubt have not received "invitations". Do not feel you are not welcome it is only because over the years members change addresses and do not advise their new address or even loose contact. Do not let this stop you please contact Harley or myself.

Many thanks to those who made their motor vehicles available to pick up "old boys" from the railway station. The availability of your cars made a very happy day for those members who now find driving a difficulty. Same arrangements will again be available this year.

The venue for the 1987 Re-Union was again was the Helensburgh Workmens Club. Our thanks to the directors, management and personnel who have made our reunions possible over many years, it is very much appreciated.

Again we had the support of our Federal Member, Robert Tickner, Member for Hughes, Gil Grant representing the Illawarra Branch and Michael Dezius, Chairman of the Junior Section.

To those families who have lost loved ones during the past season we extend our sincere condolences. Those that we know of who passed on, are:

Clyde Budd
Jack (Kanga)Standon
Albert (Clicka) Clarke

Ken Bridle
Dave Kinnell

Evan Griffiths

CLUB ADMINISTRATION

Similar to previous seasons, the management of the Club is vested in the elected committee; there are 18 officers elected to the Committee, but again this season, less than half of the elected committee attend regular meetings.

Committee meetings were held on the following dates -

25/8/87	Committee meeting	14 members
29/9/87	Committee meeting	12 members
27/10/87	Special General meeting	16 members
24/11/87	Committee meeting	11 members
20/12/87	Committee meeting	11 members
19/1/88	Committee meeting	9 members
23/2/88	Committee meeting	13 members
23/3/88	Committee meeting	9 members
26/4/88	Committee meeting	7 members
30/6/88	Committee meeting	11 members

By consensus, the May Committee meeting was not held.

Since the election of officers at the Annual General Meeting, the Club Captain, Don Burke, applied for and was granted six months leave of absence from 28 March 1988. The Committee resolved that the Vice Captain, Rick Dzopalic act as Club Captain during that period. Subsequently the Committee endorsed an Executive recommendation that Peter Burke act as Vice Club Captain.

Committees

The Social Committee has continued its fund raising efforts, as reported elsewhere. The Committee has successfully worked with the Ladies Committee in the organisation and promotion of various club functions.

The House Committee has not met during the year, although arrangements have now been finalised for a meeting to discuss the overall management of the Clubhouse, hiring conditions, maintenance of the building, and general rules for access to the various parts of the building.

The Finance Committee as such did not meet, although telephone discussions were held between the executive and members as required. Now that the Club's finances are more satisfactory, an opportunity will exist to properly plan and budget the club's finances.

The Sponsorship Committee did not meet during the year, the activities of the Committee being generally handled by the Club Executive.

The Junior Activities Committee as it is known (i.e. the Seagulls), has continued to function as an efficient part of the Club, with delegates regularly reporting to the Club's management committee. The Seagulls Annual Report and financial statements are included at the rear of this report.

Illawarra Branch and S.L.S.A. involvement

Helensburgh-Stanwell Park S.L.S.C. was again affiliated with the Illawarra Branch of the Surf Life Saving Association of Australia.

Club members continue to hold positions on the Illawarra Branch and the following are members of the Branch Board of the Life Saving Control -

Mark Ryan - Power Craft Supervisor
Graham Cook - also District Supervisor
Jeff Lucke - also District Supervisor
Bobo White - also District Supervisor
Con Asmussen
Jim Powell
Jason Powell
James Powell
Evan Griffiths

Evan Griffiths as Superintendent of the Illawarra Branch Junior Activities Committee was a member of the Branch Executive. Evan also held the position of Deputy State Superintendent.

Con Asmussen was also a member of the N.S.W. State Centre Finance Committee and the Meritorious Awards Committee, and Vice Patron of State Centre.

Sponsorship and Fund Raising

During the year, concerted efforts were made to obtain a new I.R.B. through sponsorship. Up to the present time, such approaches have not been successful. The Executive has a number of other proposals for continuing sponsorship under consideration at the present time. However given the size of the town, and our distance from both Wollongong and Sydney, it has been accepted that easy sponsorship is not a reality, and the Club will have to continue the traditional fund raising methods, such as raffles and 200 clubs.

Incorporation of the Club

The Association is currently pursuing a programme of encouraging Clubs to become incorporated. Having discussed the matter, the Committee has endorsed a recommendation that the need for the Club to become an incorporated body should be put to a Special General Meeting of members in October 1988.

New Club House

As reported in the previous Annual Report, there are still two main items to be completed, the erection of an awning over the stairs/balcony, and the provision of a security gate near the first aid room. Both of these projects are continuing, although some delay has occurred. The awning is being funded by a State Government Grant of \$5,000.00 matched by a Wollongong City Council grant on a \$ for \$ basis.

Community Activities

During the year, the Club has been involved in a Bi-centennial Function at Stanwell Park, and has arranged various social activities, including the Fashion Spectacular, to which the general public have been invited.

A Surf Club team has again entered the Helensburgh Touch Football competitions.

Publicity has been lacking, and as reported in previous years, this requires the services of an enthusiastic member to ensure appropriate and timely publicity for the many achievements of the Club.

Security of Club House and Club equipment

The Club's caretakers have again expressed concern at the general attitude of members of leaving the Club house, boat shed, etc., wide open. This is obviously a matter which must be corrected quickly and has been referred to the House Committee for attention.

A season of involvement and enjoyment would best describe the 29th year of the Helensburgh/Stanwell Park juniors. A group effort from the children and parents ensured the continuing high standard was maintained.

Our Sunday morning point score saw our children in some intense, enjoyable and healthy competition which overflowed to the various carnivals throughout the season.

Once again our marchpast and R & R teams proved to be the premiers in the branch. I feel sure that through the dedication of Evan Griffiths and Jim Powell our juniors have gained immensely in self discipline and the responsibilities these skills will impart later in life. Evan this season trained four teams with very good results from particularly the A & B teams.

The 2 person R&R teams were formed by the following children:-

<u>'A' TEAM</u>	<u>'B' TEAM</u>	<u>'C' TEAM</u>	<u>'D' TEAM</u>
Samantha Dingwall Christine McDonald	Luke Potter Simon Harris	Julie Griffiths Cathy Young	Rebecca Young Julie Gavel

The following carnival placings were gained:

Coledale	-	'A' 1st, 'B' 2nd, 'C' & 'D' equal 3rd
Fairmeadow (McDonalds)		'A' 1st

*Manly (State Carnival)	-	'A', 'B', 'C', competed (no placing)

NB: * Indicates 'C' team comprised Julie Gavel & Julie Griffiths at these carnivals.

Jim Powell who trains our 4-person R & R and marchpast teams must have been very pleased this season with his teams' many wins. Jim has now been training these teams for six years, and this year possibly with the best results.

The 4-person R&R teams comprised:

Janine Powell	Mathew McDonald
Melanie Dingwall	Wayne Dreghorn
Tiffany Pugh	Steven Blizzard

The following results were obtained:

Stanwell Park	-	1st place
Coledale	-	1st Place

Thirroul (Scout Carnival)	-	'A' 1st place

NB: * At both these carnivals six members of the 'A' team marched with the Illawarra Branch team and won 3rd and 1st place respectively.

Stanwell Park Club was proud to have 11 juniors selected to represent the Illawarra Branch in the Interbranch Carnival at Coffs Harbour, and then on to the Bicentennial Carnival at Wanda. Congratulations on your efforts at both carnivals. Very disappointing that the Wanda Carnival had to be called off during the day because of rough seas and inclement weather.

The juniors selected for the Illawarra Branch team were:

Luke Potter, Rhett Davis, Simon Harris, Jeffrey Harper, Samantha Dingwall, Christine McDonald, Melanie Dingwell, Janine Powell, Tiffany Pugh, Wayne Dreghorn and Mathew McDonald.

The State Carnival held at Manly saw 26 juniors and a similar number of parents journey to Manly for the week-end and witness our juniors compete against some very stiff competition. Our juniors made the Club proud with their efforts.

The following boys and girls were finalists in the State Championships

Janine Powell	13yr Swim (girls)
Jeffrey Harper	11yr Board (boys) - 4th place
Andrew Kohlhardt	7yr Flags (boys) - 5th place
Russell Phillips	8yr Swim & Board (boys)
Troy Nugent	}
Luke Potter	}11yr Beach Relay - 7th place
Simon Harris	}
Christine McDonald	}

Whether you were a finalist or not, congratulations on being there and having a go.

Our Club this season did very well at our local carnivals. Some are listed below:

Stanwell Park	3rd place
Coledale	4th place
Bellambi	4th place
Coledale (Branch Championships)	3rd place overall
North Wollongong	6th place

We were particularly successful at the Branch Championships in that we won the handicapped point score and took out the Inaugural Handicap Trophy. It was very moving to see that Stanwell Park was the first name to be inscribed on this perpetual trophy. Some of the major placings were:

(Sorry, room does not permit listing of all place-getters)

R. Phillips	1st	8 year SWIM

SENIOR IRON PERSON	- Jeffrey Harper
JUNIOR IRON PERSON	- Jarrod Sorensen
SURFBOARD ENCOURAGEMENT (GIRLS)	- Julie Gavel
SURFBOARD ENCOURAGEMENT (BOYS)	- Russell Phillips

Congratulations to all juniors who gained the major awards, and to those who just missed out, congratulations also. Be there next season, it may be your turn. I feel a special mention should be made of Janine Powell who has broken our club record in gaining Seagull of the Year trophy for the last consecutive six years. This cannot be beaten unless the 5 and 6 year olds are allowed to compete. Congratulations Janine on your many successes. I am sure there will be a scramble to win it next year.

It is pleasing to report that five juniors have passed on to the senior club as cadets and I feel sure they will continue and swell the senior club's lifesaving ranks. Best wishes go to Melanie Dingwall, Janine Powell, Jarrod Davis, Nicole Blizzard and Reagan Sorensen.

I must thank the following parents for the untiring work they have performed throughout the year:

- (1) Point Score Ladies - Marilyn & Sandra
- (2) Carnival Point Score Lady - Jannice
- (3) Gear Transporter (Extraordinaire) - Peter McDonald
- (4) Coaches and Judges

Another special mention for Irene and all the ladies who assisted her throughout the season. The hotdog stand has been our major income throughout the year.

Also a big thank-you to the ladies auxiliary who not only look after the officials at our carnivals but have catered for some most enjoyable evenings for the senior club.

Income for the season was mainly derived from registration fees, hotdog stand, raffles, a couple of discos shared with the swimming club at Helensburgh, carnival proceeds and bus trip "City Lights" for parents and friends. Irene and Lesley arranged this trip for the second time and it proved an enjoyable night and a good fund-raiser. Thanks also to the ladies who helped serve the food.

Our major expenditure was for registration of the juniors, transport for the eleven children to Coffs Harbour and the ten foam boards purchased at a reasonable price by Lesley. These boards proved quite a popular hit with the children at our Sunday point score.

ILLAWARRA JUDGING PANEL

Stanwell Park was well represented within the Illawarra Branch by having twelve judges on the judging panel this season. Our two latest recruits who passed their junior board of activities panel of judges exam were Janine Powell and Melanie Dingwall. Good work girls! This panel is always looking for new members, so if you are interested, please contact Evan or myself.

WATER SAFETY

Many thanks again go to the senior club for their support in water safety at our Sunday point score. Each season, water safety is getting more stringent. Next season, the minimum qualification requires each person in charge of children in the surf to have the current surf lifesaving certificate. This will make us completely dependent on the senior club for our surf activities.

BREAK-UP DAY

Our break-up day at which we provide a sausage sizzle, drinks, etc. for the children was a great success. Instead of having the normal point score events, we arranged a fun day. The children competed in a treasure hunt, egg & spoon races, sack races, balloon bursting, bucket relays, etc. For each event, prizes were given. The prizes were kindly supplied by Terry Shelly and we are very grateful. The day being so enjoyable, we are considering a mid-season day on the same lines. I am not sure who enjoyed it the most, children or parents?

After 6 years of dedicated service to the Surf Club in general, Irene is also going to have a rest. I feel sure everyone will join me in thanking her for the good service she has given. I know I will miss her assistance enormously. I am confident that with Irene's respect for the good the Surf Club affords, she will still be there to offer a helping hand when the need arises.

To the ladies who are assuming Irene's responsibilities, the Club can only benefit from the previous experience you have already demonstrated.

Many thanks also go to Lorna who not only balances our books but saves the Club and parents money by making the Club's caps and costumes.

Finally to the new executive and officers I extend a warm welcome and again look forward to working together towards an even better Club for our juniors.

MICHAEL DEZIUS
Chairman J.A.C.

SUMMARY OF FINANCIAL STATEMENTS

At the end of the financial year (31/5/88) the Club's net cash balance was \$6388.87. This does not include funds held by the Junior Activities Committee, the Seagulls.

In the previous financial year our expenditure exceeded income by almost \$2,000.00. This year, we have reversed the situation and recorded a profit of \$3221.29. After allowing for a payment of \$2500.00 off outstanding loans, the net balance for the year is a profit of \$721.29.

An amount of \$1,000.00 is still owed on a \$4,000.00 loan obtained to construct the new building. It is expected this amount will be paid in the 1988/89 season.

Summarised, the Club's financial position at 1/6/88 is
