Annual General Meeting

11am Sunday 27th July 2003

AGENDA

1. Welcome to Guests, Visitors and Members
2. Apologies
3. One minutes silence will be observed to remember past members
4. To confirm and adopt the Minutes of the Annual General Meeting, held on Sunday 28th July 2002
5. Business arising from the Minutes
6. Club Captain Report
7. Presentation and adoption of the 96th Annual Report, 2002/2003
8. Presentation and adoption of Financial Statements, 2002/2003
9. Adoption of Statement of Financial Affairs
10. Accreditation with Surf Life Saving Australia, 2003/2004
11. Junior Activities Report
12. To elect the Patron and Office Bearers, for the season 2003/2004
13. General Business (urgent matters only)

96th Annual Report 2002-2003

MEMBERS

On behalf of the Management Committee, I submit the 96th Annual Report for your consideration and adoption.

The report includes financial statements for the year ended 31 May 2003.

Peter McDonald - Secretary

12 July 2003

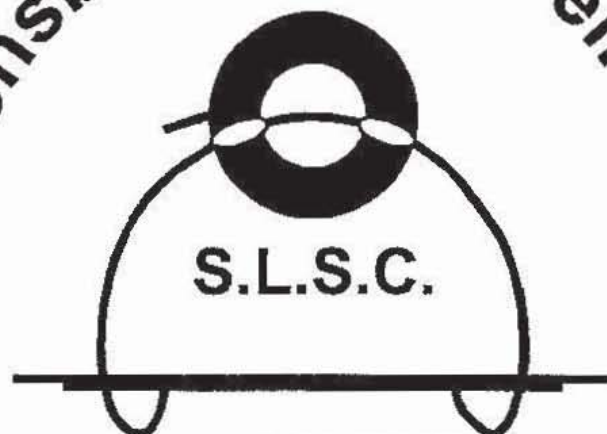

Club Objectives (as taken from the Club Constitution)

- The study and practice of the methods of surf life saving as taught by the Surf Life Saving Association of Australia.
- To minimise the loss of life from drowning by providing efficient life saving apparatus.
- To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving.
- To appoint patrols to render all possible aid to those in distress.
- To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives.
- To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate.
- To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training.
- To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.

Presidents Report

Another season has come to a close, and what a colourful one it has been. Being our 95th Year we knew that it had to be something special and it was in many varied ways. 95 years of anything is a milestone to be proud of, but to patrol our beautiful beach for that long and have no lives lost during patrolling hours is a remarkable achievement that we all should be proud of, both young and old alike.

I feel that the Executive this year, as has been the case for a number of years now, continued to remodel the structures of the club and support those members outside of it, that they are willing to put their hand up and run with an idea. I would personally like to thank Don Burke, Mark Wallace and their band of 'Merry Men' who have continued to amaze people with the huge amounts of funds they have raised to ensure that the young Boaties have the best possible preparation and equipment to compete. Thanks must go to the major players in the local mining industry for their substantial donations, which made the purchase of our first boat christened this year, the "Coal Cutter" possible. The second new boat to be christened was to prove very popular, with it being named after the little master "Dick Cavanagh." Dick was beside himself at the christening and he was even more shocked when told of the junior crew rowing his boat into the quarterfinals at the Australian Titles.

The other group of members that I would like to thank for their continued commitment to fund raising are the Ocean Swim committee. This year was the second year the swim has been staged and even though they had sponsors pulling out at the last minute and huge seas on the original date, the day proceeded the following week without a hitch. Matt White, Wayne Johnson, Andrew Perrin, Murray Dowling and Kevin Keane, thank you for your hours of preparation and your dedication to making this event such a success.

Our carnival days were supported well again this year with our club hosting the Senior Branch Championships. Unfortunately due to the surf conditions the boat area was postponed to a later date, at which our crews performed exceptionally well. As usual on Branch day our Beach Competitors exceeded and continued our clubs great tradition of classy beachies.

At both the State and Australian Championships we saw a small but competitive team go away to represent our club. Though no medals were won, there were a great percentage of finalists, semi finalists and quarter finalists.

As usual this year there were the yearly fundraisers, the car raffle, collection day and Anzac Day 2 Up at the Helensburgh Workmen's Club (HWC). Thanks to Jack McMillan for his countless hours spent selling raffle tickets at shopping centres and his helpful sidekick Peter McDonald for helping to raise \$4714. The work of these two members plus a small band of occasional helpers bolster funds for rescue equipment.

Collection Day saw a drop in numbers and not all areas covered, but the amount of \$5130 collected was a record. Thanks to all that attended and gave freely of their spare time.

Unfortunately the numbers were low at the HWC for the Annual 2 Up so the few that were there had to work tirelessly to raise a small amount of \$311 this year. When it comes to fundraising, our club needs as many helpers as can be found. So if you have had a few years away from these annual fundraisers, please think about returning to assist with these days because the more that help the easier it is and the more we raise.

The highlight of the year was the 95th Anniversary Ball at the Novotel North Beach. The committee worked hard to make this a success and I'm sure that all those who attended would agree. Greg Hand in his popular role as MC led us through a mixture of history and amusing snippets from our past. Some kind words from our guest speakers set the tone for a great night. The evening topped off by the talents of David Cazalet and band.

The Anniversary was followed later in the season with the 95th Anniversary Club Reunion. The day was a great success and it was great to see old faces that had been absent for a few years. The day would not have been possible without the huge efforts of Jack McMillan and his daughter Jan. Thanks to both of you for rekindling the fire in so many old members' bellies.

Finally, let me take the opportunity to thank the people who have helped me over the last five years. During this season I decided that I was going a bit stale and it was in the best interest of the club to stand aside and allow someone fresh to take the reins. My terms as President has been very satisfying and my personal goals were reached. I know during my term I ruffled some feathers and put my fair share of noses out of joint, but I don't apologise for that because when ever I made a decision I took into account whether it was in the best interest of the whole club, whether the repercussions would effect the credibility of the Executive, and whether or not it would discourage members from promoting Surf Life Saving at their own level.

Special thanks to Mark Thompson, Peter McDonald, Peter Turner, Ron and Deb McCormack, Graham Cook, David Astill, Steven McDonald, Harley Dreghorn, Don Burke and every member who has supported me. A special thanks also to my loving wife, Louise, and my family who have given me every ounce of their support along the way. It has been a great honour to be President of such a great club and when I look back through the past office bearers I am very humbled.

Good luck to the new committee and may you continue to steer this club to bigger and better things.

David Anger

Patrol Statistics

- 7 months of patrols.
- 72 Bronze Medallion holders undertaking patrols.
55 male + 17 female
- 86 proficient Bronze Medallion holders.
- 17 U/16 Cadet members undertaking patrols.
8 male + 9 female
- 28 U/16 Cadet members proficient.
- 10 Active Reserve members.
- 9 Patrols each with an average of 8 Bronze Medallion holders
+ a minimum of one IRB Driver and one ARC Holder.
- 48 members (42%) achieved 100% Patrol Attendance

RESCUES

- 5 without any gear
- 8 with rescue board
- 1 with miscellaneous gear
- 4 with rescue tube
- 6 with IRB

PREVENTIVE ACTIONS

- 526 persons warned or directed to safety

EMERGENCY CARE - FIRST AID TREATMENT

- 2 oxy viva assists
- 3 minor first aid
- 181 stings
- 0 major first aid

Club Captains Report

This season saw our numbers drop off a little with some of our older patrol members going into retirement. Because of this we had to reduce the number of patrols from 11 down to 9. The pleasing thing was once again we had a large number under 14's gain their Surf Rescue Certificate, and the enthusiasm shown by these young members ensures our club has many good patrol members for years to come. I would like to take this opportunity to thank all of our patrol members on the excellent job done patrolling our beach this season.

Congratulations to Murray Dowling for winning Patrol Member of the Year. Murray is one of our newer patrol members, but over the short time he has been doing patrols, has shown he is a very dedicated patrol person. Congratulations also to Patrol No 8 for winning the Patrol Competition. Well done to Steve McDonald and all of his patrol for doing such a great job. Thank you to Jeff Lucke our District Supervisor for running the Patrol Competition.

A big thanks to all of our members who did Water Safety each Sunday for our Nippers. Without your efforts the Nippers who are the future of our club would not be able to get into the water.

Congratulations to all of our competitors who travelled to carnivals this season. We gained many great results at local carnivals, Branch, State and Australian titles, each and everyone of you did your club proud.

Well done also to the organising committee for the Ocean Swim on another great event. Unfortunately the conditions were against us and the first day was postponed due to big a surf. But on the second attempt, just a week later a good number of competitors turned up and the swim was once again a great success. Thank you to all of our water safety, IRB drivers, IRB crew members and the rest of the workers for turning up not only for the Ocean Swim but at our two carnivals, the Senior Branch Championships and BJA carnival. Without the hard work of these people such events would not go ahead.

Well done to Steve McDonald and his team of Instructors on a great job in training our members in various awards, once more many awards were gained. Special thanks to Mark Stares and Mathew White for stepping in and taking on the job of IRB Captain and Vice Captain and doing a great job.

In closing I would like to thank Grant Dezius for his help throughout the season as Vice Club Captain and Lorna Dreghorn as Patrol Secretary for

organising the patrol paper work and being custodian of the patrol hats, and the committee of the club for their ongoing support.

Chief Instructors Report

TRAINING AND AWARDS

This season showed continued support from club members for maintaining the core patrol strength of the club by obtaining an average number of Bronze Medallion and Surf Rescue Certificates. While other essential awards such as IRB Drivers and Advanced Resuscitation Certificate have unfortunately fallen to zero. Hopefully this will be addressed in the off season.

The 2002-03 season sees the end of the 31st Edition Training Manual with introduction of a new award syllabus, 32nd Edition of Surf Life Saving Training Manual and integration with Vocational Education Training System (VETS).

BRONZE MEDALLION

A good mix of new, old, young and mature members gained their Bronze Medallions this season. We have had some young members return after a few years break and some that have joined the club through the Sea Eels Winter Swimming Club. The club gained a total of 13 Bronze Medallions this season.

The only change made to the Bronze Medallion for this season was the dropping of the IRB component due to the review of IRB driving and crewing practices during last season. The IRB Crewing component was picked up by the re-introduction of the IRB Crewperson Award.

Scott Boyle and Steven McDonald trained the 2 squads for the season. Scott Boyle claims that his squad was the longest running squad in the history of the club lasting for the whole season (a big claim but quite possibly true). The candidates put in 100% effort during all their training sessions and should be congratulated on gaining their Bronze Medallion.

SURF RESCUE CERTIFICATE

Another strong season for the club with Surf Rescue Certificates (SRC), 16 in total. All of the candidates have come through the junior club. SRC candidates who have graduated from the junior club make excellent candidates and future patrol members due to the training they receive with Surf Ed.

The members trained in the Run-Swim-Run, Resuscitation, Basic First Aid, Signals, Patrols, Surf Skills and Rescue Techniques.

Geoff Ryder and Peter McDonald once again put the candidates through their paces on a weekly basis, meeting some tight deadlines just for competition along the way. It is a pre-requisite that members must have their SRC to compete at the Inter-branch carnivals. The requirement compresses the amount of time available to properly train candidates and leaves them somewhat underdone when it comes to passing the exam. Thankfully our members are dedicated and along with very good instructors get everyone through. Thank you also to Shannon Cummings and Murray Dowling who helped out with the SRC training.

ADVANCED RESUSCITATION CERTIFICATE

No squads were trained this season.

There was one change to the ARC this season, in the addition of the Oropharyngeal (Guedel) Airway to the syllabus. Prior to this season life savers were not allowed to insert the Oropharyngeal (Guedel) Airway, and had to leave it to trained professional ie; Ambulance officers or doctors. With the appropriate training and use of a special dummy, life savers may now insert the Oropharyngeal (Guedel) Airway.

PROFICIENCY TESTS

As with past seasons, two proficiency days were organised for the Bronze Medallion and Surf Rescue Certificate, unfortunately some seriously big seas delayed the second of the days. The cancelling of proficiency tests has a big effect on the number of proficient members the club ends up with at the end of the season. As you will see below our numbers have fallen since last season. Advanced Resuscitation Certificate proficiencies were held over two weeks and were well attended. IRB Drivers maintained their good proficiency record for the club; it is essential that all drivers maintain their proficiency as we have only just enough to satisfactorily cover patrols.

PROFICIENCIES	2002-03	2001-02
Surf Rescue Certificate	28	11
Bronze Medallion	86	101
Advanced Resuscitation Certificate	22	31
Trained in Oropharyngeal Airway Use	22	NA
IRB Drivers	16	19
IRB Crewperson	38	NA

The Bronze Medallion Proficiency changed this year due to the review into IRB crewing practices. Surf Life Saving decided that all members needed an in-depth refresher on how to be an IRB Crewperson, so this became a separate proficiency day. All other aspects of the Bronze Medallion and Surf Rescue Certificate proficiency remained the same. Run-Swim-Run, Tube & Board Rescues, 1 and 2 Person Resuscitation, Signals and Surf Awareness were tested.

The ARC had an additional component this season with the inclusion of the Oropharyngeal Airway into the ARC award. Jeff Lucke and Evan Griffiths ran two training/proficiency sessions to educate ARC holders in the technique of correctly inserting the airway. The demonstration was enhanced thanks to the loan of a Oropharyngeal Airway dummy from Surf Life Saving Illawarra. All ARC holders who did not attend the proficiency will be required to update their skills next season.

IRB Drivers and Crewperson went through an in-depth review of driving and crewing practices for their proficiency this season. The aim of this review was to ensure that all members have a satisfactory understanding of what is required from them while driving or crewing the IRB. It was disappointing that more members didn't attend the IRB Crew proficiencies, as this limits the number of members the club has qualified to crew the IRB for next season.

On the whole a good season for the club in terms of the number of proficient members available to perform patrol duties. The club thanks the members who took the time to complete their proficiency. A great team of examiners lead by Jeff Lucke and Evan Griffiths, ably assisted by Peter Beehag, Mark Thompson, Peter O'Halloran, Peter Turner and myself.

CONCLUSION

Overall the club has had a good season for awards and proficiencies, as always the club can do better in terms of numbers of awards and proficiencies. It is essential that the club seeks out new members to join the club and that we get

them into training early in the season, basically we do not want members training all the way through a season. Anyone who wishes to be an instructor or just wants to help out on a Sunday morning would be most welcome. Maybe you have your ARC or are an IRB Driver then there is nothing to stop you from forming a squad and starting to train. There are many existing instructors who would love to give you a hand.

Thanks to the great crew of instructors that got us through the season Evan Griffiths, Jeff Lucke, Bobo White, Scott Boyle, Shannon Cummings, Peter McDonald, Murray Dowling, and Geoff Ryder. Your assistance is much appreciated.

Congratulations to all the members who gained an award during the season or made it through another proficiency test. Gaining an award or becoming proficient ensures that Helensburgh Stanwell Park SLSC is a strong patrolling club for this season, next season and into the future.

Thank you also to my wife Jodie, who was pregnant with our first child for the entire season and was very understanding, we now have a wonderful baby boy "Lachlan Peter" who we look forward to signing up in a few years time.

Steven McDonald

Secretarys Report

COMMITTEE MEETINGS

Management Committee meetings were scheduled and held monthly throughout the season, with the exception of the month of July. All meetings were conducted at the Helensburgh Workmen's Club and were regularly attended by the committee members.

Two Executive Committee meetings were conducted at the Surf Club and one at the beginning of the season between the Senior and Junior Executive at the HWC. Matters arising were reported to the following scheduled Management Committee meeting.

The Junior Activities Committee also met monthly at the Helensburgh Workmen's Club, with the Junior Activities delegates reporting regularly to the Management Committee.

The Stanwell Park Sea Eels Winter Swimming Club conducted unscheduled meetings, also at the Helensburgh Workmen's Club and matters discussed were reported to the Management Committee.

The Surf Club Re-union, Ocean Swim and the 95th Anniversary Year committees also conducted meetings and reported to the following scheduled Management Committee meeting.

ASSET REGISTER

The documentation of all Club equipment has been updated, see listing. New equipment acquired this season were two surfboats, IRB motor, electric crane hoist, new alarm system, IRB motor trolley, board rack, loud hailer, stretcher, and four heaters.

Equipment disposed of, were the "Dick Richards" surfboat, Juniors storage container, IRB hull and motor, and a bar refrigerator.

LIQUOR LICENCE

The Club continues to maintain a Function Licence for the sale of alcohol for consumption within the Club premises, the licence is held by Harley Dreghorn. The Club is currently applying for a new function licence as granted through State Parliament to surf clubs. The new licence has fewer restrictions and will permit the holding of functions for non-members of the club.

STATUTORY REQUIREMENTS

The Annual Statement as required under the Associations Incorporation Act, 1984 was submitted to the Department of Fair Trading for the 2001-2002 year.

An Australian Business Number (ABN) 92 267 821 862 is currently registered for the Club with the Registrar of the Australian Business Register and Commissioner of Taxation, Harley Dreghorn being the Public Officer.

The Club is endorsed for entitlement to income tax exemption as a charitable entity, under Subdivision 50-B of the Income Tax Assessment Act 1997 with the Australian Taxation Office.

AFFILIATION WITH SURF LIFE SAVING AUSTRALIA

As approved at the last Annual General Meeting, the Club applied for continuing affiliation with Surf Life Saving Australia.

MEMBERSHIP REGISTRATION

Our current membership forms are pre-printed containing information provided by members from the previous season. Upgrading of membership is minimal with only medical and minor changes to be noted. State initiated data system "Complete Patrol Logger" (CPL) now caters for membership registration, patrol hours and all Surf Life Saving Awards. Because of a number of short comings with this new system, especially with the recording of SLS Awards, the club's own computerised database containing extensive details on all current members is still being maintained and updated by the Club Registrar, Steven McDonald.

COMMUNICATING WITH MEMBERS

Seven editions of the Park Bench were produced with a circulation of 300 copies posted to members, families and supporters of our club. This along with notices included as inserts, remains our best form of communication with Club members. The Junior Activities Committee also produced nine newsletters, which were handed out at Sunday Pointscores. Our Publicity Officer Christine McDonald prepares the Park Bench from information provided by Club members and organises the monthly distribution. More input from members would be greatly appreciated as feedback from members is very positive, with members both new and old looking forward to receiving the newsletter.

In March, Shannon Cummings and Steven McDonald initiated our club website www.stanwellparksurfclub.com to provide further information for members. Although still in its early development stage, information is available for viewing for club programs, coming events, membership information and all

newsletters. First to make use of the website was the Ocean Swim committee who provided information and entry forms for the competitors. Publicity Officers, Julie Humphries for the JAC section made regular junior and senior news contributions and Steve Clark for the Sea Eels WSC also produced articles for the local newspapers. The efforts of all those involved in publicity for our club is immeasurable and enhances the club's standing within the community.

MEMBERSHIP DEVELOPMENT

- Simon Cook attended the Surf Life Saving NSW Talented Athlete Camp held at Narrabeen.
- Ten members from the Juniors attended a Nippers Surf Clinic conducted by Illawarra Branch at Bulli.

CLUB ACTIVITIES

The combination of the 95th Anniversary Year celebrations along with our regular activities ensured that there would not be too many spare weekends throughout the season. On top of this was the enormous effort of the boaties led by Don Burke, which saw the realisation of two new surfboats. These are a few of the organised club events; there are many other association events such as carnivals and meetings that our members participated in.

- Sea Eels WSC contest SCWSA Championships 21 July
- IRB named in honour of Jack McMillan following 2002 AGM 28 July
- Boaties Trivia/Sports Auction night held Engadine Bowling Club 17 August
- Sea Eels Championships and Presentation Day held Coalcliff pool and Stanwell Park Surf Club 8th September
- Junior Disco held HWC 14th September
- Sea Eels attended Australian Winter Swimming Championships at Maroubra, 15th September, finalists in Open Relay
- Car Rally 28th September organised by Luke Walsh and David Anger. A lot of work, unfortunately little support
- Family Bingo Nights 18th October and 13th December held at the Surf Club
- Christening of new surf boat the "Coal Cutter" 27th October
- Junior carnival conducted Stanwell Park 2nd November
- Record money collected on the Annual Collection Day 9th November
- Wreath laid Remembrance Day Service 11th November
- Members took part in the Helensburgh Lions Club Parade 26th November

- Sea Eels Xmas Celebrations 1st December
- Members address Stanwell Park School on surf safety 10th December
- Juniors Annual Breakfast on the Beach 15th December
- Juniors launch 2003 Surf Club calendar December
- Juniors provide surf boat & BBQ at SPAT Xmas Parade 22nd December
- 95th Anniversary Dinner held Novotel North Wollongong 8th February
- Christening of second new surf boat the "Dick Cavanagh" 15th February
- Conducted Senior Branch carnival 16th February
- Juniors and Seniors contest NSW State Championships at Swansea-Belmont Feb-Mar
- 59 members attend Australian Championships at Kurrawa 20th March
- Juniors AGM and Presentation Day held HWC 4th April
- Ocean Swim, Coalcliff to Stanwell Park conducted on 13th April
- Wreath laid Anzac Day, Surf Club conducted "Two-up" HWC 25th April.
- Sea Eels time trials and AGM held Surf Club 27th April
- Surf Club Re-union held HWC 4th May
- Patrol Dinner held Surf Club 31st May
- Senior Presentation Evening held HWC 27th June

CLUB CREDITS

- All Age Relay team Gold Medallists at Junior State Carnival
- Juniors bring home 18 medals from State Carnival
- Ben Dowling wins Illawarra Junior Life Saver of the Year
- Delwyn Buchan finalist Illawarra Junior Life Saver of the Year
- Five representatives in the Illawarra Branch Team
- 17 Finalists in various categories of the 2002/3 Illawarra Awards of Excellence Presentation (See listing under Special Award Winners)
- Evan Griffiths, John Clarke and George Sullivan receive awards for 50 Years Service to Surf Life Saving
- Rick Dzopalic + Dave O'Grady receive 25 Year Patrol Service Awards
- Debbie Overell wins Illawarra Age Manager of the Year
- Helensburgh Stanwell Park SLSC wins Illawarra Club of the Year
- Bobo White honoured with Life Membership SLS Illawarra Branch

OFFICIAL REPRESENTATION AT BRANCH, STATE + AUSTRALIAN LEVEL

Bobo White held the position of Branch Secretary on the Board of Life Saving Control. Gear Inspection Committee members were Evan Griffiths, Bobo White and Jeff Lucke. BHP Patrol Proficiency Panel were Evan Griffiths and Jeff Lucke. District Supervisor was Jeff Lucke. Evan Griffiths was a member of the Life Membership, Rules and By-Laws Committees and the History Panel.

Evan Griffiths, Don Harris (Section Referee), Bobo White, Jeff Lucke and Mark Thompson represented our Club, officiating at Branch and State level, also Ron McCormack at Branch. Don Harris (Disputes Committee) Bobo White (Section Referee) and Jeff Lucke officiated at Australian level.

CLUB HOUSE FUNCTIONS

The increased use of the clubhouse for functions has greatly assisted the club's finances. The work involved falls mainly on a few members who volunteer their time and services. This involves the cleaning, being available to assist at functions, organising of liquor licences and restocking of consumables. Special thankyou to Bill Haran our Bar Manager, who provides a smooth running well stocked bar.

Half of the profit raised from refreshment sales during the year (\$3,000) has been allocated to the special Building Account fund. The fund now stands at Twenty Eight Thousand Three Hundred Dollars (\$28,300).

CLUB HOUSE

The Junior's storage room has finally been completed. The temporary container that stored the Junior's equipment for far too long has been removed. Thank you to those who in some way assisted with this project.

Despite ongoing meetings, letters and phone calls with Wollongong City Council, a number of issues have still not been resolved. The windows on the southern side of the Club house still leak and are a safety issue because of the low level sills, entrance stairs are a slip hazard, carpark entrance gate needs replacing and the grassed area at the front of the surf club requires attention along with the paths leading to the beach.

Proposals for the addition of storage two bays, submitted with the WCC and the Illawarra Branch Building Committee has no further advanced, despite a number of on-site meetings with WCC. Not enhancing our cause is the lack of an organised approach to this project. The call for a committee to be formed went unheeded.

OH&S COMMITTEE

The problems as discussed above, have brought about the need to create an Occupational Health and Safety Committee. Fortunately some members were already considering these concerns and Geoff Coleman, Harley Dreghorn and Mat White formed the OH&S Committee. These names have been submitted to SLS NSW who are in the process of drafting policies for OH&S. Terms of reference for the committee are to involve relevant Club officers in inspection and discussions, identify safety issues, report findings and recommendations to the Management Committee. All safety issues identified and concerning the surf club building and surroundings have been referred to the Wollongong City Council for attention.

ROOKIE PROGRAM

The Branch Rookie Program lost its major sponsor this season, but thanks to the SLS Illawarra Branch, our Club benefited from the supply of patrol uniforms, rash vests and hats to our 16 new patrolling members, who gained their Surf Rescue Certificate.

Our club is very fortunate to have so many members of this age group, it is my belief that over recent years we have come complacent and taken them for granted. That is, we just expected them to be there for patrols, fund raising and other club activities. It will take some member with initiative, time and above all, interest to support and encourage this group.

CONCLUSION

Another busy season that leaves the Club once again in a very well respected manner by both Surf Life Saving and the community. Many members have taken it on themselves to ensure the Club's continued success, in Patrols, training and competition, fund raising, Junior Activities and general cleaning and maintenance of the clubhouse and equipment.

Special thankyou to three members, Mark Stares and Geoff Coleman who took on their new positions as IRB Captain and Chief First Aid Officer respectively with enthusiasm and professionalism. Debra McCormack for her support, 100% attendance at meetings, assistance with the Park Bench and organising another very successful Presentation Evening.

To all the Club members who have contributed during the 2002–2003 season, in this our 95th Year thankyou, your help has not gone unnoticed.

Peter McDonald

Christening of the "DICK CAVANAGH"

Christening of the "COAL CUTTER"

Surf Boat Captains Report

This season saw our club purchase it's first new surf boat in over 20 years. We didn't just get one new boat but two. Our first boat christened the "Coal Cutter" was brought through funds raised by corporate sponsorship. A big thank you must go out to Matt White for his many hours of hard work in designing and printing our sponsorship folder. Also thank you to Steve Relf of the Metropolitan Colliery who used his many contacts within the coal industry to obtain sponsorship for the boat.

Our second boat christened the "Dick Cavanagh" was purchased after a very successful Sports Trivia and Auction Night held at the Engadine Bowling Club. The success of the night was due largely to the tremendous effort and many months of preparation by Geoff Wood, Paul Robberds, Terry Daintry, Rod Fairbairn, Mark Wallace, Luke Walsh, Dave Anger and our trivia experts Deb and Ron McCormack. We then sold advertising space on the surf boat to obtain extra funds to maintain and repair broken equipment.

In the boat area our U/19 Blue Crew led by Mark "Gator" Wallace and consisting of Chris Ryder, Michael Breeze, Eddie White and Nathan Thompson competed extremely well. Finishing 2nd at the Branch Titles, 3rd in the South Coast Boat Series and saved their best rowing for the Aussie Titles. At the titles they created Club history by being our first crew to reach the 2nd Quarterfinal at any Australian Titles. A mighty effort by a crew that due to illness couldn't train together in the boat till after Christmas. With next season being there final season in the U/19's we look forward to some great results.

Our other Crew in the U/19's consisting of Luke McCarthy, Ben Wood, Max Nichols, Mike Fairbairn and myself as sweep. We learnt the hard way what happens when one of your crew members doesn't commit himself and leaves in the middle of the season. But the boys regrouped and recruited Max, who adapted quickly to the 2nd bow position and produced some great rows. Their best being the State Titles at Swansea, where the boys were heading for the Quarterfinals and then "Huey" sent down a big one while we were in the drop zone and the rest is history. One good thing came out of all the dramas was now the boys all know that without commitment and a lot of hard training they will not experience success in the boat.

Finally the Boaties would like to thank Mick Crutcher from North Cronulla, who passed on his experience and professionalism at training to help bring out the

best in the boys. Also to everyone who brought Raffle Tickets, attended the Trivia Night and who carried our boats at the carnivals, Thank You....

Don Burke

Donations Made to the Boaties

The Boaties would like to thank the following businesses, tradesman and locals for their financial assistance throughout the season.

Thank You...

There are many people, some are Club members and some are residents and organisations in the community who have helped the Surf Club in many ways.

Some have made cash donations, some donate equipment, some buy raffle tickets and some assist at Surf Club functions.

Without your support we would not be able to fulfil our community service obligations each year.

IRB Captains Report

This year our IRB season took on a new challenge with our previous Captain and Vice Captain standing aside. It was always going to be a hard job to fill, as our predecessors had done such a good job in the past. What did make it easier, there were no other applications.

With a bit of a chat to our Club Secretary, Peter McDonald, and our Club Captain, Mark Thompson, it was decided I would give it a go with the assistance of Matty White as my Vice. Our first job, with the help of Peter Mac, was to tear out the old IRB room and perform a make over. Sooner than later we had a place for everything and everything in its place. Our 3 motors were sent out at random with Revolution Marine taking on our service requirements.

We were given our first test when the club hosted a Junior Carnival. We had very favourable seas and all looked good. Early into the carnival Murray Dowling decided to test my skills and broke 2 fuel lines in 2 consecutive runs. To his credit he returned both vessels unscathed. With Dave Anger barking mad, we were able to rescue some fittings from our newly equipped IRB room and we were back in the water.

Not long after, our club hosted the Senior Branch Carnival. This day proved to be a test for our drivers and crew. The seas were not in our favour, Stanwell Park Beach decided to turn it on... The waves were punishing and the laying of cans proved to be a challenge in itself. After losing an anchor, Shannon Cummings decided it was better to connect the rope to the anchor before we threw it overboard!! I also asked Shannon, could he stay in the boat after we exited the wave, as it was easier to drive. To all our drivers and crew who managed to get through the day, we THANK YOU.

Stanwell Park, for the second time hosted the Coalcliff to Stanwell Park Ocean Swim. Unable to attend myself I left it to my trusty Vice Captain Matty White, who set about getting our drivers and crew through another challenging day. Well Done.

This season has seen us bring some new sponsors on board. Lewis Fabrications manufactured a brand new motor trolley, which has proved to be very valuable for transporting motors for services. Fisher Controls also contributed some much needed funds which enabled us to cover insurance costs, fully maintain our motors, fuel supplies and much needed spares. Yamaha Australia gave us the opportunity to purchase one of their outboard motor at a very competitive price. With a lot of letter writing and consistent

telephone calls from none other than Peter Mac, NRMA and the continued support we get from SLSA also contributed funds.

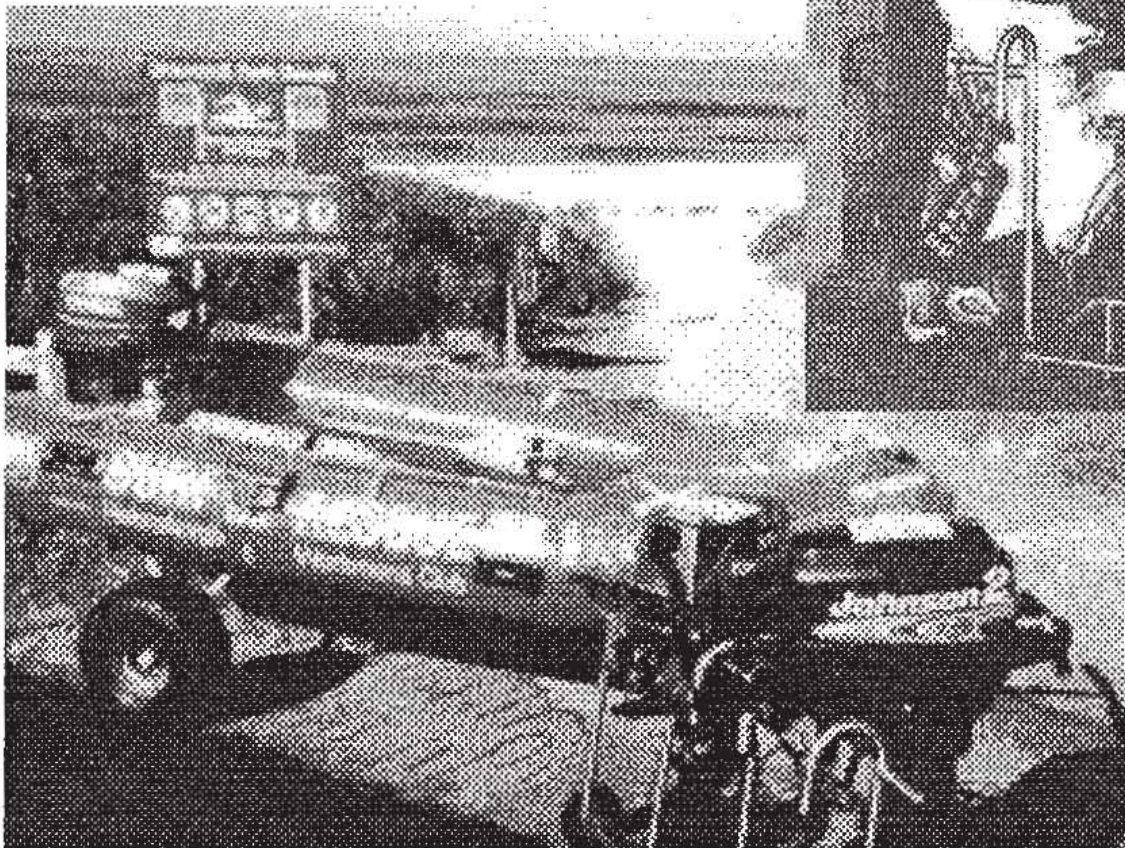

We are now in the process of installing an electric winch, thanks to DEMAG whom came to our rescue. This will enable us to support our spare IRB.

On behalf of Matty White and myself we would like to thank our sponsors for their support over the last season, as well as the drivers and crew, patrols and all our club committee and members. Our IRB's are definitely our biggest asset and also our biggest liability, but thanks to everyone for the extra efforts and support, it's been another successful season.

95th Anniversary Dinner

Deb McCormack, Cathy and Dave Astill, Dave Anger, Peter McDonald, Harley Dreghorn, Graham Cook and myself, formed a small committee to organise the 95th Anniversary Dinner. After several years at the Sutherland Entertainment Centre we thought it was time for a venue change. We checked out several venues from Kogarah to Wollongong and came to the decision that it would be a nice change and head south to the Gong and the prestigious Grand Ballroom at Novotel North Beach, held on the 8th February.

Dave Anger had the pleasure of organising the entertainment. Always a difficult task considering the varied age group of such an evening, but after much searching he came up with David Cazalet and Band, with their famous "Elvis Show". It was well worth the money, as he entertained and wooed the audience and the fellas appreciated his "Vegas" style back up singers.

Ticket sales were slow as the cost of a ticket was up on previous years, but as the date grew closer more and more people purchased a ticket. We ended up with 191 guests attending. We had some old members' head down from Byron Bay to attend the evening. Thank you to all the members, friends and guests who helped us celebrate 95 Years of Service to Surf Life Saving and the community.

Guest speakers introduced by MC on the night, Greg Hand were Alex Darling Lord Mayor Wollongong, Peter Pearce SLS NSW President, Gerald Davies Illawarra Branch President and representing our Patron HWC Bob Goodwin. Peter Pearce made a presentation to the club from State Centre and on behalf of SLSA.

Quite a number of the guests stayed at the Novotel, and enjoyed a few warm up drinks before the evening started down in the lobby bar. If you caught the bus to and from the evening you would have been entertained by the antics of Shannon Cummings and Kieran Beaumont. Thanks fellas....

The Novotel North Beach provided an ideal venue, the service, food, drinks, decorations and entertainment were all first class. Thank you to the "95th Anniversary" committee, and a big thank you to everyone that came and enjoyed the evening as much as I did. Hope to see you all at the Centenary Dinner for an even bigger and better evening.

Christine McDonald

Surf Club Reunion Report

The Club Reunion was held on Sunday, 4th May at the Helensburgh Workmen's Club. There was a roll up of approximately 80 past and present members with their partners.

We had several speakers talking about past club experiences, and these talks go well with all ages, the elders to reminisce and the younger to compare. The talks were given by; Andrew Astill, who spoke about being a young member of the Surf Club, Don Harris made a toast to the club, David Astill spoke of the Junior Club, John Meehan gave an observer's view of the club, Terry Daintry spoke of the times when he was club president and David Anger gave an overview of the 2002/2003 season. All these short talks were interesting and informative.

The main reason for the Reunion, is for the older ones to get together and convince the younger ones that in their day the surf was bigger, rougher and wilder, surf swims longer, sand harder to run on, flag sticks shorter, etc...

As for the Old Boys, if all those still alive attended we would be lucky to fill one small table. So for the Reunion to continue as good as it is we need more young members to make an effort get with your friends and attend. You will be most welcome, and you will help me support my belief that this is "The Club", and with your help we can only make it become stronger.

As this year was our 95th Anniversary Year of the Surf Club, there is only 5 years and it will be time to celebrate our 100th Anniversary. So let current and past members know that the reunion is an important part of the Club for information needed for this coming anniversary.

Jack McMillan

Radio Captains Report

It has been a good year, with the only problems being with the waterproof covers for portable radio. It has been a combination of rough handling and design weakness, happily the problem has been solved.

I'm also happy to say that no radios were lost or damaged on patrol.

I would like to thank club members for their assistance at the two Carnivals (especially with the P.A. system) and the Ocean Swim.

Special thanks to Dow Com Communications Wollongong, who supplied and provide technical support over the season.

Peter O'Halloran

Chief First Aid Officers Report

In my first season as Chief First Aid Officer I would firstly like to thank Peter O'Halloran for his previous care of the Jack "Daki" Mawson Memorial First Aid Room and also his assistance this season.

Thanks to donations from Club members, we now have increased storage space for our equipment. Purchases include; 3 Safety Vests to clearly identify members engaged in providing First Aid on the beach. Next season should see the purchase of a Stokes Litter / Rescue Basket. A device which will allow easier carrying of patients across the sand. Thanks also to those who attended the Surf Club Reunion, for their generous donations that will go towards replacing items used.

Statistics for this season; 3 Major First Aid (transported by Ambulance), 18 Minor First Aid, 16 Stings and zero Resuscitation.

Geoff Coleman

Team Captains Report

The 2002/03 season was a good season for our club with our competitors performing well and gaining some very good results at carnivals. This year saw the start of the Sydney Water Premiership Carnivals which gave our beachies a bit higher standard of competition with our All Age Relay Team, which is a combination of junior and senior competitors going through all four carnivals undefeated. The beachies did well in their individual events gaining places at every carnival in Sprint and Flags.

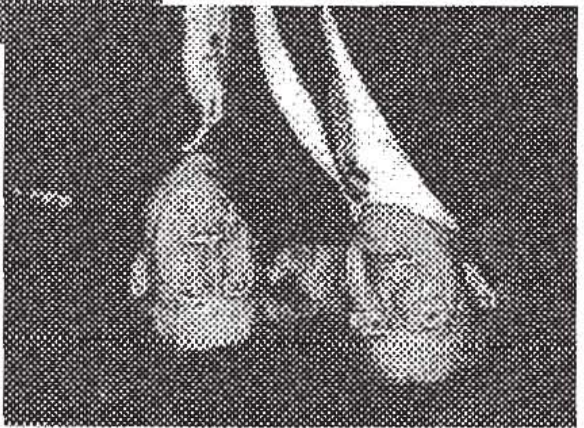

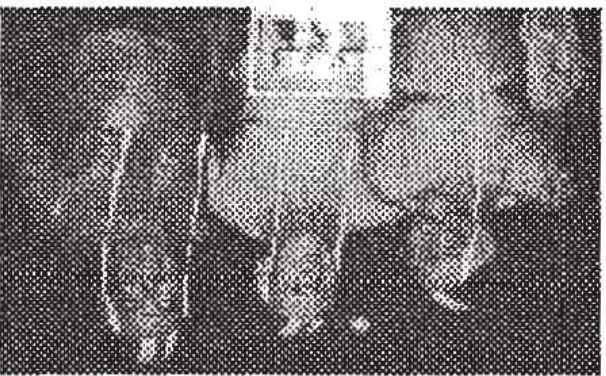

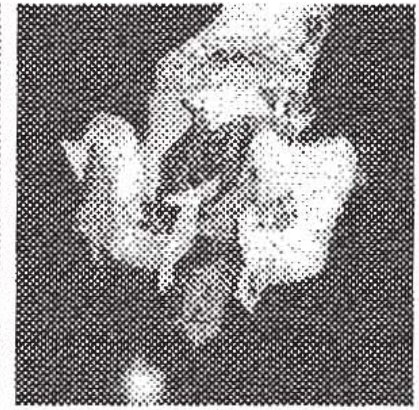

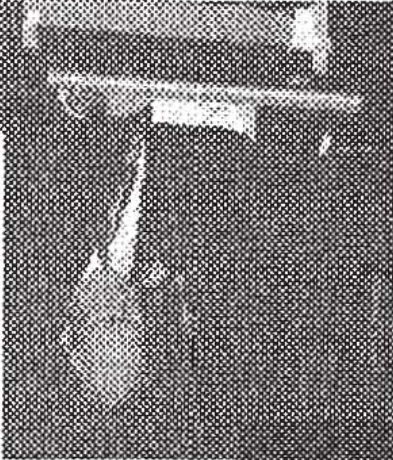

Our boaties also had a very good season showing the back end of their new boats to a lot of other crews. The two crews had to learn how to row and mould themselves into their new racing machines which are much lighter and faster than the old boats and to do this as quick as they did was a great effort. The boys rowed in the South Coast Boat Series again this season with good results, Gator's crew came in third and Don's crew came fourth.

To see these people train hard and put in the amount of hard work that they do, I am sure these good results will turn into even better results next season.

Graham Cook

Stanwell Park Ocean Challenge Report

Our first date of the 6th April was cancelled after big seas and rough conditions and then after a week of anxious waiting following the postponement, competitors finally hit the water for the second Stanwell Park Ocean Challenge on Sunday 13th April. Registrations were up this year with 190 in total. The race was run in testing conditions with a strong 1.5metre swell and chop from the north-east in the face of the swimmers the whole way. The course was made slightly longer than last year due to the need to place swim cans further out to sea away from the rocks (approx 3km's in distance.)

The overall winner was Brett Evans from Warrimoo with a time of 34.50 minutes. We had approximately 12 Stanwell Park Surf Club swimmers, first member home was David Whiteside of Helensburgh finishing 10th overall with a time of 39.42 minutes. Winning the open female category was Sue Bell local mother of three of our nippers from Stanwell Tops with a time of 43.26 members. Special mention must be made to visually impaired local junior Nathan Johnston (Age 17) who completed the course and beat back even some of our most hardened ocean swimmers.

A big thank you to all club members who helped out on the day (both Stanwell Park and Coalcliff) from water safety, officials, registrations, first aid, canteen helpers and runners, the day could not be run without your help. A huge thanks also to the Ocean Swim Committee of Wayne Johnston, Matt White, Murray Dowling, Andrew Perrin and Kevin Keane, without their organisation we would not have a great swim.

Thanks also to our generous sponsors Coastline Real Estate, Tyr and RedBull.

Emma Perrin

Senior Pointscore Competitors

Beach Competitors Report

Our team of Michael, Paul and Anthony Astill, Simon Cook, Laura Humphries, Allira Mercer, and Daniel Robberds had a good season with good results at local carnivals. Congratulations to Laura, Michael and Simon for being selected in the Illawarra Branch Team that competed at Stockton Beach.

At the Branch Championships the seniors came away with 13 individual and 6 Relay medals. The State Championships at Swansea Belmont, Laura made the final of U19 and Open Womens Flags, Allira semifinalist in U16 Womens Sprint and Flags and Anthony a semisfinalist in the U16 Mens Flags.

At the Australian Championships at Kurrawa this year we saw Laura make the semi finals of the U19 Womens Flags and Sprint, Allira and Daniel making the semis of the U16 Womens and Mens Sprint respectively and Simon just missed out on a birth in the U19 Mens Flags final by one place in the semi finals. These competitors were so close and just a little unlucky not to make it into the finals. A great effort and well done.

Graham Cook

Pointscore & Club Championships Report

Thank you to the people who have helped me over the past season, especially the Patrol Captains, IRB Crews and drivers. It takes a lot of people to run Pointscore every Sunday, as well as the Club Championships.

Most of all I would like to thank the members who competed on Sunday mornings. This is the heart and soul of the Club and a good indication of how the club is going and deserves to be given as much support as possible.

This year the Club Championships were held on 16th March 2003. There was a total of 20 competitors on the day. These members should be encouraged for their commitment to the Club. I hope to see them all back next season, with the continued support from all areas.

Thank you to all the competitors who showed up every Sunday for Pointscore. A special thank you to Deb McCormack for organising the caps and trophies and to the McCormack family for donating a new perpetual trophy for the Cadet Girls Iron Person.

See you next season and hopefully some new faces.

Rick Dzopalic

Chairpersons Report

The 2002-2003 season has been one of the best ever for the Junior Section. Overall numbers had grown from last year, bringing in many new families. The Committee also continued working as hard as ever with fundraising, organising and also looking after all our wonderful and talented children.

On the competition side, our club has excelled with many results and personal bests at Branch and State Carnivals. All the children performed to their very highest potential and we are all so very proud of them. From the outstanding performances our club scooped up 18 medals at the State Titles. One memory that will remain with me is the spectacular show our All Age Relay Team put on to become State Champions and take out the Gold Medal. This, along with many other spectacular medal winning performances at State, shows just how much heart Helensburgh Stanwell Park has.

Congratulations also to our two young Illawarra Junior Surf Life Saver of the Year nominees, Ben Dowling and Delwin Buchan. Ben went on to be named Junior Male Life Saver of the Year. Both children did a fine job representing the club.

Finally, thank you to all the many generous people who assisted throughout the year. It is also encouraging to see many new parents have put their name down to help out next season. It has been a very successful and exciting season this year for "The Seagulls" and we look forward to a busy, fun filled 2003-2004 season.

Age Group Managers Reports

UNDER 8'S

The Under 8's have had a great season. They have had lots of fun, refined their skills on the beach and enjoyed Sunday pointscores.

We had a very impressive start in the first year of competing at carnivals. Four girls and four boys competed at most carnivals and at the State Championships, five of them came home with a medal.

Shane Murray won Gold in the All Age Relay, the girl's sprint relay team consisting of Alana Humphries, Elizabeth Hill, Erin Blackwell and Hayley Coleman won bronze, Luke Van Zyl made it through to the final of the beach flags and Shane Murray came fourth in the sprint final.

Our other two state competitors of Brent Murray and Lachlan O'Grady also put in strong performances in the sprint, flags and wade. Next year we will also compete in the water events so watch out; we are sure to be just as impressive as on the beach.

See you all next season.

Julie Humphries

UNDER 9'S

This season came and went all too quickly. There were a number of new faces this season, and they all paid excellent attention during the surf awareness training. This season showed a group of young individuals developing into effective competitors, which bodes well for the future.

Throughout the season, most boys and girls got out of each session what they put in. They all did well on the beach. While some had difficulty with the water most did attempt some swims: it certainly isn't easy when you look at the surf from an eight or nine year olds perspective, and when your weight is so light. Many thanks to the water safety crews for their efforts and expertise.

This season we had four of the under 9's who competed at carnivals, both Branch and State levels. They all had heaps of fun and enjoyed competing against other children. Hopefully next season, more of the under 9's will want to do carnivals.

I would like to thank the parents who brought their children to the Sunday morning pointscores, which are a great bonding for the kids, and the canteen's delights are always an incentive to turn up.

We want to thank Cameron Baillie, Alannah Carpenter, Lauren Cook, Liam Filchert, Laura Kelly, Sean Kelly, Rebecca Kennedy, Emily MacGuinness and Mitchell Parry for their co-operation and we hope to see them all next year.

Phil Kelly + Geoff Kennedy

UNDER 10'S

Another fine year for the under 10's, well done! The boys would all compete in the beach events but only few would give the water ago. The girls though would give both the beach and the water ago, well done.

We had a very good year in the carnival competition this year also with some fine placing's in both the beach and water events. Everyone put a good effort in at training, in both areas of competition. It would be great to have a few more giving the carnivals ago, it's good fun and you never know what you might achieve.

A great group of kids, hope to see you next season.

Peter Burke + Lisa O'Grady

UNDER 11'S

The season started with 7 boys and 5 girls and we finished with 5 girls and 3 boys. At the beginning of the season all the girls were afraid of going in the water, with a lot of coaxing all the girls participated in all the water events except the Iron Person. Everyone tried their hardest every Sunday and were always well behaved. Nicole, Adam, Luke and Joshua all competed at carnivals and the State Championships. We always started early and were finished early. I really enjoyed the season with the under 11's and will be doing it again. Thanks so much to Matthew Crilley and Aaron Wallace for helping me through the season.

Kris Crilley

Age Group Managers Reports Cont...

UNDER 12'S

This was our second season with this age group of very enthusiastic and competitive children (also extremely photogenic – see "July" in the surf club calendar except for the man in the back row). This fairly large age group of 10 girls and 6 boys with the majority coming every Sunday. The competition both on the beach and in the water was tough, yet no matter where they were placed in the race, they showed great sportsmanship and had fun. Next season it would be good to see the few children who did not compete in the water to have a go and those who did to keep on trying.

All carnivals were well represented by the Under 12's with a particularly strong beach relay side that had a wide selection of runners. It was also great to see at least 5 competitors (Scott and the girls) going in water events.

At State level we had 8 children competing with some outstanding results – our age group alone coming home with 6 medals. Well done!!

I am very proud of all the children who made a fantastic effort all season and hope to see you all when surf club begins again. Thanks

Dorinda Mercer

UNDER 13'S

Another successful season over again and although we had a small group of competitors we obtained some great results at local and state carnivals.

Our relay team of Chris Astill, Kaitlin Stares, Alex Delehunt and Laura Maguire obtained 2nd place at local and McDonald carnivals.

Chris Astill achieved some great results at local and State carnivals. Well done Chris.

Congratulations to Elisabeth Wallace and Chris Astill our new Captains for next season. See you then...

Margaret Delehunt + Gabriella Maguire

UNDER 14'S

Our last year in the juniors and what a busy one it was. Training for our surf rescue certificate took up a lot of time, but the results were worth it. All the "senior nippers" passed the knowledge and skills learnt were very beneficial and interesting. Our thanks to all that helped this group especially, Peter, Murray, Shannon, Jeff, and Evan.

It was an absolute pleasure being Age Managers to this group, never a dull moment. We would like to thank all the parents of this group who always gave their time and offered to help. Your contributions and friendships made each Sunday that bit more enjoyable. We hope to see all the under 14's next season as cadets in the seniors. The more of us the more fun we will have, so keep Surf Club a part of your Sundays!

Thankyou

Debbie + Allan Overell

Sea Eels Secretaries Report

Winter swimming aims to promote the camaraderie of Surf Life Saving and the maintenance of swimming fitness throughout the winter months. There is also a certain bravado and daring-do with which we enjoy mystifying our non-winter swimming acquaintances. This is good for both our own self-esteem and justification, and for rattling those lesser mortals who can't get out of their nice warm beds on a Sunday morning.

We are in a strong financial position, have met or exceeded our stated goals and have provided many new and existing swimmers with achievable challenges. All of these activities are good for our youngsters and those of CRAM House, the adults who swim, and our communities.

81 members commenced the 2002 season, our fourteenth with two Associates and 79 active swimmers, some more actively swimming than others. On the 20 Sunday morning swims, we averaged 40 swimmers. Overall, eight swimmers gained 100% attendance and we continued our increase over previous years on our Bring-A-Friend Day. Nice to know there are only five friends gullible enough to turn up.

We have fielded a team at every Titles contested over the 14 seasons since the club's inception. Last season, the Sea Eels finished second overall and first on handicap in the Championships of the South Coast Winter Swimming Association. For such a small and relatively young club, we also acquitted ourselves satisfactorily in the National Titles of the Winter Swimming Association of Australia, making it into several finals.

COMMITTEE ACTIVITIES

Executive Committee: The well-earned but premature retirement at the last AGM of the perennial Secretary, Peter McDonald, gave myself, Phil Kelly a totally unexpected and unlooked-for entry into the secret machinations of this Club. I could tell you what I learnt in my first twelve months, but I'd either have to shoot you afterwards or this Report would self-destruct within 30 seconds. Our Public Indemnity does not cover either of these outcomes and I'm therefore sworn to secrecy.

What I can tell you is that your Executive Committee of the President, John Murphy and Captain, Paul Robberds, spent many fruitful hours furthering your interests, having weekly meetings at the Workmen's' Club. They were diligent in pursuit of their sworn duties. Many a time I thought that it might be a useful idea to join them and actually write down the fruits of their deliberations; on

one occasion I did just that. The beer coaster fitted neatly into my back pocket, but I couldn't read my own notes in the cold sober light of day.

One of our outstanding orders of business was to address the concerns of those swimmers whose 100% Attendance had not been recognised for several years. A decision was taken to issue badges rather than the original sweatshirts. This fitted in with upgrading the clothing range for the Club which was a mammoth task and one eagerly embraced by almost all members of the Club.

General Committee: The General Committee conducted themselves most professionally. Treasurer Peter Turner had to act remotely from Melbourne, but was ably assisted on the ground by Hilton Barnett. Margaret and Peter Hunt continued with the weekly "Lotto" and raffles, again forming the backbone of our fund-raising efforts. Ian Van Zyl and celebrity Fines Captains had an exceptional season, with members willing to pay, just to get the saga over and done with. Thanks also to Ryan Van Zyl for excellent fine collecting.

Swimming Committee: The Swimming Committee made sure that our average of 40 swimmers for 20 point score swims, a visit to the Bulli Sea Lions and the contesting of the Club, South Coast and Australian Championships all ran very smoothly. Thank you enormously to our handicappers Steven McDonald, Rob Pugh and Peter O'Halloran, Chief Time Keeper Hilton Barnett and his helpers and our Chief Judge Paul Robberds, and judges Murray Dowling, and Glenn Trewin.

The less visible and glamorous task of SCWSA delegates were again fulfilled by Rob Pugh, and the now "Free of Crappy Jobs" Peter Mac. Our Club's thanks are extended to you two.

Being Bar Manager to a bunch of Winter Swimmers is second only to managing a Bar for a Clubhouse of Boaties: a medal and our thanks go to Bill Haran.

Steve Clark and Michelle Heiler continued the interest and improvement in our publicity. Special thanks also go to Peter Mac for compiling the Park Bench which never fails to mention our Club, and also to Julie Humphries for getting the Information in the off-season.

Patrons + Sponsors: Thank you once again to our Patrons and Sponsors Rick Fleming Cakes Thirroul, Ron and Pete's Family Meats Helensburgh and Midge Palmer President of Helensburgh Workmen's Club and members. A donation was also received from Alan Fisher Leisure Coast Trophies.

ACTIVITIES FOR 2002

Phil Anger Golf Day: This prestigious annual contest boasting 44 players from the Surf Club and HWC was again won by the HWC Golf Club, damn it !! The Phil Anger Memorial Trophy was miraculously found after two years in a broom closet somewhere on Walker Street.. The real winners were CRAM House for whom \$270 was raised.

Bulli Sea Lions Visit: The Bulli Sea Lions were visited to contest the "Jimmy Jons" trophy and once again the Sea Eels didn't have to hand over the trophy. We had serious winter water temp of 11°C, but they wined and dined us until the water temperature was no longer an issue.

SCWSA Championships. The Sea Eels had a string of successes, possibly our best SCWSA Championships hosted by Coledale Oysters at the Thirroul Pool, finishing first overall and Winners of the Day on Handicap. 28 swimmers represented our club and the Championship Dinner at the Coledale R.S.L.

Charitable Activities: Donations were made to CRAM House, Cancer Council, Helensburgh Stanwell Park and Coalcliff SLSCs.

WSAA Championships: The Championships of the Winter Swimming Association of Australia were held at the Des Renford Aquatic Centre Maroubra on Sunday 15 September 2002. The weather was kind, the Marshals were tough, and we came away with not much more than pleasant memories and pleasantly full bellies from an outstandingly catered afternoon. Club members who did not attend will be reassured that we did not waste time with frivolous primping at the Aquatic Centre, but assembled the entire ~~drinking~~ swimming team at the Clubhouse well ahead of all other participants. And nobody left anything on the bus this year!!

Christmas drinks: Peter and Sandy McDonald again kindly hosted Christmas Drinks on Sunday 01 December 2002. As usual, the well-behaved children kept their parents under control. The kids had the run of the pool while the grown-ups cooled off with a few quiet drinks on the pleasant sunny afternoon. Peter and Sandy would like to thank the army of volunteers who returned on the Monday to cart all the empties off to the tip, perhaps next year.
