Chairman	Peter LeBreton
Captain	Keith Newell
Secretary	Harley Dreghorn
Treasurer	Bobo White
Registrar	Robert Pugh
Timekeeper/Handicapper	Phil Anger

OLD BOYS REUNION ORGANISING COMMITTEE

Evan Griffiths and Harley Dreghorn

CLUB OBJECTIVES

- To provide a community service in protecting the public at Stanwell Park beach.
- To provide training facilities for members and new members in life saving techniques.
- To foster competition among members.
- To provide social activities for members.

MEMBERS

In presenting our Club's 82nd Annual Report for your consideration and adoption, I wish to list some objectives which the Executive believes the Club should aim for next season. Before doing so however I would briefly reflect on the past season.

The year saw lifesaving standards and patrols maintained to a high level, this being creditable given the dismal weather and the fact that patrols were still expected to use old patched-up rescue equipment.

The first part of the season saw some of our traditional fund raising activities falter when they were not organised to the usual high standard. There were also only limited social activities for patrol members, and to some extent a general loss of interest developed.

Mid-season saw competitors gearing up for the Branch, State and Australian titles, and with social activities being organised to raise funds, a renewed interest and enthusiasm become obvious. This was rewarded with the news that James and Jason Powell had won gold in the Junior First Aid event at the State Championships.

Later in the season, further good news arrived - sponsorship for a near-new I.R.B. and a new motor and donation of a near-new surf boat.

The year concluded on a high note with a programme of fund raising and social activities organised into the 1989/90 season, weekly off season training and social activities organised through the winter swimming group, and a mid-week training and fitness programme.

Having set the scene for next season, the Executive emphasises the importance of keeping our standards high continuously throughout the year. We therefore suggest the following goals be set and aimed for in 1989/90:-

- * No lives lost on Stanwell Park beach during club patrol hours.
- * Acquire new rescue equipment - a new I.R.B. motor, 3 rescue boards, 3 rescue tubes, a second UHF radio set, and update the first aid room and equipment.
- * All life saving/rescue equipment to be fully serviced and ready for operation at all times.
- * 100% pass rate for S.L.S.A. awards.
- * 50% of patrol members qualified as I.R.B. drivers

PRESIDENTS REPORT

This season has been successful for both myself and the Club. In the past I indicated to you that the Club, if it is to survive must assume a proper business like attitude to management and the running of its financial direction. I am happy to report that the Club is now spot-on in that regard and with the impending incorporation, the future management will surely be secure and exciting.

As President, I would like to extend my personal thanks to the sponsors who supported us throughout the past season, particularly A & J Hanna Plumbing Pty. Ltd. for supporting our club with a Zodiac rubber duck, and for co-ordinating the collection of funds to supply an outboard motor.

I would like to take this opportunity to congratulate those members who gained awards in surf life saving, and to welcome to the club the members who joined us throughout the past year.

Many thanks to those members who represented our club in competition, and to our junior section for their support and exuberant promotion of the Helensburgh-Stanwell Park Club.

I would also like to congratulate Mike Dezius for a job well done over many years as Chairman of the Juniors Committee, and look forward to working with his successor, Peter McDonald and his committee in the future.

Thank you as well to all club office bearers and committee members for a great season and job well done. In the future there are many exciting things planned to ensure our Club's rightful place as a leading surf club in the Illawarra Branch of the Association.

I'm sure the Club can always count on your support to make next season bigger and better.

Don Harris
President

VALE

To the families who have lost loved ones during the past year, we extend our sincere condolences.

ACKNOWLEDGEMENTS - OUR DONORS AND SPONSORS

Our major sponsor this year was A & J Hanna Plumbing Pty. Ltd. whose support enabled our Club to acquire a "near new" rubber duck. Unfortunately, Alan was not content with an old motor being used on the new I.R.B., and fortunately for our Club, he organised a "whip-around" amongst his business colleagues to buy a new motor.

Thanks Alan and Jan for your donation, and also for your contribution towards the new motor. Yours is one of the most generous donations received by our Club for a long time.

Our sincere thanks also to the business colleagues who helped with the purchase of the motor-

- * Frank Krinks Pty. Ltd.
- * Centennial Hotel, Helensburgh
- * K & M Binner Poultry Farm
- * Kuzmic Constructions
- * Southern Brick Distributors (John Ryan)
- * John King, Bricklayer.

At the end of the season, our Club was very fortunate to receive a donation of \$1,000.00 from Ted Bagguley, who has visited our Club on a number of occasions as a member of the St. George Masonic Club. To Ted we extend our sincere thanks for your very generous donation.

Throughout the year, we have been well supported as usual in all of our fund raising ventures by local residents and business houses. Our major fund raising activity this year was Life Savers Appeal Day, Saturday 12 November 1988, when \$1660.00 was collected through our annual door-knock. Our thanks to all who contributed.

A special thanks to the Helensburgh Workmens Clubs Ltd. for their continuing support of our Club. In addition to hosting the Old Boys Re-union and providing lunch and refreshments, the Workmens Club and its patrons generously supported our Anzac Day function to the tune of almost \$700.00

At the end of the season, plans were well advanced for the Workmens Club ball, to be held on 19th August 1989. The ball will be a benefit night for the Surf Club.

A day for the golfing fraternity was held at Boomerang Golf Course on Saturday 20 November 1988. Thanks to the efforts of Phil Anger, Alan Fitzgerald, Neil Langdon and Bryant Phillips, this day raised \$500.00. Special thanks to the following who assisted with prizes -

K & M Binner Poultry Farm; Centennial Hotel, Helensburgh;
Fairy Meadow Golf Shop; R. Harris Mushrooms;
Helensburgh Bowling Club; Happy Jacks, Helensburgh;
Helensburgh Workmens Club; Kissells Butchery, Heathcote;
Robert McKay, Wollongong Golf Club; Gerry Coatsworth, Port Kembla Golf Club; Bill Ryan, Buttercup Bread; Terry Shelly;
Bob Williamson, Butcher, Bankstown; Alan Fisher, Toyota;
Welch's Wackers Golf Club.

Our thanks also to Mr and Mrs Bradshaw, Boomerang Golf Course, for providing the venue and to Liz Powell and Paula Shelly, our BBQ cooks for the day.

The St. George Masonic Club again arranged their Christmas outing to Stanwell Park, and at the end of an enjoyable day, announced a donation of \$250.00 would be forthcoming early in 1989. Our thanks to the Board of Directors of the St. George Masonic Club for this donation, which will be combined with their earlier donation of \$500.00 to purchase a new I.R.B. motor next season.

We also extend our thanks to the members of the Masonic Club for their support during their visit to our Club.

To the Centennial Hotel, Helensburgh, we extend our sincere thanks for your support during the year, and in particular in providing refreshments for our Annual Patrol Dinner.

To Les Smith and Jack Wood, our thanks for your assistance in running of our Anzac Day function at the Helensburgh Workmens Club.

To local butchers, Ron Kissell of Heathcote and Ken and Margaret Luck of Helensburgh, we extend our thanks and appreciation for your continued support in 1988/89.

To the XXXX Band and their 'manager' Matt Buckley, our thanks for providing your services at club fund raising functions during the season. Our club members are happy to have you 'practice' in their presence any time.

To Wollongong Surf Club, and the Wollongong Ex-Services Club, our thanks for the donation of a surf boat - the Roger Williamson, O.A.M. The craft is currently being spruced up and will be officially launched as a Helensburgh-Stanwell Park boat later in

1989. It will certainly give our club an opportunity to again compete in surf boat racing.

To the many members and friends who have made donations to the club during the year, we express our thanks. It is not possible to list all who have contributed but larger donations were received from H. Akhurst, Helensburgh T.A.B., Ald. F. Arkell, P. Anger, J. Bedwell, A. Clarkson, K. Herrmann, B. Phillips and H. Williamson. Thanks also to Eddie Burke for his regular donation.

Wollongong City Council

During the year, Council forwarded its grant of \$5,000.00 as half cost of the awning which has now been erected over the balcony and stairs of the clubhouse. Our thanks to Council for approving this grant.

Council has continued to provide regular maintenance attention to the exterior of the clubhouse as required, and as funds permit. At the end of the season, a list of maintenance items, including attention to the rust affected steelwork around the eaves, etc., was provided to Council, for rectification in the coming year.

Government Grants

Our Club acknowledges with thanks a total of \$666.00 from the Australian Government this season. This consisted of a grant of \$300.00 towards the cost of operating the I.R.B. (fuel subsidy), and \$366.00 being a \$ for \$ grant towards the cost of updating the club's two oxy-viva units to air bag operation.

Our thanks and appreciation is extended to the Australian Government for its support of surf life saving.

Although the Club will reap the benefits next season, it would be remiss not to mention and acknowledge the assistance being given by the Illawarra Turf Club in arranging a sponsored race day for our Club on 15th July 1989.

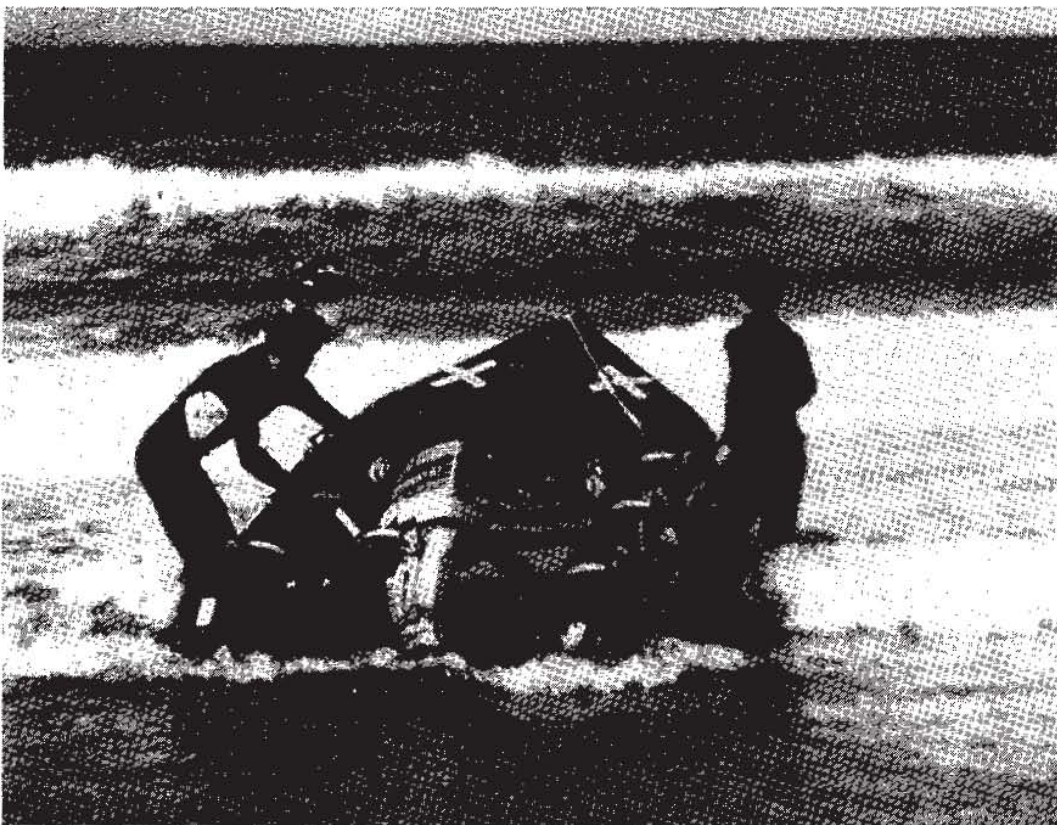

It would also be remiss not to thank the following for their agreement to sponsor the various races on the day:-

- * Helensburgh Workmens Club Ltd
- * Heathcote Services and Citizens Club
- * Ken and Margaret Luck, Helensburgh Butchery
- * Harrigan Ford, Wollongong

- * Frank Krinks Pty. Ltd.
- * Centennial Hotel, Helensburgh
- * Boomerang Golf Course
- * Video Bug, Helensburgh

In conjunction with the race day, a raffle is being run with the major prize provided by Chevron Beachside Apartments, Surfers Paradise, with concessional air fares provided by East West Airlines. Our thanks to both organisations for their support.

Whilst 1988/89 has not been our biggest year for fund raising, the donations, sponsorship and support have been gratefully received and have been applied in the best interests of surf life saving. To all who have helped we trust you will accept this as our thanks for your assistance throughout the year.

The Club's new IRB, donated by A & J Hanna Plumbing Pty. Ltd.,
with the new motor provided by local businessmen

CLUB CAPTAINS REPORT

In opening my report, I would like to thank all our members for their efforts in keeping Stanwell Park beach safe for the public during the past season. The season has had its share of difficulties with much of the rescue equipment requiring replacement. However, I am pleased that our patrol members have pulled their weight despite this problem.

The acquisition of the new I.R.B. and motor towards the end of the season will certainly place the Club in a better situation next year.

Congratulations to Mark Wallace in winning the Patrol Member of the Year award. Mark's dedication to his patrol duties was really noticeable and has set a high standard for our new and younger members to follow.

This season the Patrol Competition was won by Patrol 7, under the captaincy of Rick Dzopalic. Together with John Bedwell as vice patrol captain, the patrol proved to be too strong for the rest.

It was satisfying to see the commitment of 24 of our active members achieve 100% patrol attendance. To them I extend my thanks and congratulations. Although this is 8 more than last season, it is only just over one-third of the 66 active members. Next season, we should aim for 50 members achieving 100% attendance.

A special thank you must go to Mark Thompson for his weekly efforts in running the club point scores and championships. It was great to see a high weekly attendance and marked improvement in the level of competition.

I would also like to thank Peter for his assistance in running the beach this year, and congratulate him on his first season as part of the executive of our club.

Finally my thanks to all for their efforts in 1988/89.

Don Burke
Club Captain

LIFE SAVING AND PATROLS

At the end of the season, there were 66 active members rostered into eight patrols. Patrol captains were Jeff Lucke, Phil Doran/Dave O'Grady, Don Burke, Mark Thompson, Gary George, Chris Emmett/Ron Burke, Rick Dzopalic and Mark Wallace.

Of the 66 active members, only 4 failed to present themselves for the annual proficiency test.

The beach was patrolled on 36 Sundays and public holidays between 25 September 1988 and 2 April 1989, with two patrols each day. There were 21 Saturday patrols from the end of October until the end of March. The beach was 'closed' to swimmers on 17 patrols.

35 persons were rescued during the season, 5 with the I.R.B., 19 with rescue boards, 7 with rescue tubes and 4 without the aid of any gear.

The I.R.B. was used extensively for patrolling the full length of the beach and with the crew warning swimmers to swim within the flagged area. Approximately 800 people were so warned.

There were 24 cases of first aid recorded.

On Sunday afternoon 8 January 1989, 25 persons were rescued between the hours of 1.00 pm and 4.00 pm. A very large crowd was on the beach, on a fine warm day; approximately 1000 swimmers were in the water.

The patrol captain reported it was necessary to move the flags on a number of occasions to keep pace with the continually changing water conditions. The patrol which included a number of additional members undertaking voluntary patrols, was divided into three sections to cover the length of the beach. At approximately 3.00 pm, a shark sighting was reported, and the beach was closed for about 30 minutes. The patrol captains comment, 'Not a very good day'.

The patrol log book also records the actions of a club member on Sunday 2 April 1989. The beach was closed during the afternoon patrol as a result of inclement weather, north-easterly winds and moderate to rough seas with strong rips.

At approximately 4.40pm it was reported that a board rider was in difficulties off the rocks at the southern end of the beach. Patrol members attended, and were advised that the board rider had not been able to reach the shore, and had been washed back to sea and around the rocks.

Despite the difficult water conditions, patrol member Jason Powell elected to swim out

in an endeavour to locate the board rider whilst other assistance was obtained. Shortly afterwards the board rider was able to reach shore and climbed up on the rocks out of sight of the beach. As soon as this was known, Jason was recalled to the beach but because of strong rips, he had a very long swim. It was estimated that Jason spent about 15" in the water.

Jason's action in deciding to swim out to locate and assist the board rider in difficult sea conditions is very commendable, and is now officially recorded in our Club's history.

CLUB EQUIPMENT

Club rescue equipment predominately consists of older items which require extensive attention to keep them serviceable. Only two surf reels are now fully operational for use in rescue work. Of the four rescue boards, only one could be considered to be in satisfactory condition, with the other three due for replacement.

A new rescue tube was acquired during the year, giving us three serviceable units. One is permanently allocated to the I.R.B., and two for beach patrols.

The Club's committee again discussed the future of the oared surf boat 'Con Asmussen' and determined that the boat be withdrawn from service and be used for a display in the club house, at the end of the current season. The boat has temporarily been removed from the club house to make space for the "Roger Williamson O.A.M."

The Roger Williamson was donated to the Club by Wollongong Surf Club towards the end of the season. Minor repairs are required before the boat is 'christened' into Helensburgh-Stanwell Park S.L.S.C.

The two oxy-vivas were converted immediately prior to the commencement of the season to air bag operation.

I.R.B. CAPTAINS REPORT

The past season has been one of 'highs' and 'lows'.

By 'lows' I refer to the members who are competent enough to be able to obtain their I.R.B. drivers award, but will not make the effort to get their hours up through training and undertake the exam.

The 'highs' of the year were the result of two major factors - the first being the greater number of members involved in I.R.B. competition, leading to more patrol members with overall knowledge of the I.R.B.

The second and probably the biggest news for the Club for a long time, was the

acquisition of a second I.R.B. This was the result of the hard work of Alan Hanna, and I would like to thank him personally for the effort and interest he displayed in arranging the finance.

Even though the club now has two boats, only the new unit meets SLSA approval requirements. The older boat at present is in need of a number of repairs, and a decision will need to be made early in the season as to whether to repair or sell that boat.

In conclusion I would record my appreciation for the support given by the Australian Government through the National Council in granting of the I.R.B. fuel subsidy to our Club.

Mark Ryan, I.R.B. Captain

CHIEF INSTRUCTOR'S REPORT

This season, 41 S.L.S.A. awards were gained, a big turn around on the previous season when we managed only 4 Bronze Medallions and 5 Surf Life Saving Certificates.

The members who gained awards are listed below. The 41 awards are made up of -

- 14 Bronze Medallions
- 13 Surf Life Saving Certificates
- 2 Bronze Medallion Instructors
- 1 Surf Life Saving Certificate Instructor
- 6 Advanced Resuscitation Certificates
- 1 Advanced Resuscitation Instructor
- 1 Examiners Certificate
- 2 I.R.B. Drivers
- 1 I.R.B. Instructor

In addition with the introduction of the new air bag resuscitator, 15 members carried out their re-assessment and qualified.

11 I.R.B. drivers were also re-assessed on their abilities.

I would like to take this opportunity to thank the instructors, Evan Griffiths, Mark Wallace, Mark Thompson, Steve McDonald, Shaun Clark and James Powell who gave their time and expertise to help train the candidates for their various awards.

Jeff Lucke, Chief Instructor

CARNIVALS AND COMPETITION - TEAM MANAGERS REPORT

The 1988/89 season saw a welcome increase in the number of members competing in local and major carnivals. Many of these competitors have graduated from the junior section of the club.

This new influx has allowed us to widen our field of competition once again. Our new crop of competitors include -

- Swimming - Peter LeBreton
- Beach Sprints - Simon Bedwell, Wayne Dreghorn, Steven House, Karl Herrmann, Matthew McDonald, Adam Prentice
- Ski - Damien Bowler
- I.R.B. - John Bedwell, Nicole Blizzard, Mark Fitzgerald, Alan Hanna, Johanna Keating

John Boyle was the club's most outstanding competitor this season. John started the season much earlier than everybody else with a marvellous paddle in the Pye Ski Marathon from Forster to Bondi. This earned for him much respect from within the club and from other ski paddlers.

Another great effort was performed by Jason and James Powell who gained a gold medal in the Junior First Aid event at the State titles at Cape Hawke.

Damien Bowler and Scott Boyle became our junior ski team and performed exceedingly well to gain second place in the double ski event at the Branch Championships at Wollongong.

Our new swimmers made us very proud at the Branch titles with Peter LeBreton picking up a Bronze Medal in the over 30 surf swim. Janine Powell swam strongly to be second girl home in the cadet surf swim.

The beach section has found an exciting new runner in Steven House who was just pipped for first place in the cadet beach sprint at the Branch titles. Steven is also anchor man for our new cadet relay team which includes Simon Bedwell, Matthew McDonald and Wayne Dreghorn. They are sure to be a force for the future.

Steve McDonald, Andrew Bedwell and Matt Buckley have been the nucleus of our junior runners and flag competitors. Steve and Andrew have put in some great efforts at flags and may help to bring us back to the top of the flags competition in the Illawarra Branch. Our junior relay team is Matt Buckley, Grant Dezius, Steve McDonald and Andrew Bedwell.

The senior sprinters had a somewhat quieter year than the previous one in which they gained third placing in the beach relay at the World Championships. The senior relay

team is Don Burke, Ron Burke, Peter Burke and Mark Warncken and except for the inclusion of Mark, there have been no new senior beach competitors.

Don and Peter Burke competed well at beach flags and with the inclusion of Mark Warncken the relay team ran well in a much stronger field of runners than have competed at previous local carivals.

During the season, Don and Peter Burke organised regularly training sessions for beach competitors, particularly with baton changing for the relay events. On average 15 competitors attended each session.

A team of 21 competitors and 11 supporters attended the State Championships at Cape Hawke.

For the Australian Championships at Burleigh Heads, Queensland, the club was represented by a contingent of 13 members. The 10 competitors and 1 official were subsidised by the Club to the extent of \$90.00 each towards their travelling expenses. On their behalf, I express their personal thanks for the subsidy.

As a member of both touring teams, I am able to confirm that the behaviour of all our club's competitors and supporters was not subject to any criticism, and that the club was represented in a creditable manner.

Congratulations to Damien Bowler for his win in the Carnival Point Score conducted within our club.

Ron Burke
Team Manager

Sunday 16th April 1989	Juniors Presentation Day
Saturday 29th April 1989	Patrol Dinner
Saturday 27th May 1989	Presentation Night

SOCIAL COMMITTEE REPORT

The Social Committee has not been as active this season in the number of fund raising activities, mainly because of restrictions on the running of weekly raffles. However the Committee has continued its involvement with club activities and at the end of the season is actively involved in a major fund raising activity - another sponsored race day at Kembla Grange.

The Committee is also gearing up to become involved with other major functions later in 1989 - the Helensburgh Workmens Club ball, for which the Surf Club will be the sole beneficiary, and another Fashion Spectacular.

The Social Committee organised a Golf Day during November 1988 resulting in proceeds of \$500.00 being credited to the Surf Club. Thanks to my co-organisers for their help and to the various donors who made the day a success.

It was a pleasure to again host the members of St. George Masonic Club for their Christmas picnic; another successful social day, followed by a donation of \$250.00

My personal thanks to Peter Beehag for his continued involvement with organising the BBQ at our carnivals, and to the many other members who have assisted throughout the year.

To the Ladies Committee who are ever ready to help out with any function, thanks for a job well done.

Phil Anger
Convenor, Social Committee

Treasurer of the St. George Masonic Club Edgar Starr presents a cheque to President Don Harris

Patrol Member of the Year, Mark Wallace

Stanwell Park Sea Eels - inaugural swim 16.4.89

OLD BOYS REPORT

Our 20th Annual Meeting and Re-union was held on 16 October 1989 at Helensburgh Workmens Club and once again proved to be a most pleasant day. There was a slight increase in attendance, and this was most welcome.

Those who missed the day hopefully will put aside Sunday 20 August to attend this years get together.

This year we have changed the date of the re-union from the third Sunday in October to 20 August, being the third Sunday in August. The change we feel will be more acceptable to those members involved in patrol duties and with the Seagulls. The new date is prior to the start of the surfing season.

Many thanks to the Workmens Club for their support last year, and for the many years they have made their premises available, and supplied members with lunch and refreshments. This year however, due to re-organisation within the Workmens Club, we find it will be necessary to ask those attending the re-union to help with costs. We trust this change will not deter members from attending. Letters are being sent to all concerned advising of the arrangements.

Again many thanks to the members who assisted with transport from Helensburgh Railway Station to the Workmens Club. Similar arrangements are again being made to pick up Old Boys from the train.

The Jack Mawson Memorial First Aid Room continues to be a well maintained facility, thanks to the previous donations made by Old Boys. Details of the current balance of the special account for the First Aid Room are included in the financial statements at the end of the report.

The Surf Club has indicated that one of its aims for the next season will be to update the appliances within the First Aid Room - we trust the Old Boys will again come to the fore.

To those families who have lost loved ones during the past year, we extend our sincere condolences.

Evan Griffiths
Co-organiser

CLUB ADMINISTRATION

Committee meetings were held approximately monthly on 28 August 1988 (13 members in attendance), 27 September 1988 (11), 6 November 1988 (16), 24 January 1989 (16), 21 February 1989 (11), 21 March 1989 (9), 2 May 1989 (16) and 13 June 1989 (8).

A special General Meeting was held on 22 November 1988 with 18 members in attendance. The meeting was specifically called to discuss Incorporation of the Club and the future of the "Con Asmussen" oared surf boat.

A special meeting of the Executive, patrol captains and others concerned with the reliability of the club's life saving equipment was held on 14 March 1989 to discuss and resolve problems with equipment.

Election of Office Bearers

Since the Annual General Meeting, the positions of Assistant Treasurer, Assistant Chief Instructor and Radio Officer have been filled (from 28 August 1988), and the position of Chief Instructor from 27 September 1988.

Because of work commitments, I resigned from the position of Treasurer effective from 31 December 1988. Gary Rankin was elected to fill this vacancy.

At the March 1989 Committee meeting, it was decided that nominations would be sought for the positions of Team Manager and Team Captain for the 1989/90 season, closing on Sunday 30 April 1989, with nominations determined by the Committee at the meeting on 2 May 1989. Peter LeBreton and Don Burke respectively were elected to these positions.

New Committee Positions

Prior to the 1988 Annual General Meeting, interested members met and determined new 'job descriptions' for a number of club management positions. Generally the new arrangements worked satisfactorily throughout the year, with a greater spread of the workload.

In respect to the administrative work, I would particularly thank John Bedwell who took on the role of Assistant Secretary and Assistant Chief Instructor, and who relieved me of a mountain of paper work with carnival entries, examination requests, etc.

Fund Raising

Earlier reports will have referred to the Club's finances. During the first few months of

the year, concerted efforts were made to obtain sponsorship for the Club's life saving equipment, specifically in the hope of replacing the I.R.B. but to little avail.

Approximately mid-season the financial situation became an issue of grave concern, coupled with a pressing need to repair or replace aging equipment. On 4 April 1989 a circular letter was forwarded to members advising of the situation and seeking their personal assistance.

Since that time through a large donation, the Club has been able to take the first step in providing more reliable rescue equipment - a near new I.R.B. and new motor.

Other fund raising activities are planned to ensure finance is available to replace equipment. Action is now well under way with the race day, a major raffle, and a benefit night being organised by the Helensburgh Workmens Club.

The financial situation did not permit the repayment of the final \$1,000.00 owing on a loan taken out for the new building. To allow the donor (lender) to be repaid as promised, the Seagulls advanced \$1,000.00, which the Committee has agreed to repay to the Seagulls early in 1989/90 season.

Priority is also intended to be given to the allocation of a minimum amount of \$1,000.00 in to an emergency fund purely for life saving equipment.

The Finance Committee met on 19 March 1989 and because of the Club's financial position at that time determined a budget for the remainder of the season, including to the end of July 1989. The Committee recommended that there be no increase in club fees, but that greater emphasis be placed on members to assist in all fund raising activities.

Illawarra Branch and SLSA Involvement

The Club was again affiliated with the Illawarra Branch of the Surf Life Saving Association of Australia.

The Club continues to be well represented at Branch level with the following members holding office or a position with the Branch, all being members of the Board of Life Saving Control:-

Evan Griffiths - member of the Branch Executive and Superintendent of the Junior Activities Board;

Jeff Lucke - District supervisor, member of the Life Membership and Meritorious Awards Committee, member of the gear inspection panel; member of the patrol efficiency competition panel.

Bobo White - District supervisor, member of the gear inspection panel

Mark Ryan - member of the gear inspection panel

Jim Powell, Jason Powell, James Powell, Graham Cook and Con Asmussen.

Don Harris is a Vice President of the Branch, and a member of the House Committee and the Clubhouse Review Committee.

Con Asmussen was a member of the NSW State Centre Finance Committee and Meritorious Awards Committee, and a Vice Patron of State Centre. Evan Griffiths is the Deputy State Superintendent of the Junior Activities Board.

Club House

The long awaited awning has now been completed, funded by the State Government and Wollongong City Council. Some drainage repair work has been carried out, but other than that, very little attention has been given to the clubhouse. The Committee is mindful of this and intends to arrange a working bee prior to the start of the season to rectify and complete a number of minor items.

The Council has also been advised of a number of maintenance items which require attention.

Security of the Clubhouse

As reported last season, the caretakers continue to express concern at the lack of security and the general attitude of members leaving the building open. Because the issue concerns all members, the Executive intends to call a special meeting early in the new season to lay satisfactory ground rules which will resolve the problem.

Harley Dreghorn - Hon. Secretary

STANWELL PARK SEA EELS WINTER SWIMMING CLUB

From a plain notice posted in the Surf Club by Phil Anger early in March 1989, seeking names of persons interested in forming a winter swimming club, the Stanwell Park Sea Eels was formed. The inaugural meeting was held in the Surf Club on Sunday morning 9th April 1989 attended by 19 members of the Helensburgh-Stanwell Park S.L.S.C. The meeting determined the name and colours of the proposed winter swimming club, and elected a core of office bearers.

Since that time a draft constitution (rules) has been prepared and once agreed to by the members of the Sea Eels will be submitted for ratification and inclusion in the rules of the Helensburgh-Stanwell Park S.L.S.C. The Sea Eels has since become affiliated with the South Coast Branch of the Winter Swimming Association, and application has been made for affiliation with the Australian Winter Swimming Association. Membership has been restricted to members of the Helensburgh-Stanwell Park S.L.S.C. or to members of an affiliated surf club, with a minimum age limit of 13 years.

The first swim was held on Sunday 16th April 1989, with 33 swimmers experiencing good water temperatures at Coal Cliff sea pool. By the end of May membership had grown to 59 members, with an average attendance of 30 each Sunday.

In a social competition swim against Wollongong Whales at Wollongong, we were able to test our members against another club. Keith Newell won the over 50's swim, with our relay team winning the open event.

On Sunday 24th June 1989 we competed in our inaugural Championships, the South Coast Branch, at Woonona pool. Phil Anger proudly won gold for our club in the Over 70's sprint, and was just beaten in the Over 65's to bring home the silver medal. Congratulations Phil! Competition on the day was fierce and whilst we gained a number of placings in the heats, the other clubs were too strong for our members in the finals. Our B relay team captained by John Murphy, finished 3rd amongst a good field. The members in the team were Scott Boyle, Matt Buckley, Peter Burke, Rick Dzopalic, Peter McDonald, James Powell, Jason Powell, Michael Reimann and Mark Wallace.

After 2 months of operation, I can report that the Sea Eels is proving to be a good off-season activity for the Surf Club, both in regard to training and social activities for our members.

I would like to thank all who have helped get the Sea Eels off the ground. I would specially mention and thank Bobo White, Robert Pugh and Jan Powell for their contribution which has made the Sunday morning point scores so successful.

Peter LeBreton - Chairman, Sea Eels

HELENSBURGH-STANWELL PARK S.L.S.C.
JUNIOR ACTIVITIES COMMITTEE (SEAGULLS)
ANNUAL REPORT

The Year in Brief

The past season marked the 30th year of the Helensburgh-Stanwell Park Junior Surf Life Saving Club, and although a busy year, I am sure it proved to be enjoyable for both the junior members and their parents. Junior membership is still strong with 129 registered; 24 are 5 and 6 year olds. 39 new members were registered.

Our Club hosted two carnivals this season, one of which was the Branch Championships. Both carnivals were hotly contested by our juniors resulting in outright 2nd placing at both.

Sunday morning point scores were well attended with keen competition and sportsmanship. Two fun days were conducted in lieu of point score, and all children received prizes kindly donated by one of our club's well known supporters. Parents even joined in for the egg throwing event and many observers nearly split their sides with laughter.

With the assistance of the Ladies Committee, a very enjoyable "Breakfast on the Beach" was organised and attended by a record number of parents and children.

Liz Powell and her girls in the Ladies Committee did a great job throughout the year. All carnivals, barbeques and social nights for both the juniors and seniors were catered by the ladies. In addition to this they also ran the canteen/hot dog stall at the Sunday morning point scores, this being one of our major fund raisers.

Carnivals

We were very proud of the juniors performance and attendance at the various carnivals. The Branch Championships were contested by 38 of our members with 69 medals won. In addition to the carnivals held in the Illawarra Branch, the juniors competed in the Inter-Branch Championships at Swansea-Belmont, the Inter-Cities Carnival at Redhead and the State Championships at Mollymook.

Stanwell Park was really well represented at the State carnival with 37 children and 9 judges, as well as many parents. Considering the many thousands of contestants our juniors did themselves proud. The following boys and girls reached the finals -

Matthew Potter	7 year flags	6th place
Melissa Bedwell	8 year sprint	6th place
Scott Kohlhardt	8 year flags	5th place
Russell Phillips	9 year board	9th place
Russell Phillips	9 year swim	
Simon Doherty	10 year sprint	

The all-age relay team came 6th; the members were Matthew Potter, Melissa Bedwell, James Potter, Simon Doherty, Matthew Pugh, Simon Harris and Simon Bedwell.

March Past and R&R

Stanwell Park was very active in both Marchpast and R&R events and trained two Marchpast teams, two 2-person R&R teams, and one 4-person R&R team. The two Marchpast teams were made up with the following juniors -

A Team - Wayne Dreghorn, Christine McDonald, Matthew McDonald, Kylie Turner, Samantha Dingwall, Luke Potter, James Potter, Simon Harris, Tracey Sullivan, Troy Nugent, Tiffany Pugh, Julie Gavel, Carly Lawrence, and Dean Hines.

B Team - Greg Harris, Greg Sullivan, Matthew Potter, Rhiannon Powell, Russell Phillips, Marcus Rowe, Kelly Dalgleish, Simon Doherty, Glen Dawes, Megan Kohlhardt, Adam Nugent, Karl Herrmann, and Matthew Pugh.

(Reserves included in teams).

Ian Dingwall was Marchpast trainer this season and had some very good results as can be seen below -

Stanwell Park carnival - 1st place; Bellambi - 2nd; Fairy Meadow 5th; Coledale - not placed; Thirroul - 3rd; Branch Championships, Stanwell Park - 2nd; Woonona - 2nd.

At both the Thirroul and Coledale carnivals as well as the Branch Championships, 8 members of the 'A' Marchpast team and one member of the 'B' team competed with the Illawarra Branch Marchpast team, which took out 1st placing.

Evan Griffiths and Jim Powell trained the 2 and 4-person R&R teams again this season, both achieving good results. Competition within the district was a little on the sparse side but none of the gloss can be taken from the teams' efforts after the amount of time spent in training each week. Team members and results are set out below -

2-person 'A' team - Julie Gavel and Carly Lawrence

2-person 'B' team - Adam Nugent and James Potter

4-person team - Tiffany Pugh, Christine McDonald, Matthew McDonald, Samantha Dingwall, Luke Potter, with Kylie Turner in reserve.

<u>Carnival</u>	<u>2-Person 'A' Team</u>	<u>2-Person 'B' Team</u>	<u>4-Person</u>
Stanwell Park	1st	2nd	1st

North Wollongong	1st		1st
Branch Champs. Stanwell Park	1st	2nd	1st
Woonona	1st		1st
State Championships, Mollymook	Not Placed		Not Placed

Best at Carnivals

As everyone would realise space does not permit me to mention all juniors who won events at the various carnivals. However I will list the juniors who were considered best at carnivals this season, with the season's winners shown under Major Award Winners -

Matthew Potter, Christine McDonald, James Potter, Tiffany Pugh, Russell Phillips, Melissa Bedwell, Matthew McDonald, Simon Harris, Luke Potter and Julie Gavel.

Presentation Day

Our Presentation Day went off extremely well. The parents at a monthly meeting had earlier voted to have this event at the club house in lieu of the Workmens Club. The day proved successful with the boys and girls enjoying ball games on the beach afterwards.

The club house was nearly packed out and saw many official guests in attendance including President of the Illawarra Branch, John Meehan, Chairman Illawarra Junior Branch, Glen Fowler, the Federal Member for Hughes Robert Tickner, MHR, and the State Member for Heathcote, Alan Andrews.

Secretary Alice Phillips purchased and organised all trophies etc and although her first time, did a great job. Evan Griffiths acted as director of ceremonies and together with Alice had the presentations running like clockwork.

MAJOR AWARD WINNERS 1988/89

Seagull of the Year	Christine McDonald
Seagull of the Year	Luke Potter
Endeavour Trophy (boys)	Troy Nugent
Endeavour Trophy (girls)	Kylie Turner
Best at Carnivals, beach (boys)	James Potter
Best at Carnivals, water (boys)	Russell Phillips
Best junior girl at Carnivals	Carly Lawrence
Best senior girl at Carnivals	Christine McDonald
Swim Encouragement (boys)	Jason Dalgleish
Swim Encouragement (girls)	Rhiannon Powell
Junior Iron Person	Russell Phillips
Senior Iron Person	Karl Herrmann
Surfboard Encouragement (boys)	Clayton Rowe
Surfboard Encouragement (girls)	Tracey Sullivan
R&R Championship trophy - went to the 4-person R&R team of Luke Potter, Matthew McDonald, Christine McDonald, Tiffany Pugh, Samantha Dingwall and Kylie Turner.	

Congratulations to all major award winners, and also to the boys and girls who missed out. We all witnessed the good efforts you put into the competition this season, so maybe it will be your turn next season.

National SLSA Awards

Steven McDonald was in charge of training the juniors to gain their Resuscitation Certificates this season. A total of 13 juniors qualified. One training aspect associated with Stanwell Park that I am very pleased with and involves all 7 to 13 year olds is the Certificate awards. They are always carried out well and this season saw 64 juniors receive their certificates.

Donations

During the season a total of \$1332.00 was received by way of donations. This included \$1000.00 for the purchase of a tent and a \$150.00 donation from the Illawarra Credit Union, to whom we extend our thanks.

After many years of trying to get a tent for carnivals, and one that would show out as Stanwell Park, Mr. John Diment of Caringbah Joinery and Glazing donated \$1000.00 this season. A tent made of vinyl and in the club's colours and with the donor's name signwritten on the side, has been acquired. We sincerely thank John for his donation.

Fund Raising

Our finances are still healthy though a lot of toil has been done in trying to keep it that way. Alice Phillips this season instead of the chocolate drive, conducted a lamington drive which proved very successful. Other fund raising means were by raffles (\$396.00 raised) and the hot dog stall on Sunday mornings, which recorded a profit of \$769.00. The hot dog stall is a lot of work for our ladies but it is still the major fund raiser for the Club.

We thank Binnars for their continued support of the raffles. Thanks also to Bernie Potter for building the barbeque table which was raffled at the Branch Championships.

Club Officials

At this stage, I would like to congratulate our new Executive to be led by Peter McDonald, the newly elected Chairman of the Juniors. Peter has been an active member of the club for many years now and with his experience and Alice's expertise, the club should continue to prosper.

Another of the older executive, by that I mean time worked for the junior club, is Lorna Dreghorn, our retiring Treasurer. Lorna has been Treasurer for 8 years and at the same time has carried out many other duties that have really benefitted the club. Over the years, Lorna has made all the surf hats for the children and for water safety, as well as the Marchpast and R&R uniforms.

For many years, Lorna has attended carnivals ensuring the juniors in the Marchpast and the R&R events were dressed properly, then spent the rest of the day on the beach as an official in the Illawarra judging panel. She deserves a well earned rest and has decided to step down from the position of Treasurer. Lorna was appropriately thanked at the Presentation Day for her valued work over the years.

Belated Thanks - In my previous Annual Report, I omitted to include a thank you to Lesley and Frank Harper for their valued contribution to Stanwell Parl Surf Club. Lesley was our Secretary for 5 years and helped in all aspects of running the juniors.

Frank was our resident board repairer and saved the club hundreds of dollars. To Frank and Lesley on behalf of the members, I thank you both for your efforts and wish you the best in the future.

Thanks again to the senior club for their assistance throughout the season, in particular the water safety in the point scores and for the two carnivals staged at Stanwell Park. We have enjoyed working with them and fraternising at the various social events.

To our sponsors and donors, we offer our appreciation for your assistance. With costs rising every year, the club would not be able to operate as efficiently without your help.

Finally, this being my last report for the juniors, I must thank everyone for their help over the last 7 years, in particular Evan Griffiths, Harley Dreghorn and Don Harris who were always at hand when help was needed. It has been a most enjoyable period for both Irene and I and we look forward to assisting the club when needed in the future.

Mick Dezius
Chairman,
Junior Activities Committee

Seagull of the Year Christine McDonald, and Seagull of the Year Luke Potter

SUMMARY OF FINANCIAL STATEMENTS

At the end of the financial year, 31.5.89, the club's net cash balance was \$709.91. This excludes funds held by the Junior Activities Committee (Seagulls) and the Winter Swimming Group (Sea Eels).

An amount of \$1000.00 is still owed in respect of a \$4000.00 loan obtained from an anonymous donor to finish off the new building. To assist in finalising repayment of the loan to the anonymous donor, the Seagulls provided a \$1000.00 loan which will need to be repaid during the 1989/90 season.

The year has concluded with a net balance almost equal to the previous season (\$721.29).

Summarised, the financial position at 1/6/89 is -

CASH BALANCE	709.91	
Saleable items at cost-		
Canteen	1245.35	
Club jackets (4)	154.45	
Tee shirts (4)	105.60
