&
FINANCIAL STATEMENTS
1995/96

HELENSBURGH - STANWELL PARK SURF LIFE SAVING CLUB

89th ANNUAL REPORT

MEMBERS

The 89th Annual Report is submitted herewith for your consideration and adoption. The report covers activities during the Clubs 88th year, and includes financial statements for the year ended 31 May 1996.

Highlights of the year -

- * No lives lost on Stanwell Park beach whilst Club patrols were on duty.
- * The continuous high standard of ALL our Beach Patrols and its patrolling members.
- * Christening of the "JIM THORN" our new green surfboat.
- * Continuing great financial support from the local community.
- * 51 Life Saving Awards: 22 Bronze Medallion & 14 Life Saving Certificate.
- * Brian Morton being selected for the Olympic games in the K4 kayak team.
- * The Workmens Club Board generously decided to donate a new IRB for next season to replace our deteriorating solid hull boat. The Workmens Club is our Club's most loyal and BEST supporter and it is with pride that we help them celebrate their Centenary year by display this auspicious event on the front of our new IRB. The Helensburgh Workmens Club's gives tremendous support to the local community and especially to the our Surf Club.
- * The increase enthusiasm in competition and the better over all results at State & National Championships with special mention of Simon Harris, Kevin Morton, Carly Lawrence, Trish McCarthy & James Potter.
- * Peter Turner & Andrew Astill making the finals of the Illawarra Lifesaver of the Year awards.
- * Jeff Lucke being name Illawarra Board of Control Member of the year. Congratulations Jeff.
- * The continuous improvement in water events at Surf Carnival's by both the Seniors and Seagulls.
- * Added enthusiasm & involvement of younger members in organising Club functions & social events.
- * Active, well attended and very functional Club Committee Meetings.
- * Our Club's continuous strong involvement with the association at National, State & Branch levels.
- * The recent election of Don Harris as Illawarra Branch Superintendent and Jeff Lucke as Illawarra Branch Junior Superintendent for next season. This will be the first time since integration that both Superintendents have come from the same Club.

Helensburgh - Stanwell Park Surf Club has had a very successful year and the Club would like to thank ALL those members who contribute to the smooth running of our Club.

Delegate to SCWSA	Mick Walsh, Dave Winner, Klaus Herrmann.

This year as in previous years our Club has been blessed with tremendous support from the Community and the Helensburgh Workmens Club.

This year our total donations were recorded as \$15,587.00.

HELENSBURGH WORKMENS CLUB

The best news of the season is that the Helensburgh Workmens Club is going to provide our Club with a new fully equipped IRB. The purchase of the IRB will be part of the Workmens Club's "CENTENARY CELEBRATIONS" and it will be an honour for our Club to advertise such a milestone in their history.

The deal involves the Workmens Club donating \$10,000 over 2 financial years and grant them the christening rights to the boat eg. Helensburgh Workmens Club Centenary 1996/97".

The Surf Club would like to wish the Workmens Club all the success with their celebrations and congratulate them on this very special historical event.

The Workmens Club allowed the Surf Club to run the ANZAC Day Two-up game again this year and we thank the Club and its Members for their continuous and generous support. The Surf Club raised \$935.00 through money taken from the Two-up and from kind donations on the day.

To the patrons of the Workmens Club, thank you for your support.

LIFE SAVERS APPEAL DAY

Life Savers Appeal Day was another success and it is amazing the support our small close-knit community gives. Every member in our Club acknowledges and appreciate the Community's generous support.

A special thank you must go to Louise Phillips who coordinated the collectors, and to all the members who went door knocking especially the Seagull members we do appreciate your efforts.

The amount of money raised was \$4,387.00 which was a excellent result with all this money going towards life saving equipment.

Our members realise how much our community appreciates the Life Saving work we perform when the they support us so strongly.

REGISTERED CLUB'S RACE DAY

Our Club received \$512.35 from this organised race day at Kembla Grange and would like to thank the Registered Clubs for their support not just to our Club but for ALL Illawarra & South Coast Surf Clubs. The Registered Club's organised a major raffle of a car and a very enjoyable race day . The Club had the opportunity to almost double the amount of money collected through the sale of raffle tickets.

We need to sell more tickets next year.

VALE

**Col Geelan and to ALL member's families
who have lost loved ones during the past season,
the Surf Club extends its sincere condolences.**

METROPOLITAN COLLIERY

For their generosity with a donation of \$500 and giving the boaties a special loan of \$1500 and for allowing our Club members to work on special projects where the money earned goes to the Surf Club.

PATROL SPONSORS

Our patrol members were able to be easily identified on the beach with Surf Patrol tee shirts displaying our loyal supporters.

Helensburgh Smash Repairs
Telstra Corporation(Telecom)
J & E Burke of Heathcote
Engadine Music and Computer Centre
Ron Kissell Family Meats, Heathcote
Jeff Sruhan of J & T Helensburgh Concrete
Gary Mercer of Mercers Concrete
Jimmy Ryan of Ryans Transport of Helensburgh
Graham Buckley of Buckley Building Services
Helensburgh Smash Repairs
Rubys Revival Cafe of Stanwell Park

Unfortunately the Surf Club did not pursue the sponsors for the cost of the patrol uniforms but have decided to allow the Fundraising Committee to acquire this sponsorship money in the future and not the Club Captain.

BHP STEEL

To B.H.P. Steel, thank you for again supporting the Illawarra Branch Patrol Proficiency Competition, from which the Club received a rescue board.

A SPECIAL THANK YOU to BLACK SWAN ENGINEERING (PAUL ROBBERDS) from the Club in general, the Boaties, the Sea Eels, the Seagulls.

To Rubys Revival Cafe, thank you for having a donation box in your store for our Club.

Special thanks goes to Dana Vale MP, Robert Tickner MP, Ian McManus MP, Sid Sampson, Dick Pavet, Jim Thorn, Tom Collins, Mark Wallace, Islanda Classic, Helensburgh Photographics, Peter Turner, Mick Dezius, Black Swan Engineering, Bryant Phillips & Surf Life Saving Illawarra.

Railway Social Club (Jeff Prior) who donated \$400; Thank you.

To members attending the Old Boys Re-union, thanks for your donations, this will be used to keep our first aid room well stocked and in a first class condition. Thank you.

CLUB OBJECTIVES

- * To provide a community service in protecting the public at Stanwell Park beach.
 - * To provide training facilities for members and new members in life saving techniques.
 - * To foster competition among members.
 - * To provide social activities for members.
-

The Patrol Members of our Club have now conducted rostered patrols on Stanwell Park beach in an exemplary manner for 88 years.

Members of the Club, Club Captain Mark Thompson, Community and Supporters should feel very proud of this record, as without their commitment and support Helensburgh-Stanwell Park Surf Club would not be in a position to provide this valuable Community Service. It is this continued commitment and support that has greatly assisted the Surf Club to develop into the club it is today.

The Surf Club has had a long and valued association with the Helensburgh Workmen's Club, with many of the Surf Clubs members also being members of the Workmen's Club. Helensburgh Workmen's Club continues to demonstrate it's genuine commitment to working with the community. The Workmen's Club has been the major supporter of the Surf Club now for many years, recently providing the surf club with it's third Inflatable Rubber Boat (IRB). These craft are now the principal piece of Lifesaving equipment that Surf Clubs utilise for observation and rescues. IRB's supplied by the Workmen's club have been used by the Surf Club's Patrol members in many preventative actions, rescues and emergency service activities.

On behalf of the Helensburgh-Stanwell Surf Lifesaving Club and it's members I would like to sincerely thank the Helensburgh Workmen's Club for providing the club with the latest IRB for our club and wish them well for their Centenary Year.

The Metropolitan Colliery greatly assisted our boat rowers acquire a preloved surf boat for the rapidly increasing numbers of boat rowers in our club. The Sea Eels Winter Swimming Club made a generous contribution to the replacement of much needed Life Saving equipment.

Once again your Club was proudly represented by the juniors, seniors and officials at most Illawarra, Sydney, State and National Carnivals and Championships. Congratulations must go to the all the members who competed so keenly. Five juniors reached the finals at the State championships, Rebecca Lane U/9 yrs. Swim - Melissa Potter U/12 Beach - Joel Overell U/12 Beach Flags - Paul Bedwell U/12 Swim - Andrew Astill U/14 Beach flags and Simon Harris and Carly Lawrence qualifying for national finals. Simon's final of the open men's beach flags capped a very successful season of competition in his first year of open events. Carly Lawrence made the Final of the National under 18 Ladies Board event in very difficult conditions. However due to the tragic accident in the final of the under 18 Surf Boat race in which Robert Gatenby of the Kurrawa Surf Club was lost and subsequently drowned, the remainder of the Championships were fittingly called off as a sign of respect for our fellow Life Saver and his family.

The Juniors with their excellent results at Carnivals and their continued development of Surf Life Saving skills at Club level will provide an ongoing valuable source of competent Life Savers to serve the community for the future. To the members of the various committees and sub committees that were active during the year your input into the success of the club was critical and very much appreciated.

Finally I must thank the Executive, the Management Committee and Junior Section of the Club for their support and contributions to Clubs ongoing success and I wish the Club well for the 1996-1997 season.

**Peter Lawrence
PRESIDENT**

LIFE SAVING & PATROLS

CLUB CAPTAINS REPORT

Another season has come to an end and I would like to thank all our patrol members for their efforts in patrolling Stanwell Park beach especially the large number of young members we have doing patrols. The enthusiasm and dedication shown by these young people ensures that Stanwell Park Club will remain a force for years to come.

This season 61 active members gained 100% patrol attendance awards. This number is up on last season which is pleasing to see. CONGRATULATIONS David Astill for winning the Patrol Member of the year award for his dedication to patrols and water safety for the BJA. Well done Dave.

The Patrol Competition this season was a hard fought contest with two patrols gaining first

place; they were Patrol 6 led by Steven McDonald & Wayne Dreghorn and Patrol 5 led by myself and Robert Score. A big THANKS must go to Evan Griffiths for running the patrol competition.

Unfortunately due to surf and weather conditions we only had a few pointscore days this season, but attendance each Sunday was excellent. Congratulations to everyone who gained places in the Pointscore and Club Championships.

In closing I would like to thank Matt White for organising Saturday patrols and help in running the Club, and also the Committee for their on going support.

Mark Thompson
CLUB CAPTAIN

PATROL STATISTICS

11 patrols average 9.5 members in each
123 active members at end of season
31 Under 16 members at end of season
127 proficient members at
32 average hours per patrol member
24 hours of Branch Radio Duty
55 members attended 100% patrols
11 Saturdays patrolled
10.00am to 2.00pm.
38 Sundays & public holidays patrolled
from 9.00am to 5.00pm, OR
9.30am to 5.30pm (daylight saving)

RESCUE EQUIPMENT

Two IRBs
Three IRB motors
Seven rescue boards
one surf reels
Seven rescue tubes
Two oxy vivas
Three UHF radios
First aid equipment
Approx. value \$37,500

RESCUES, FIRST AID ETC

* 31 rescues
* 84 cases of stings, etc
* 37 other cases of first aid
* 920 people requested to swim within the flags.

EQUIPMENT DISPOSED OF

Nil.

LIFE SAVING & PATROLS

GEAR INSPECTION

The Club's Life Saving equipment was presented to the Illawarra Branch Officers for inspection to ensure our gear is in a satisfactory condition to perform patrols for the new season of 1995/96.

As usual our Club's gear was presented in an exceptional condition and the Branch appreciated our efforts.

A special thanks must go to all the members who worked so hard to make the condition of our equipment first class, and continued the high standard our club has always maintained.

BHP BRANCH PATROL COMPETITION

Helensburgh - Stanwell Park patrols are the equal of any on the coast. Our Club has never won the BHP Patrol Competition but are consistently near the top year after year. We came 2nd again but the gap to first is getting closer.

The Club would like to thank BHP for supporting this very worthwhile competition. The Board of Control should be congratulated for running such a useful and testing competition.

The Club is very fortunate to have so many young and enthusiastic patrol members. The Club and the community should be very happy with our dedicated and proficiency patrol members who patrol our picturesque but dangerous beach.

CLUB PATROL COMPETITION

Evan Griffiths organised a very efficient Club Patrol Competition which compliments the Branch Patrol Competition. Evan was very strict on paper work and uniforms, keeping everyone on their toes.

It is not an easy task to organise a patrol competition when you're as busy as Evan, and the Club would like to congratulate him on his good work. We do appreciate the time and effort he puts into this competition. Thanks Evan.

IRB CAPTAINS REPORT

The past season has been a quiet one with no major dramas or accidents involving the I.R.B.

With support of drivers in doing their required jobs this year has been easier for Steve and myself, and costs have been kept to a minimum.

In the near future I hope we will be able to up-grade the rigid hull to a new rubber hull which will make the job of doing rescue work much easier.

To the Club Captain - Mark Thompson, the Committee, Steve Connor, the drivers and crewpersons, I thank them all for their efforts and support.

Mark Ryan
IRB CAPTAIN

INSTRUCTION & AWARDS

CHIEF INSTRUCTOR'S REPORT

AWARDS

For Surf Life Saving Awards the 1995/96 Surf Season has proved to be one of the better seasons in past years. Club members gained 50 awards throughout the season. This is the 4th time in 6 years that the club has exceeded 51 awards for one season.

The club's instructors once again did a fine job in training members for their awards, this being a big effort with unfavourable surf and weather conditions on many weekends throughout the season. Thanks to instructors Peter Beehag, Steve Connor, Wayne Dreghorn, Bill Haran, Jeff Lucke, Peter McDonald, Des O'Brien, Dick Pavet, Peter Turner, Bobo White and Phil Wright for their untiring efforts coaching and encouraging the clubs' members training for awards.

All training was conducted using the new 30th Revised Edition of the Surf Life Saving Training Manual. The manual offers a broader introduction to practical life saving and a more thorough training in a greater number of rescue operations.

An off season program of Advanced Resuscitation Certificate training had good results.

Bronze Medallion squads had to be combined into one squad to make best use of the resources the club has. All candidates were given extensive training in IRB operations, resuscitation techniques, rescue methods, and general surf awareness.

The breakdown of awards gained by club members is,

Award	New Members	Male	Female	Total
ARC		6	4	10
ARCI		1		1
BM	12	14	8	22
SISC	4	8	6	14
Exam Cert.		2		2
TO Cert.		2		2
Total	16	32	18	51

PROFICIENCY

The season was completed with 129 proficient members. This figure includes Bronze Medallion and Surf Life Saving Certificates as well as any members gaining new awards. This is one of the best results for many seasons, although some active members failed to attend any of the tests organised for the club.

The breakdown of the club's proficiency,

Award	Male	Female	Total
BM	84	24	108
SLSC	14	7	21
ARC	6	22	28
IRB Driver	16		16
Res. Cert.		3	3

Completing a Proficiency Test is an important aspect of being a Life Saver each season. It is important that a Proficiency Test is completed for each award a member holds. This will enable the Life Saver to be competent in his or her life saving activities.

Thankyou to District Supervisor Evan Griffiths for his involvement in training and exams, all candidates for their co-operation during training and to all instructors for their time and input to the training of club members.

Steven McDonald

TEAM MANAGERS REPORT

The 1995/96 season started out slow with only a few competitions keen to make the trek south to Port Kembla, but those who did were glad to clean out the cobwebs, and Simon Harris came away with a first of many wins for the season.

Woonona carnival saw a few more Stanwell Park caps with The Park well represented in almost all events. The "Potter Gang" were strong in the flags, with Matt 1st U/16, James 1st U/18 & Luke a 2nd to Simon in the Open Flags. Trish McCarthy picked up where she left off last year winning the U/16 Womens Flags and then teaming up with Andrew, Matt & Greg to win the U/16 Relay. Also Carly 3rd in the U/18 Board & Louise McCarthy 2nd in the flags.

Don & Luke got 3rd & 4th respectively in the Open Sprint and then teaming-up with Simon & Macka to win the Open Relay.

In the water Scott, Lee, Toad, Luke, Walshie & Steve Waite all competing in the ski events.

Bellambi carnival was another good carnival for "The Park" with Trish 1st U/16 Flags, James 1st U/18 Flags & Simon 1st Open Flags. The Boaties put in a strong showing & Toad, Lee & Scott getting a 3rd Open Ski Relay. Other people to do well were Louise McCarthy 2nd Womens Flags, Don 3rd Open Flags, Carly 3rd Womens Board & Trish, Greg, Andrew & Matt getting 2nd in the U/16 relay.

At Thirroul carnival saw some what of a turn around with the Water competitors out numbering the "sand dancers".

The assault on the water was led by Kev (never say die) Morton with Scott, Walshie, Proudie & Toad all contesting the ski events, Carly taking a 4th in the Iron Woman & with a few boat crews thrown in, the sand dancers were in trouble. But the old reliables came through with Trish winning both the U/16 Sprint & Flags, Louise a 4th in the sprint & Simon winning the Open flags.

There were a few keen competitors who travelled to carnivals outside Illawarra with some good results, three worth mentioning Simon 1st Open Flags (Garie), James 1st

U/18 Flags (Cronulla) & Trish 1st U/16 Womens Flags (Freshwater).

The Boaties!, didn't they clock up some miles, it seemed that every time a set of boat cans were laid Stanwell Park were lining up to race. It was good to see the enthusiasm & great team spirit displayed by our crews, this has contributed to the growing numbers of eager new boat rowers.

It must have been a very quite day on Stanwell beach as it seemed every man & his speedo's, or should I say every person and their cossies where at the Branch Championships at Nth Wollongong.

The Club had a good fun day as members cheered and encourage our local hero's. The Taplin Relay & Ski Relays led by Kevin getting the best support. The Club did very well on the beach with Simon, James & Trish being Branch Flag Championships. The U/18 Boat Crew (Gator, Trent, Jason, Ashley (Chuck), Daniel) & the U/16 Beach Relay team (Andrew, Russell, Josh, Robert) both missing out on gold by centimetres while Steve Mc & Kurt Herrmann gaining creditable silver medals. Kylie, Ben, Carly, the March Past team & the Patrol Team well earned winning minor medals.

The Branch Masters Titles were held at Thirroul with Kevin starring with two gold, 1 silver & a bronze. Steve C won two gold & Thomo plus the 120 year relay (Steve, Thomo, Klaus) all winning minor medals.

The State Championships at Sth Maroubra our best results came from Simon & James who showed their class & received some dividends for their enthusiastic training. Kevin went extremely well in his initial year in the Masters with a couple of 4ths & 5ths.

The Australian Championships Simon did extremely well to make the Open Flags final and I'm sure he learnt from the experience for next time. Kevin just missing out on medals again at the Masters.

The seas were huge & so was the team spirit & a good weekend was had by the touring team with Jane McCarthy starring to win the inaugural "Kurrawa Cup".

Junior Section, Andrew Astill & Rochelle Gilmore were nominated for consideration as Illawarra Life Saver of the Year.

ADMINISTRATION

COMMITTEE MEETINGS

Committee meetings were well attended and productive. The Committee worked very well together and as my last year as the Club's secretary I would like to thank all those members who made the effort and contributed, ensuring the Club functioned smoothly. The Committee had more workers than talkers.

ELECTION OF OFFICE BEARERS

Advance nominations were again called for positions on the Club Management Committee. During the year, there were no resignations or changes to office bearers.

CLUB RULES

The Club accepted guidelines to help clarify members eligibility in being put forward as life members, and a special thank you should go to Evan Griffiths, Keith Newell, Ian Kohlhardt and Harley Dreghorn for their efforts in formulating these guidelines.

The Club Rules are available for perusal by members on request. In accordance with an earlier minutes recorded at a Committee meeting, it is necessary that the rules be exhibited within the Club house where members can peruse them.

CLUB TRADING

Similar to previous years, a separate account has been operated for the Club's trading activities, principally for the sale of soft drinks and other refreshments to members.

THE PARK BENCH

There have been very few editions of the Park Bench this season and hopefully this will change next season.

PUBLICITY & COMMUNITY RELATIONS

The Surf Club is an organisation which has a good relationship with the local community and publicity in local papers is very important. We need to maximise this means of informing and thanking the community and our sponsors

The community, sponsors & past members all like to read Surf Club articles in the papers to keep in touch and you can never have too much publicity.

CLUBHOUSE

The Surf Club building is situated in a very active and unforgiving environment which ensures there is a continuous need for maintenance to the Club House and its surrounds.

There have been many people who have helped maintain our Club House and I would like to thank them all.

Sandra and Peter McDonald should get a special mention for the many hours they spend washing and cleaning floors, cleaning & maintaining the kitchen and rest rooms.

The Club is very lucky to have members who are willing to roll-up their sleeves and help around the Surf Club.

SEAGULLS COMMITTEE

The Surf Club would like to acknowledge the very good working relationship we have with the Seagull's committee and would like to thank them for their help and cooperation.

GENERAL ACTIVITIES

FINANCE COMMITTEE

The Finance Committee wasn't too active this season.

SOCIAL & FUND RAISING COMMITTEE

The Social and Fund Raising Committees under the leadership of Louise Phillips was very active this year and ensured a successful and happy season. It was very pleasing to see the Social Committee become so active and every members enjoyed Club functions with their special themes and extra preparation.

The Club's most successful and profitable fund raising venture was the Life Saver Appeal day which was coordinated by Louise and her helpers.

The two up was another function well supported by our Club members and again everyone who made the effort should be praised.

The Committee help organise the Christmas Party, the "Boaties" Ball, the Patrol Dinner and the Presentation Night.

The Christmas Party was at the Surf Club and was enjoyed by both the young and old.

The Annual Patrol Dinner was again a sit-down affair catered by members of the Ladies Committee, followed by hours of fun and dancing. Many members showing their darker side especial the Mabo Brothers, the Blues Brothers and the Sister of Soul.

PRESENTATION NIGHT

Presentation Night at the Workmens Club was again very successful with many happy faces, winners are griners with special guests Danna Vale M.P. (Fed), Bob Proudfoot; Milton, Marjorie, Warren, Jan & Brian Piper, Keith & Deb King plus Norman Maney.

Peter & Sandra McDonald need to be congratulated on the tremendous effort and organisation they put into making this night such a great success.

It was hard to beat Dave Anger and the "Divine Miss D" with the presentation of the MULL award but the climax of the night was when Louise Phillips was presented with the President Award - Club Person of the year. Louise was a very popular winner.

GENERAL

The Helensburgh Workmens Golf Club and the Surf Club contested the memorial Phil Anger Golf Cup. A good day was had by all.

The 1995 Surf Club Re-union was held in the Club house, and a pleasant day was had reminiscing. Jack McMillan volunteered to send out letters to ensure all older members are properly informed of when the reunion is on and to survey when and where members would like to hold the reunion.

The Sea Eels were again a very strong within the Club and are very sociable through the winter time. They staged one of the best South Coast Championships in years and did us proud.

Members attended the Helensburgh Anzac Day Dawn Service in force as a Club group and then went back to the Workmens Club for breakfast. Later in the day, Club members then ran the Two-up Game in a very professionally manner at the Workers Club.

This season the Annual Car Rally was organised by the White Family and even though the weather end up cold and windy it was a very pleasant day.

The Club is looking forward to this years car rally which is to be organised by Jeff, Brenda & Emma Luke.

GENERAL ACTIVITIES

THREE YEARS AS SECRETARY

I have enjoyed the last 3 years I have been secretary and would like to give a special thank you to all the members of the executive.

My 3 years as secretary have flown and I would like to thank the McDonald family who never stopped amazing me with the amount of work they volunteer for; they made my job so much easier, thank you.

Over the last three years I have been pleased to have been part of a very functional management committee,

seeing the Club finally corporatised, the Club acquire two new IRB's from the Workmens Club and watched as members have got more involved with competition.

One of my greatest pleasures at present is see my children and their friends mature and grow within the surf life saving movement, and when you have families like the Thompsons, Astills, McCormacks, Cooks and Heillers just to name a few, the tradition of Helensburgh - Stanwell Park being a family surf club will always continue.

Bobo White

JUNIOR GROUP

This is the sixth season that the Club has taken an official interest in the Junior Group, aged between 13 & 18 years, who are concurrently active in the senior club.

Two years ago, this group was on a high, proving to be most successful, & the envy of all Surf Clubs through out the association. That year I noted in the annual report that we must not become too complacent & look for further suggestions for improvement.

Unfortunately things have become stagnant.

The original group has become well & truly entrenched in the senior club. Unfortunately our newer group, recruited from the seagulls have not been well catered for. These children have undisputed commitment, doing their patrols, assisting fundraising and water safety, participating in competition & social functions.

If we are going to retain this very important group, then we are going to have to do more.

I am open to any suggestions & any help that might be forth coming.

Peter McDonald
JUNIOR GROUP MANAGER

BOATIES REPORT

In February Jim Thorn christened our new boat. This boat was obtained from Surf Boats Promotions (Uncle Tobys) for a bargain price of \$3,000. I would like to thank Metropolitan Colliery for their donation & interest free loan which enabled us to purchase this boat. I would like to thank Don Harris for his support in training the boys this season, also Mick & Craig for running the show.

This year our two crews attended 16 carnivals, achieving many placings & a fair bit of respect from rival Clubs. The Junior Crew, Trent Ryan, Dan Richmond, Ashley Turner, Wayne Claverie & Jason Brown won silver at the Branch Championships & were

placed 9th overall in the NSW Surf Boat Premiership, a truly great effort.

The Senior Crew Grant Dezius, Mick Dening, Kerian Beaumont, Scott Brown & Craig Pritchard also had a much improved season rowing quarters, semis and sometimes finals against some very hot competition.

The crews are keen & back in training & are hoping for an even bigger & better season next year.

Finally, thank you Paul Robberds for making us a new set of rowlocks.

Yours in Boats
Mark Wallace (BOAT SWEEP)

ASSOCIATION INVOLVEMENT

ILLAWARRA BRANCH INVOLVEMENT

The Club was affiliated with Surf Life Saving - Australia, through the Illawarra Branch.

Don Harris was elected as Deputy Branch Superintendent, and was also a member of the Finance and Judiciary Committees.

At Branch level Jeff Lucke was a member of the Life Saver of the Year, Meritorious Awards, and Life Membership Committees.

Evan Griffiths was our District Supervisor, while Bobo White, Don Harris, Evan Griffiths & Peter Beehag were involved with the BHP Patrol Competition panel.

Bernie Potter was the Branch BJA beach coach again and did a marvellous job with the kids. While John Bedwell was the Branch's BJA Team Manager and did an excellent job.

"The Park" members in both the Seniors and Juniors are very active and prominent at Surf Carnivals at all levels. Our contribution is second to none and the quality of our officials is recognised as the best in the Association. That is why our Club has such a large number of Carnival Sectional Referees.

TRAGIC EVENTS AT KURRAWA

The Australian Championships at Kurrawa on the Gold Coast were held under very testing conditions with huge waves being produced from a cyclone off Queensland.

The carnival ended under very sad and tragic circumstances when a young boat rower from Kurrawa, Robert Gatenby only 15 years old died in the final of the U/18 boat race.

It was a very emotional time and its not too often see tough old boaties with a tear in their eye. It was an unreal, eerie feeling watching the IRB search crews trawling the surf line looking for Robert's body as darkness engulfed the whole unbelievable scene. With the sound of the helicopters above and with their search light piercing the darkness all added to this unreal movie-like scenario. Everyone was effected in some way.

Our boaties showed great sincerity and character when they sent flowers to Robert's family. It just goes to show how special our boat rowers are.

Robert's parents showed great strength through the whole terrible ordeal and our Club really appreciated the hand written thank you letter Robert's father sent.

There was a poem written by a boatie, Scottie Brodie from Maroubra which echoed peoples feelings the night of this tragic event when Robert's body still had not been found. This was the first poem Scott had written since his brother had died of cancer over 12 months before. Scott's brother was also a boatie.

WE'LL NEVER UNDERSTAND

He was only going out to play
But now he won't be back.
They stood and searched the setting sun
The day had turned to black.

He woke that day a cheerful kid
Just one amongst the throng,
With youthful bright exuberance
His body fit and strong.

His mates were there about him
In sport, wholesome and clean.
No worries from his parents,
As to where he might have been.

For welfare, you could do no more,
His safety was assured.
And though the surf was pounding,
He was never over awed.

For spread along this stretch of sand
The finest in the world,
But even they could not prevent
The drama that unfurled.

And now he bumps along the sand
Manoeuvred by waves,
His bodylimp and broken
In his wild aquatic grave.

He hadn't been out on the street,
With stick marks in his veins.
He wasn't full of substances,
To scramble up his brains.

A prouder pastime you'd not find,
The fibre of this land,
But still the lad is gone for good,
We'll never understand.

Scottie Brodie

Let Robert's soul rest in peace as his
spirit surfs the Kurrawa break and
hope it never happens again.

JUNIOR SECTION

It is with a great deal of pleasure that I write this report having just completed my first season as Chairperson of the Junior Section. Having been involved in many community groups in the past I can honestly say that this has been the most satisfying and rewarding position I've ever held.

In a lot of community type clubs the work is left up to the willing few but at Helensburgh Stanwell Park there is no shortage of helpers. One of the most pleasing aspects of our Surf Club is the level of participation of senior club members in Junior activities both at Club and Branch level. The level of support given to the Juniors by the Senior Section is terrific and I take this opportunity to thank on behalf of the Junior Section all those people who help with water safety, training and generally just lend a hand. Your efforts do not go unnoticed and are sincerely appreciated.

This season has once again been a great season with increased club member participation both at point score & at carnivals. There have been some tremendous efforts put in throughout the year and my congratulations to all those children for their achievements. You will find in the body of the report a list of achievements and I would recommend that you take note and consider the time and effort put in by the children, Parents and Club members that it took.

It would be amiss of me not to express the Juniors' appreciation for the efforts & help of the Illawarra BJA officials throughout the year and especially on our Carnival day which contributed to its great success. Together with the Yellow Pages sponsorship we look forward to the continued support from the Illawarra BJA.

I would also like to thank all our local sponsors this year. Their sponsorship monies has allowed the club to grow and commence a board replacement program

which enabled us to purchase 4 new fibreglass boards (plus the yellow pages board) & two new foam racing boards this season.

Our club's aims were to concentrate on National Awards. Members achieving their National Awards (93%), "S" badges (80%) & 200m swim (55%). The club built on the efforts of previous years for increased water participation & the results have been outstanding. we now have a balanced team regularly attending Carnivals, competing in both water & beach events.

While not detracting from individual performances it is great to see the club doing well in the team events. The March Past Team has once again had a great season. The highlight was winning the Gold medal at the McDonalds Carnival when they were up against better known Sydney Clubs. The R&R teams have performed well all season & the relay teams always attract a big following providing lots of excitement, barracking, noise and team spirit to end the day, then we take the tent down & pack the trailer (a real team effort !!!).

To the 1995/96 committee I think we "got it right", & on behalf of the committee I'd like to thank all those people who have helped throughout the season. It is not easy finding the time to support the Juniors (Harley says thank you to the Sunday afternoons) but there is a great deal of commitment towards the Juniors within the Surf Club.

Finally, to our under 14's who leave us to take up patrol duties with the senior section, good luck for your future endeavours in Surf Life Saving. It is an indication of the success of the Surf Club that the retention of Juniors into the Senior ranks is so high & this can only ensure a bright future.

Bill Heiler

ALL AGE RELAY 3rd

STANWELL PARK SEA EELS

The Sea Eels Winter Swimming finished the season on the 7 October with the staging of the very popular "Seafood Evening" with 100 guests in attendance.

The Club had one of their finest seasons in our very short history of seven years. This season the Sea Eels were given the opportunity to host the South Coast Winter Swimming Championships and conducted them in a sportsman like manner ensuring good competition and providing an excellent social event.

To host such an event, took an enormous amount of organising and when volunteers were called for, no member took a backward step. The high standard set by our club will be something to be remembered for a long time, and a benchmark for other clubs to follow.

For the seventh year in a row the Sea Eels were the last to leave the Championship dinner but this year it was a little later than usual because all the other Clubs were having such a good they did not want to leave either.

Two members should get a special mention, they are Peter Turner and Ernie (Tom Dick) Valbusa for their superb efforts leading up to and during the Championships. Ernie was made an honorary member of the Sea Eels, not only for his efforts this season but for all other seasons.

Once again we were under the direction of President Dave Anger and Captain Barry Allen, the club attracted some seventy members, out of which twenty four gained 100% attendance. Our committee worked enthusiastically and with our Fine Master (Jimmy Dalmer) and his apprentice (Dave Winner) they kept us entertained, whilst making money, with some fantastic tales, lies and innuendos, some almost bordering on being truthful.

The generous efforts of Social Secretary Peter Hunt and his wife Margaret added to our coffers by conducting many raffles.

Mike Walsh, Klaus Herrmann, Dave Winner and Barry Allen attended all of the South Coast Association meetings to keep us up to date, and inform the Association of our progress with the arrangements for the Championships. A thankless job, with many a late night at the Clifton Hotel, thanks fellows.

Treasure Peter Turner had an extremely busy season, as can be seen from the financial statement, but this gentleman never seems to be phased and kept us well in the black.

Number cruncher Robert Pugh with the assistance of Steve McDonald and Peter Turner made sure that the twenty pointscores conducted were done so in the most streamlined and fair manner, but regrettably, were still unable to catch out the foxes.

This season saw the introduction of our new pointscore, where the talents of the U/14's, were individually recognised. John Murphy donated a trophy, superbly crafted by Keith "Sparrow" King, and named in honour of Ernie "Tom Dick" Valbusa. In its inaugural year was won by Alicia McCormack.

The Sea Eels once again had the pleasure of a visit by the disabled children from "Baringa". Although the weather did not permit us to venture outside, the children were provided with musical entertainment by Chris and Ryan Church, and received gifts and all the goodies they could consume. The children seemed to respond more to our efforts this visit, compared to other years. It is also noticeable that the staff from Baringa enjoy the day out as well. Thanks to donations from John Murphy, Bill Haran and Peter McDonald.

STANWELL PARK SEA EELS

Monies raised from a raffle of a colour TV donated by Black Swan Engineering, a considerable donation will go to the children of Baringa. Hoping we can repeat the visit again next year.

Our social events included a visit by our friends from the Bulli Sea Lions, two visits to the Coalcliff Surf Club, where we are always made welcome, a visit to our patrons at the Clifton Hotel, a "4 Way Swim" with the Whales, a visit to the Bellambi Blue Bottles and who will ever forget our visit by the Harbord Frigid Frogs, those sobering gentlemen from the north side who gave us a whole new insight into winter swimming.

In recognition of the efforts of our younger members, the Sea Eels sponsored 14 of our Junior members to take part in the Surf Club U/18 bus trip to Jamberoo.

The Helensburgh Workmen's Club Social Golf Club again staged the Phil Anger Golf Trophy and despite a big turn out by our members, they still retained the trophy, with Dave Anger winning the individual event. Special thanks to Bob Britten and the HWC for their interest and organisation.

Our prestigious and highly contested award the "S.H.I.T" (Soup Has Individual Taste) Trophy, for the first time came down to a cook off between Bill Haran and Barry Allen. Fortunately for Bill, after a democratic vote was taken, he walked away with the trophy.

THANKS TO DONORS.

Thanks to our many sponsors who really had the squeeze put on them this season:-
