

# Helensburgh Stanwell Park Surf Life Saving Club

## 98<sup>th</sup> Annual Report & Financial Statements

2004/05

Presentation by Don Harris to Con Asmussen (inducted into Surf Life Saving Hall of Fame) and Evan Griffiths (awarded Order of Australia Medal for services to surf life saving) at the 2004 AGM

One of two rescue boards donated by Landcom

Gold to our U/15 Girls Relay Team at the 2005 State Championships

Bronze to the U/19 Mens Relay Team at the 2005 State Championships

Above: George "Skinner" Wood christens our new IRB watched by representatives of the donor Akerman Apache

Left: Larissa Evans, first lady home in the 2005 Ocean Swim receives her trophy from Don Harris

Below: Chris Astill – State Beach Sprint and Flags Champion 2005

Above: Don Harris presents an appreciation plaque to Stuart Harman, Terahart Pty Ltd in recognition of his donation towards the quad bike

# **Annual Report & Financial Statements 2004/05**

Members,

I submit herewith on behalf of the Executive Committee, the 98th Annual Report for your consideration and adoption.

The report includes financial statements for year ended 31 May 2005.

In presenting this report I would like to acknowledge and thank Club Officers who have provided input to this Report

**Harley Dreghorn**

**Secretary**

**9 July 2005**

## **CLUB OBJECTIVES**

- The study and practice of the methods of surf life saving as taught by Surf Life Saving, Australia
- To minimise the loss of life from drowning by providing efficient life saving apparatus
- To promote demonstrations and arrange classes of instruction and to further the best interests of surf bathing and surf life saving
- To appoint patrols to render all possible aid to those in distress
- To organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives
- To exercise the power to acquire, lease or hire or in any way deal with any real or personal estate
- To act as governing body of the Junior Activities Committee and to provide assistance to that section in the field of competition and training
- To carry on any other activity whatsoever calculated directly or indirectly to enhance further the interests of the Club.

# OFFICE BEARERS & COMMITTEES

---

## Patron

President, Helensburgh Workmens Club Ltd

## Executive Committee

President	Don Harris
Deputy President	Graham Cook
Club Captain	Grant Dezius
Vice Club Captain	Shannon Cummings
Secretary	Harley Dreghorn (from 06.09.04)
Treasurer	Harley Dreghorn
Chief Instructor	Steven McDonald
Chairperson, Junior Activities	David Astill

## Management Committee

Assistant Secretary	Not filled
Assistant Treasurer	Hilton Barnett
IRB Captain	Mark Stares
Vice IRB Captain	Nathan Thompson
Boat Captain	Don Burke
Chief First Aid Officer	Geoff Coleman
Publicity Officer	Geoff Coleman
Delegate from Junior Activities	Cathy Astill

## Officers

Patrol Secretary	Lorna Dreghorn
Radio Officer	Peter O'Halloran
Board & Ski Maintenance Officer	Matthew McDonald
Assistant Chief Instructor	Peter McDonald
OH&S Officer	Geoff Coleman
Team Manager	Cathy Astill
Club Historian	Evan Griffiths
Competition Organiser	Sandra Dent
Registrar	Steven McDonald
Clubhouse Maintenance Officer	Tim Duff
Hon. Auditor	Evan Griffiths

Treasurer	Peter Turner
Registrar	Steven McDonald
Publicity Officer	Steve Clarke
Delegates to South Coast WSA	Peter McDonald & Robert Pugh
Handicapper	Steven McDonald & Robert Pugh
Chief Timekeeper	Ralph Hall
Chief Judge	Murray Dowling
Social Secretary	Margaret Hunt & Peter Hunt

## **President's Report**

---

As our Club's 98<sup>th</sup> Season draws to a close, I am pleased to report that we continue to grow and prosper as one of the most progressive and successful surf life saving clubs.

Our amazing growth over the past decade is due to the dedication of vigilant patrolling of Stanwell Park beach and common sense management practices.

Once again this season "No Lives Lost" whilst Club patrols were on duty.

Congratulations to our Club Captain Grant Dezius and Vice Captain Shannon Cummings for their countless hours of dedication in ensuring our patrols are second to none.

Many thanks to all our lifesavers for an outstanding season.

This past season has also been a continuous success for our young competitors, a fantastic group of young lifesavers who competed at every level with some amazing results.

I congratulate you all.

To all the supporters, parents, relatives and fellow members who travelled to the State and Australian championships, I applaud you all.

Club functions at these championships were testament to the fabulous support shown to our competitors. We also enjoy the fact that our Club is now one of the most dominant Clubs in the Illawarra Branch.

Chief Instructor Steven McDonald and his band of instructors have continued to send us a steady stream of new award holders, a job well done.

The Junior Activities Section has again provided great competition and training of our future lifesavers with their Sunday point scores, junior carnivals and social events. Their efforts were certainly notable with some great results at local and State carnivals.

I take this opportunity to congratulate the Junior Committee, age managers, coaches and trainers, and all involved in ensuring the development of our young members.

The Ocean Swim Committee has once again staged another very successful community event, with the increased number of swimmers providing extra funds for our building account. Congratulations to all involved in this sensational event.

To all members who provide water safety with our Juniors, Ocean Swim and senior pointscore, well done once again.

## **President's Report**

---

Our in-house competition has again been hard fought. Many thanks to Sandra Dent and her helpers in conducting some great Sunday morning events and the Club Championships.

Thanks to Evan Griffiths for checking on patrols and running the season long patrol competition.

No season would be complete without the support of our sponsors, their on-going support of our Club this season is nothing short of amazing.

No Club can survive without the finance to put in place the necessary programs to train our members and provide them with state of the art life saving and training equipment.

I thank all companies, members, and the community for providing us with the funds to complete all our objectives this year.

In closing, no successful club is run by one person, it's a team effort and I would like to thank my fellow Executive members for their support and assistance through this past season. A very special thank you to Harley Dreghorn for his ongoing support and expertise.

Its been a privilege and a pleasure to serve our Club one again as President and I thank and congratulate each and everyone for another extremely successful season.

I extend my best wishes to the incoming committee for our 98<sup>th</sup> year and with them every success.

Don Harris  
President

## Our Donors

---

Donations received this year totalled \$47,193.00 (excluding donations to the Winter Swimmers). This amount includes a donation of \$11,434.00 from Akerman-Apache for purchase of a new IRB at the end of 2004/03 year.

The following donations are gratefully acknowledged

- √ Helensburgh Workmens Club, donation \$4,433.00 for purchase of a 'heart start' defibrillator.
- √ Helensburgh Coal Pty Ltd, donation \$5,000.00 towards purchase of surf boat
- √ Southern Fasteners, donation \$1,000.00 towards purchase of surf boat
- √ Black Swan Engineering, donation \$1,200.00 towards purchase of surf boat
- √ Nationwide PRD Helensburgh, various donations towards purchase and maintenance of surf boat
- √ Longwall Hydraulics, donation towards purchase of surf boat
- √ SADA Pty Ltd, donation towards purchase of surf boat
- √ Landcom, donation \$2,000.00 towards rescue and training equipment
- √ Nationwide PRD Helensburgh, \$400.77 towards first aid room
- √ Emerson Process, donation \$1,000.00 towards operation of IRBs
- √ Roads and Traffic Authority, \$3,000.00 contribution to assist with additional activities caused by closure of Lawrence Hargreave Drive
- √ Geoff Ryder Pty Ltd, donation towards new surf boat
- √ Boys Brigade, \$500.00 contribution for assistance with beach patrols on New Years Day
- √ Anzac Day, donations of \$841.00 from Two-up Game at Helensburgh Workmens Club
- √ Michael Burke Industrial, donation towards rescue equipment
- √ Mobile Hose Fixers (Mark Ryan), donation towards rescue equipment
- √ Stanwell Park Sea Eels, donation of \$300.00
- √ Wollongong City Council, grant of \$2,000.00 to assist with patrol activities
- √ Appeal Day donations, collected in Helensburgh, Otford, Stanwell Tops and Stanwell Park - \$5,093.00
- √ Edna Jardine, donation in memory of late husband Bill Jardine
- √ Donations from Club members including Con Asmussen, Bill Dodd, Dick Pavert, Robert and Robyn Simms, Jack McMillan, Andy McCabe, Ian Kohlhardt, Peter Beehag, Bryant Phillips, Keith Chapman, Terry Mott, and Graham Cook.

# **Club Captain's Report**

---

Another successful year for Helensburgh Stanwell Park Surf Club with no lives lost during patrol hours

We had a very good start to the season with all patrolling members fulfilling their patrol commitments, but with this we started to slacken off as the season went on. We must all keep in mind that if you can not make a patrol, please find a replacement, or if not call your Patrol Captain.

We had a very big season with incidents ranging from water rescues, first aid incidents, missing children, and hang gliding accidents.

We may be one of the most remote beaches in the Illawarra Branch because of the road closure but successful completion of the above incidents goes to show that HSPSLSC can successfully complete any incident that we are faced with.

With the introduction of new equipment to the club such as the quad bike, and an IRB trailer to use with the quad bike, and a Stokes litter, anyone who has used this equipment will know how much easier it has made our lives. But we must keep maintaining this equipment so we can use it for seasons to come.

We would like to especially thank all of the patrolling members who accrued 100% patrol attendance this is a great effort and we appreciate this very much.

See you all next season for a bigger and better year.

Grant Dezius  
Club Captain

As most members know this was Grant's last season with HSPSLSC

I would like to especially thank Grant for all of his help over the years - you have been a great asset to the Club and you will be missed.

Thanks mate.

Shannon Cummings  
Vice Captain

## Junior Activities Report

---

As Chairman, I wish to take this opportunity in congratulating our junior section on another successful season, which I will now expand on.

We had many new children and parents join this year from both local areas and as far away as the “shire”, to all these people, welcome and I hope that you have enjoyed the experience.

Weather wise we were relatively lucky, managing 16 point scores for the season, unfortunately this does not reflect in water events due to sea conditions as the children’s safety is of the utmost importance. I believe the majority of children enjoyed the beach activities and water when we were able to.

There is still a requirement to get the children into the water for their awards and competition wise, we are currently looking at ways to achieve this with minimum stress to the children. I must emphasis that pre season swimming training or surf awareness is essential if your child is planning to return next year. Which of course I hope they are planning to.

Competition wise, this was without doubt our most successful season to date, there were many notable achievements, too many to mention, which led to us winning the Junior Branch Championships.

The pleasing outcome of this was that we did not just compete successfully on the beach but also in the water as this is one of the prime purposes of life saving, to get children to be confident in the surf environment.

With this in mind, I must congratulate our relevant coaches who have sacrificed time and effort in ensuring our children are sufficiently trained.

Congratulations to our life saver of the year nominees, Brooke Dent and Damien Cook, both of whom represented our club with professionalism and integrity.

I must now thank all our age managers who do put up with quite a bit but are willing to do so to ensure the children are safe and enjoy the beach.

We had a very successful NSW State Championship campaign and the number of competitors and family that attended at Umina was incredible. Everyone enjoyed themselves and displayed our normal excellent team spirit.

Thank you to everyone that assisted organising and running of our state team. It took a lot of hard work, which I certainly appreciated.

## **Junior Activities Report**

---

To my hard working committee, a heart felt thank you. We have had a few challenging times, but we have managed to work through these in the majority by displaying integrity, professionalism and maturity.

Over the years I have noticed that it is still the same band of people that are doing the work, we will not be around forever and I encourage new members to become involved, someone has to do it. I also wish to thank any committee members that may be leaving and wish them luck in their new endeavours, thank you.

Farewell to all our U14's that are going on to the senior ranks, some of these children have been here for 7 years and it is always sad to see them go, but I know they will do the club proud.

Thank you to our sponsors, without your support we would not be in the strong position that we are in at the moment.

Finally, again thank you to the senior committee, we continue to have a very good working relationship and I look forward to again working with them next year.

Wishing everyone a safe and happy off season.

David Astill  
Chairman, Junior Activities Committee

# Executive Committee Report

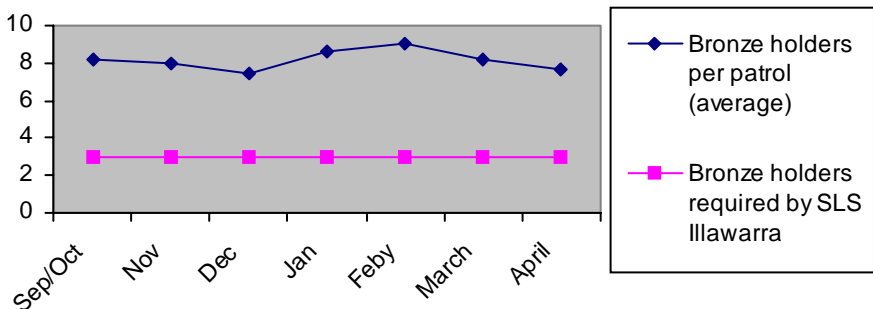

The Executive Committee is pleased to report achievement of our primary objective of No Lives Lost during rostered patrol hours.

The Club has again pursued to the maximum its objectives of training and upskilling members in lifesaving, and providing proficient and well equipped patrol members to facilitate beach safety at Stanwell Park.

## Patrol obligations

- The minimum patrol requirement set by Surf Life Saving Illawarra was three Bronze Medal holders on each patrol, and within each patrol a minimum of one IRB Driver and one ARC holder.
- Sunday and public holiday patrols commenced Sunday 26 September 2004 and concluded Monday 25 April 2005.
- Patrol hours from 9.00am to 5.00pm, extended to conclude at 6.00pm from 19 December 2004 to 30 January 2005
- One Bronze Medal holder to support Council lifeguards from 10.00am to 2.00pm on four Saturdays from 18 December 2004 to 22 January 2005.

Average number of Bronze holders attending each patrol 2004/05

Minimum patrol strengths as required by Surf Life Saving Illawarra were achieved and exceeded on all Sunday and public holiday patrols.

# **Executive Committee Report**

---

## Patrol highlights -

- √ 74 Bronze Medal holders undertaking patrols, 46 male and 28 female
- √ 19 Active Reserve and Long Service Members attending, assisting and supporting patrols and water safety as required
- √ 27 Cadets (U/15 years) undertaking patrols, 12 male and 15 female
- √ 9 Patrols each with an average of 8 Bronze Medal holders and a minimum of one IRB Driver and one ARC holder
- √ Amongst the patrols were 33 ARC holders and 16 IRB Drivers
- √ There were a further 6 ARC holders and 6 IRB drivers amongst the Active Reserve and Long Service Members supporting the patrols
- √ 50 members (49%) recorded 100% patrol attendance

## Operational Statistics

- √ Patrol members rescued three persons -
  - one with the aid of a rescue tube
  - two with the aid of a rescue board
- √ Patrol members took preventative action and warned or directed 373 persons to safer areas, ie within the flags
- √ First aid treatment was rendered to 28 persons for marine stings, mainly bluebottles, and six other cases of first aid were recorded.
- √ Two instances occurred where patrol members were called upon to search for lost children.
- √ Beach attendance as reported in the Patrol Log Book shows 5,043 swimmers, 2,015 board riders and 13,320 people on the beach (estimated attendances at approx 11am and 3pm each day)

On 1 June 1980, 25 years ago a decision was taken to admit ladies as "full" members (rather than Associate members) of the Club. Two seasons later we welcomed Tanya Potter as our first lady Bronze holder. It is an appropriate time to recognise Tanya and the many other lady members who have followed her and become an integral part of our patrol activities.  
Your involvement is appreciated and very welcome - thank you!

# Executive Committee Report

---

## Club Management

Executive Committee - two formal meetings were convened, one to select a name for the new surf boat, and the second to select nominees for Surf Life Saving Illawarra Awards of Excellence. Other meetings were held as required.

Management Committee - met monthly (except for the months of July 2004 and May 2005) to deal with correspondence, monitor income and expenditure, approve payment of accounts, and receive reports from Club officers.

13 elected officers formed the Committee; average attendance of Committee members at these meetings was six.

Special General Meeting - held 7 December 2004 to advise members of negotiations with Council about extensions to the Club house and obtain members' views on options under consideration.

Junior Activities Committee - met monthly during the period September to April, and through its delegates reported to the Management Committee at monthly meetings

Winter Swim Group (Stanwell Park Sea Eels) - continued to function as an autonomous committee, reporting its financial affairs and activities to the Management Committee.

Life Membership Committee – met once to consider a nomination received for Life Membership.

## Statutory Requirements

The Annual Statement for 2003/04 financial year, as required under the Associations Incorporations Act 1984 was approved by members at the Annual General Meeting held on 25 July 2004, and was submitted to the Office of Fair Trading on 20 August 2004.

As an incorporated association, the Club is required to maintain a current Register of Members including full name, address, date of joining, and date of termination of membership. Whilst the SLSA Membership program provides information about individual members and the Club as a whole, it does not at this stage provide a list as required, and the incoming committee may need to identify an alternate database to meet our obligations.

The completion of SLSA Membership Forms is now a yearly obligation of each member. Despite strong efforts by the some Club officers to overcome problems of previous years, completion of these forms in a timely manner is still a concern, and requires a firm approach by the incoming committee.

# **Executive Committee Report**

---

Some members continue to delay, probably through oversight, payment of their Membership Fees well beyond the Club Rules cut-off date of 31 October; this imposes unnecessary and additional effort by Committee members in follow-up action, and again this requires a firm approach by the incoming committee.

A Club Policy and Procedures document reflecting the current Club Rules for payment of fees, and SLSA requirements for completion of membership forms has been prepared for implementation from August 2005.

The Secretary presented a list of recommendations to the Management Committee on 10 January 2005 aimed at ensuring compliance with Club Rules and legislation on these matters and other administrative functions. Some of these matters remain to be completed by the incoming committee.

## **Financial matters**

Separate financial accounts have been maintained for the four sections of the Club – General Account, Trading Account (refreshment sales), Junior Activities Section and Winter Swimming group, with each being managed by the elected treasurer of that section, but under the overall control of the Club Executive through the Club Treasurer.

All accounts were computer based, but not at this stage on a common financial accounting program.

During the year new receipt books were introduced, appropriately amended to reflect GST reporting requirements.

## **Financial Position**

At the end of the financial year, 31 May 2005, the Club was not in debt to any supplier, and was in a financially sound position. The Executive Committee considers that the Club will be able to pay its debts as and when they fall due.

## **GST reporting**

Quarterly reports were submitted by the Public Officer to the Australian Taxation Office for the Club as a single entity reporting body, but incorporating the four sections of the Club.

A review undertaken by the Treasurer and Hon. Auditor confirmed that GST was correctly added to income, other than GST free income, and that claims made for a rebate where GST had been paid by the Club, were correct.

All Club accounts and financial reports are presented exclusive of GST.

# **Executive Committee Report**

---

## **Donations**

Donations made to the Club were separately recorded in the financial accounts, in accordance with the requirements of the NSW Charitable Fundraising Act.

The Treasurer confirmed that all donated funds were expended for the purpose for which they were sought, primarily for surf life saving rescue and training, other than for the following exceptions –

- donations made to the Winter Swimming Group which were specifically sought for CRAM House or other charitable cause
- donations made to the Surf Club which were specifically sought for competitive activities such as the purchase and operation of the surf boat
- donations made to the Junior Activities section which were specifically sought for the acquisition of Club team apparel for members attending the State Championships

The Treasurer confirmed that no member of the Club was entitled to or gained any personal benefits from any donations received for life saving rescue and training activities.

## **Auditing of Accounts**

The Club's Hon. Auditor, Evan Griffiths undertook a comprehensive audit of the accounts for the year ended 31 May 2005 and provided a statement that they were correct in accordance with records and vouchers presented.

The Hon. Auditor made the following recommendations which were being implemented at the date of this report –

- 3 monthly instead of annual stocktakes and reconciliation of bar trading
- enhanced controls on security of clothing and other saleable items, and documented stock records
- all suppliers to be paid by Surf Club cheque or electronic process, and only in urgent cases should a member pay on behalf of the Club and seek reimbursement
- all payments to be certified as correct by the Club officer/member directly involved in the purchase.

A policy and procedures document was prepared to guide the Club's financial people in best practice management of Club accounts, and to ensure compliance with the Charitable Fundraising Act and GST reporting requirements.

# **Executive Committee Report**

---

## **OH&S**

A strong stand was taken on this issue under the guidance and assistance of the Club's OH&S Officer, Geoff Coleman, with all Club activities and facilities being regularly scrutinised and risks identified. Where the risk could not be immediately eliminated, risk minimisation strategies were introduced, for example warning signs were placed pending re-sealing of the steps and amenity areas with an anti-slip product by Wollongong City Council.

The Council as owner of the building promptly addressed most safety issues identified and reported by the Club, and towards the end of the year completed an annual check of fire extinguishers and electrical appliances, and renewed the emergency lighting and exit signs.

An annual inspection of the Club building and equipment was undertaken by the Club's OH&S Officer early in June 2005. The Club Executive was provided with a report that no additional risks were identified during that inspection, and that in the opinion of the OH&S Officer, the Club was considered to be OH&S compliant.

## **Environmental issues**

The main identified risk for the Club is the potential leakage of petrol and oils in the boat shed area. The IRB Captain and IRB crews were alerted to the need for special care during refuelling. The need for a spill kit is under review.

The Club received an exemption from Sydney Water allowing the use of water for life saving operational activities outside normal restrictions. The Club Executive monitored this exemption to ensure it was not abused.

## **Food business notification**

Notification was forwarded to the NSW Food Authority during October 2004, that the Club operated a "food business" – bar sales and Juniors canteen.

Appropriate signage is to be installed in the kitchen and bar area regarding cleanliness and health standards of persons involved in food handling.

## **Asset Register**

Further progress was made towards completion of the Asset Register, with more detailed information now recorded on a computer database.

# **Executive Committee Report**

---

## **Liquor Licence**

The Club continues to hold a Function Licence issued in the name of Harley Dreghorn (Licence no 24003604). Eight Club members who hold Responsible Service of Alcohol Certificates were registered and qualified to serve alcoholic beverages.

The Licensing Court endorsed all applications to conduct functions during the year, including one at Thirroul Surf Club for the winter swimming championships hosted by Stanwell Park Sea Eels.

Notification was sent to the Licensing Court, Police and Wollongong City Council regarding the conduct of “coldies” functions following patrols and point score, and winter swimming point scores on Sundays.

Two incidents were recorded during the year, and were dealt with by the Licensee.

A proposal to obtain an alternate liquor licence to allow the Club to hire the Surf Club for private functions was not progressed, following rejection of a similar application from another surf life saving club.

## **Good Sports Accreditation Program**

Following a meeting with the NSW State Manager of Goods Sports during December 2004, an application for accreditation as a Good Sports member was approved in principle. A further meeting is to be arranged between the Club Executive and the Illawarra Region Project Officer later this year, following which membership will be formalised.

## **Club Development Network**

The Club applied to join, and became a member of the Ausport Club Development Network on 10 November 2004.

## **Welfare of Members**

To promote Surf Clubs and Club activities as a safe place for younger people, SLSA and SLSNSW sponsored programs to have members who may become involved with young people including our junior members as part of Club activities, sign a Prohibited Employment Declaration Form.

The Executive Committee decided that all Club members over the age of 18 years should complete the Declaration Form, and this campaign will be progressed as part of completion of the 2005/06 membership forms.

# **Executive Committee Report**

---

## **Requests from members**

The Executive Committee received and dealt with the following representations from members during the year –

- Some patrols appear to be rostered for more public holidays including Christmas Day, than other patrols.  
*The Club Captain was asked to devise an equitable and transparent method for drawing up patrol rosters for implementation in 2005/06.*
- Some patrols have a high proportion of competitive members, making it difficult for the competitive members to find substitutes to enable them to attend a carnival.  
*The incoming Club Captain will consider this when allocating patrols.*
- Rules for the Club point score and championships were unclear.  
*A special General Meeting has been called for 18 July 2005 to discuss.*
- Rules for use of Club competitive equipment, including Junior Activities equipment were unclear.  
*A special General Meeting has been called for 18 July 2005 to discuss competition matters for members in the senior section.*  
*The Junior Activities Committee will develop guidelines for promulgation amongst members prior to the start of the 2005/06 season.*

## **Club building**

Thanks are extended to Peter and Sandra McDonald for their continuing work in keeping the Club building in a clean and presentable condition.

Our appreciation is also extended to Wollongong City Council for its prompt response to maintenance works and OH&S issues brought under notice during the year.

The IRB Captain and his team expended considerable efforts in re-organising the IRB area to ensure safe and satisfactory storage of this equipment.

A lifting jig was donated by Emerson Process to assist in storage of the IRB.

A start was made to alter the bar area to overcome some safety problems and make better use of the available space.

# **Executive Committee Report**

---

## **Club building extensions**

The original concept which had been under discussion by the Club for some years, was to construct an additional two bay boat shed at the western end adjacent to the existing building, with the roof area becoming a BBQ and deck area. Current planning is for one bay to be allocated to Council allowing removal of the unsightly Council storage container, the other bay being available for storage of the surf boat, and cost shared 50:50 with Council.

Council has set some funds aside for the construction whilst the Club had committed around \$30,000.00 from its building fund.

Discussions with Council officers including a report from Council's tree maintenance staff showed the pine tree would be affected in some way by this design, and Council developed other options, favouring a "stand alone" garage type building near the entrance to the car park from Beach Road.

Options for extension to the Club building were discussed with members at a Special General Meeting on 7 December 2004. Whilst the Club's preferred option is not the stand alone structure as proposed by Council, Council officers indicated this appears to be the only viable option that will not interfere with or damage the pine tree.

Design and cost estimates are still awaited from Council.

## **Wollongong City Council – life saving performance agreement**

At the end of 2003/04, the Club received a grant of \$2,000.00 from Wollongong City Council as a contribution towards patrol activities at Stanwell Park beach. Council has approved a further grant for the 2004/05 year, but this had not been received at the date of this report.

Surf Life Saving Illawarra was involved in discussions with Council regarding continuation of the grant scheme, on the understanding Clubs enter into a performance agreement with Council. Subject to a conciliatory agreement being presented to the Club, the Club Executive will formalise its execution.

## **Closure of Lawrence Hargreave Drive between Coalcliff and Clifton**

With the assistance of Surf Life Saving NSW (through Grant Joy, Southern Regional Office), our Club (along with Coalcliff and Scarborough Clubs) was fortunate to receive a grant of \$3,000.00 from a fund established by the Roads and Traffic Authority to minimise the impact of the road closure on the community.

# **Executive Committee Report**

---

The grant was used to assist in acquiring additional rescue boards and other equipment. Part of the grant was expended on workbooks and other training aids for members.

Our thanks to the RTA for this financial support.

A further application was submitted through SLS NSW for a grant for the current year.

## **Strategic Planning and Organisational Review**

During the latter part of the season, the Management Committee endorsed submission of an application for an NRMA Grant. A project was developed by the President and Secretary and application submitted to Surf Life Saving NSW for a \$5,500.00 grant from NRMA to be matched by a \$2,500.00 contribution from the Club.

The grant was approved and will allow the Club to undertake an organisational review of its management structure, and develop a strategic plan and a business plan to guide the Club and its activities for the next five years. The project includes a recruitment drive and community awareness campaign to be undertaken early in September.

The outcome of the organisational review will be linked to proposed changes in the structure of the Branch and Surf Life Saving NSW.

Our appreciation is extended to NRMA Insurance for its support.

## **Member Development**

Amy-Leigh Perrin and Hayley Johnston attended the Illawarra Rookie Camp held at Killalea on 20 and 21 November 2004, along with 20 other rookie members from Illawarra Clubs.

Brendon Potter was selected to attend a Youth Leadership Camp run by Surf Life Saving NSW at the Sydney Academy of Sport at Narrabeen from 15 to 18 April 2005.

Surf Life Saving Illawarra established a development squad to enhance the competitive skills of members in the U/11 to U/15 age groups. Club members selected were -

Under 12 Carly Perrin, Mikalya Morris and Ryan O'Grady

Under 14 Chenay Mercer and Laura Mercer

# **Executive Committee Report**

---

## **Club representation at Branch, State and Australian level**

- Don Harris, as Club President, was a Director of Surf Life Saving Illawarra. Don was also the Chairman of the Branch Patrol Default System Task Force, and Chairman of the Branch Judiciary Committee. Don was also part of the organising committee for the South Coast Boat Series.
- Evan Griffiths was a member of the Branch History Committee, and the Branch Life Membership Committee.
- Peter Beehag, Don Harris, Jeff Lucke, Mark Thompson, and Bobo White were accredited carnival officials, and participated at championship carnivals at Branch, State and Australian level

## **Branch Team**

Congratulations to our Club members selected to represent Illawarra as part of the Branch team, and for their efforts in the events –

U/12 Ryan O’Grady (surf) and Mikalaya Morris (surf)

U/13 Adam Thompson (beach)

U/14 Damien Cook (beach) and Chenay Mercer (beach)

U/15 Chris Astill (beach)

U/17 Amanda Mercer (beach)

U/19 Laura Humphries (beach) and Daniel Robberds (beach)

Chris Astill was later selected as a member of the NSW interstate team.

## **Surf Boat Rowing**

Congratulations to the newly formed U/19 crew of Sam Bray, Huw Phillips, Brendon Potter and Aaron Wallace, who under the coaching of Rod Henderson, achieved 5<sup>th</sup> place in the South Coast Boat Series, and a 3<sup>rd</sup> at the Branch Championships, a good effort for their first season. The U/21 crew also performed well in the series, and gained a 2<sup>nd</sup> placing at the Branch Championships behind Austinmer.

With the assistance of a number of donors, and through the sale of one boat, the Club was able to acquire another new boat, the third in recent times. This boat was christened the “George Wardman”

Boat Captain Don Burke recorded his and the boaties appreciation for the support they have obtained from the many people who have assisted, with special mention of financial support from Helensburgh Coal, Black Swan Engineering, Southern Fasteners and Nationwide PRD Helensburgh.

# **Executive Committee Report**

---

## **Collection Day**

Special thanks to Louise Anger for her assistance again in organising and co-ordinating our annual Collection Day, and thank you to the 38 members who participated.

Thanks to the generosity and support of the local community, \$5,093.00 was raised in a few hours on Saturday morning 6 November 2004.

## **Stanwell Park Ocean Swim**

Appreciation is extended to Andrew Perrin and the organising committee for the 2005 Stanwell Park Ocean Swim – Wayne Johnston, Kevin Keene, Murray Dowling, and Ken Newman from Coalcliff SLSC. 180 competitors took part in the swim in good conditions, with the winners being Phil Clayton (male) and Larissa Evans (female).

Thank you to the many Club members who assisted in organisation and running of the event, which at the end of the day resulted in a profit of \$2,300.00; this was later transferred to the Building Account.

Thank you also to Coalcliff SLSC for their involvement, and for joining with our Club to make this a great community event.

Thank you also to representatives from Surf Life Saving Illawarra and the Kiama jet boat crew for water safety support, and the Royal Volunteer Coastal Patrol for overall assistance in the conduct of the event.

## **Club Patrol Competition**

Thanks and appreciation is extended to Evan Griffiths for his regular visits to the beach on Sundays for inspection and monitoring of patrols, and the running of the Club's patrol competition.

## **Club Point Score and Championships**

Appreciation is extended to Sandra Dent for her organisation of the Sunday morning point score and Club Championships.

Point score commenced on 31 October 2004, with a total of 58 members being involved over the season. Because of Sunday carnivals elsewhere, there were only seven days of swim events. Most competitors took part in the swims.

Thanks also to the members who assisted with water safety, the IRB crews and patrol captains, and the members who organised on the day.

# Executive Committee Report

---

## Communication with members

With changes in the Club committee this year, the Park Bench was only issued on three occasions. It had been hoped the Club's website could be used as an alternative in keeping members informed, but it appears many members prefer to receive the Park Bench in hard copy.

## Publicity

Geoff Coleman and Julie Humphries provided regular reports to the two local monthly publications, whilst a number of reports of Club activities appeared in the Wollongong Northern Leader and St. George Leader.

## Appreciation

The Executive Committee extends its sincere thanks to the many members who assist in the running of the Surf Club.

Congratulations are also extended to the many members who achieved awards, particularly those who achieved awards in patrol service and training – details are shown in the following pages.

A special thanks to the Junior Activities Committee for its dedication to the training of our younger members.

Thanks also to the Stanwell Park Sea Eels committee for their on-going activities and winter activities which have provided Club members with an alternate way of keeping fit and socialising during the off-season.

Congratulations to the competitors who went forth with the cerise, white and blue cap representing Helensburgh Stanwell Park, and special thanks to all those who became involved in coaching and supporting our competitors during this season.

For and on behalf of the Executive Committee

Don Harris  
President

Harley Dreghorn  
Secretary

# **Training and Instruction**

---

Another bumper season for “The Park”, an increase in training activity and the first full season under the Trainer/Assessor Competency Based training scheme.

Rescue and Resuscitation still remain at the core of all the awards, the methods in which we train for them have changed. The new system will see members continually assessed for their award instead of the traditional mass exam, test everything on the day methods used in the past. The candidates are also required to do their homework using a series of workbooks, this enables the trainers and assessors to determine if candidates are competent in the given competency i.e. signals or resuscitation.

In January, 2005 the Club hosted a meeting with Darren Buchanan, Training and Education Officer for Surf Life Saving NSW. The meeting was attended by interested members from both Coalcliff and Helensburgh-Stanwell Park. The intent of the meeting was to clarify the processes for awards training and clear up a few issues relating to the new training scheme. The club appreciated Darren’s time in attending the meeting and it helped cement relationships with him to help the club get through the paperwork nightmare that awards present.

The 32<sup>nd</sup> Edition Training Manual was used again this season. It is written to guide candidates through their awards in conjunction with workbooks which are completed as part of the award.

Despite some hiccups with understanding requirements the club put the candidates first and finished the season with a total of 53 awards.

## **Bronze Medallion**

12 new Bronze Medallions were gained, a disappointing number after 10 years average around 20 new Bronze Medallions per season, but the club can only train candidates if it has the candidates to train.

The quality and enthusiasm of the candidates is fantastic in the club, resulting in competent life savers gaining their award, this is complemented by trainers who are training candidates to be life savers first. The clubs trainers and assessors do a fantastic job, they are knowledgeable have great experience in life saving, are excellent communicators and above all build relationships with the candidates that given them the confidence to succeed.

The good news in all this change is that the Run-Swim-Run, Rescue techniques and Resuscitation are still key to gaining the Bronze Medallion. The Bronze Medallion covers the following topics, Safety and well-being, Surf awareness and skills, Anatomy and physiology, Basic first aid, First aid, Basic

# **Training and Instruction**

---

resuscitation, Resuscitation (CPR), Communications, Radio communications, Rescue techniques, Carries and support and Patrols.

To carry out training of candidates completing all of the above units requires a dedicated team of trainers and assessors, and there is no doubt that the club has these people. The trainers for the Bronze Squads were Bobo White, Nathan Thompson and Peter McDonald. They were assessed by Dave Winner (Coalcliff) and Bobo White.

## Surf Rescue Certificate

Almost a record number of new Surf Rescue Certificates were gained by the club this season, a total of 21. This is against our 10 year average of 13.2 per season. The numbers were helped by a large group of members moving from the Seagulls into the senior club. This supports the club's proud membership retention record. The Surf Rescue Certificate is moving towards the same competency based training system, with the final result being Surf Rescue Certificate holders required to only complete modules not covered in the Surf Rescue Certificate to complete their Bronze Medallion.

The Run-Swim-Run is still a key component of the award, but the main area taught at the club is how to be a life saver and being assimilated into the senior club. The Surf Rescue Certificate covers Safety and well-being, Surf awareness and skills, Anatomy and physiology, Basic first aid, Basic resuscitation, Resuscitation (CPR) (only if 15 years or over), Communications, Rescue techniques, and Patrols.

Trainers and assessors for the Surf Rescue Certificate this season were Geoff Ryder and Peter McDonald who do a terrific job every season. Their role as trainers is more than training these candidates for their award, but to be part of the senior club. My thanks to Geoff and Peter for putting in the time with these candidates.

## Advanced Resuscitation Certificate

One of the most important awards for an active life saver to have, so it is encouraging to see a larger number of members gaining the award. This season saw 19 members gain the award, and it was an interesting mix of members who gained the award. We had new members gaining both Bronze Medallion and Advance Resuscitation Certificate, existing long time patrolling members adding to their capability, young patrolling members making themselves more valuable on a patrol and some members who never even get on the beach. It is an award useful to a diverse range of members.

# **Training and Instruction**

---

Again there were no significant changes to the ARC this season. The award expands on resuscitation practices and includes the application of the airbag resuscitator, spinal neck brace and oropharyngeal (OP) airways.

Training was conducted mid-week by Evan Griffiths and Peter McDonald throughout most of the season.

## **Power-Craft Awards**

Power-craft awards are an essential award for a patrolling lifesaver, given that a majority of the rescues performed beyond the break are performed with the use of a power-craft. Patrol members with these patrols are invaluable on a patrol and with the removal from the Bronze Medallion of any training component for the IRB it is important that patrol members pursue obtaining at least the IRB Crew Certificate.

During the season 2 members Shannon Cummings and Kieran Beaumont participated in Rescue Water Craft (RWC) Operator's Certificate training. The RWC is an emerging item of rescue equipment which could start to replace the IRB over time. This also gives members opportunity to gain further awards to support the club patrols.

## **IRB Crew Certificate**

This award is for patrol members wishing to act as crewperson for the IRB. The award details pre and post operations along with operational crewing and rescues. Only 1 member Brendon Potter gained this award during the season, a disappointing result for an award which should be held by all active patrol members.

## **IRB Driver's Certificate**

This award is for patrol members wishing to drive an IRB. The award details pre and post operations along with operational driving and rescues. As with the IRB Crew only 1 member Tony Baillie gained this award during the season. Not wanting to go on, but these awards are an essential part of a patrol; with the club's aim to put at least 1 driver on each patrol the club needs to build up the number of members with an IRB award.

Thanks go to Murray Dowling who trained Brendon and Tony for their awards. Murray is relatively new to IRB driving, but is keen to impart his knowledge in any member who wants to gain an IRB award.

## Proficiency Tests

The club held 2 mass proficiency test days with the aim of attracting as many members to complete their proficiency for Bronze Medallion, Surf Rescue Certificate, Advanced Resuscitation Certificate and IRB awards.

The Bronze Medallion is being updated with additional components being added to the award thru the proficiency tests, this season adds Spinal Carries, Oxygen Therapy and an increase emphasis on team work with a patrol scenario. Similarly the patrol scenario has been added to the Surf Rescue Certificate.

All other awards requiring Proficiency tests remain unchanged.

The season finished with in excess of 100 proficient patrol members holding either Bronze Medallion or Surf Rescue Certificate.

Thanks to all members who completed their proficiency test this season making themselves available for patrol duties, and thanks to the members who assisted in the running and assessing of the Proficiency Tests.

Next season will see some new technology introduced into the club with the acquisition of a Heartstart semi-automatic defibrillator, training will begin in August and it will be available for use by appropriately trained members who hold their Advanced Resuscitation Certificate. Let's hope we are never put in the position where we will need to use it.

The changes to the training structure requires our old instructors to become trainers and examiners become assessors. This involves some additional training under the Australian Qualifications Framework. Members who attended this training during the season were Bobo White, Nathan Thompson, Evan Griffiths, Shannon Cummings, Geoff Ryder and Peter McDonald. Now they are required to document their training methods, the training they have completed and complete their own set of workbooks. Seems like of a lot of work for a voluntary organization, but it is designed to provide uniform training across all clubs in Australia. Hopefully everyone will catch-up with our club in the way they train their members.

Our members were active in assessing other clubs during the season and this was reciprocated by assessors from other clubs. Thanks to Dave Winner from Coalcliff for assessing our Bronze Medallion and Surf Rescue Certificate candidates. Well done to Bobo White, Evan Griffiths and Peter McDonald for assisting with the assessing of Coalcliff award candidates.

# **Training and Instruction**

---

Well, after 15 + years as Chief Instructor I am hanging up my Instructor's hat and taking some time off. I have certainly enjoyed my role in the club as Chief Instructor. I hope I have been able introduce some new methods and approaches to training our members that has benefited the club. Since my early days the club has been using workbooks to assist in the training of candidates and now this approach is being adopted by the whole association. I hope that whoever takes on this role in the future gets as much satisfaction out of it as I did. Thank you to everyone that has supported me over the past 15 years.

Steven McDonald  
Chief Instructor

Under 14      Brooke Dent, Jessica Fussell, Rebecca Scipioni, Ashley Wright

## **Stanwell Park Sea Eels**

---

Winter swimming aims to promote the maintenance of swimming fitness and the camaraderie of Surf Life Saving throughout the winter months. There is also a certain bravado and derring-do with which we enjoy mystifying our non-winter swimming acquaintances. This is good for both our own self-esteem and justification, and gives our spouses and less adventurous associates someone to laugh at. They really don't know what they're missing....

We are in a stronger financial position than last year, have met our goals and have provided many existing and too few new swimmers with achievable challenges. 81 members commenced the 2004 season, our 15th with two associates and 79 active swimmers, some more actively swimming than others. On the 20 Sunday morning swims, we averaged 35 swimmers. Overall, 11 swimmers gained 100% attendance and we had continued our record of five guests in our Bring-A-Friend Day.

**Executive Committee:** Club President Wayne Johnston, Club Captain Ian Van Zyl and others had a pretty easy time of it last year, thanks to the continuing support of all club members and their families. 2004 was one of those coasting years, where we achieved a lot, were constantly surprised by how quickly the season was progressing, and how wonderful the weather was. We were particularly pleased to have instituted and helped in awarding six inaugural Life Memberships at our last AGM.

**General Committee:** Treasurer Peter Turner again acted remotely from Melbourne. Margaret and Peter Hunt continued with the weekly "Lotto" and raffles, again forming the back-bone of our fund-raising efforts. Jerry Reilly and Rod Hampson as Fines Marshals had an exceptional season, with members willing to pay, just to get the saga over and done with. Thanks also to Hayley Johnston and others for collecting the fines.

**Swimming Committee:** The Swimming Committee made sure that our average of 40 swimmers for 20 point score swims, a visit to the Bulli Sea Lions and the contesting of Club, South Coast and Australian Championships all ran very smoothly. Thank you enormously to our chief handicapper Steven McDonald, all the girls who handicapped the relays each week, to Chief Time Keeper Tony Baillie and his helpers and our judges Murray Dowling, Rod Hampson and Ralph Hall.

The less glamorous task of SCWSA delegates were again fulfilled by Rob Pugh, and Peter McDonald. Our Club's thanks are extended to both these inaugural Life Members.

We are, as usual, indebted to Bar Manager Bill Haran who swam many times even winning a cup in 2004. The South Coast Champos were an absolute master-stroke, with all participants having plenty of liquid refreshments all afternoon and leaving less than half a keg to spare. If only we could get his mate Harley in the water....

Steve Clarke continued the interest and improvement in our publicity. Special thanks also go to Peter Mac and Harley for compiling the Park Bench which never fails to mention our Club, and also to Julie Humphries for getting the information in the off-season.

**Patrons and Sponsors:** Thank you once again to our Patrons Don Harris, Surf Club President and Pete Jordan, President of Coalcliff SLSC, and our sponsors Coral Air Air-Conditioning, Malmex Tree Services and the Helensburgh Workmens' Club. Donations were also received from Alan Fisher of Leisure Coast Trophies and Coastline Real Estate.

### **Club Activities**

**Phil Anger Golf Day:** This prestigious annual contest, boasting 44 players from the Surf Club and HWC was again won by the HWC Golf Club, damn it !! The Phil Anger Memorial Trophy was contested in bitterly cold weather.

**Bulli Sea Lions Visit:** The Bulli Sea Lions were visited to contest the "Jimmy Jons" trophy and once again the Sea Eels didn't get the trophy. We had mild winter water temp only 13°C, but Jerry seemed to need an ambulance or water taxi when he realised he had to swim 100 metres. Mind you, Bulli did provide a nice beach area for the paramedics right inside the pool so it wouldn't have been an issue. As usual, they wined and dined us and we won all the raffle prizes so they can keep the trophy for another year.

**SCWSA Championships.** The Sea Eels hosted the SCWSA Championships at the Thirroul Pool, finishing second overall and Winners of the Day on Handicap. Our 31 swimmers represented our club splendidly and everyone was on hand to assist at the Championship Dinner at the Thirroul Surf Clubhouse. The weather was bitterly cold and rainy. With snow falling only 20 kilometres away, we couldn't sell our T-shirts but we had no trouble selling raffle tickets inside the hall. Extra special thanks to Brickie Hillen for an outstanding job, and also to all those who helped in the bar and in the kitchen, several of whom missed out on the excellent lunch. Thanks to Therese Weber for getting everybody home.

## Stanwell Park Sea Eels

---

**Cram House Visit:** This year we again hosted the children from CRAM house and some of their carers and family members.

**WSAA Championships:** The Championships of the Winter Swimming Association of Australia were held at Unanderra Pool on Sunday 19 Sep 2004. The weather was kind, the Marshals were the usual bunch of stern octogenarians, and we came away with not much more than pleasant memories and pleasantly full bellies from an outstandingly catered afternoon.

**Seafood Night:** This was again held at Helensburgh Stanwell Park SLSC, and was another successful social event. It could not have been possible without the help of the junior members and their friends who helped with the catering and waitressing on the night. Many thanks to all who assisted on the night, especially Marg and Pete Hunt, Bob Pugh and his band of cooks.

**Christmas drinks:** Christmas Drinks were again hosted by Wayne and Sandy Johnston. As usual, the well-behaved children kept their parents under control and tucked them into bed when they got home. The kids had the run of the pool while the grown-ups cooled off with a few quiet libations on the very sunny afternoon. Wayne and Sandy would like to thank the next hosts of the Christmas Drinks; someone with a wife named Sandy, a pool and a dog who likes BBQs.

**Charitable Activities:** Donations were made to CRAM House, the Motor Neurone Disease Association of NSW, Helensburgh Stanwell Park and Coalcliff SLSCs.

Well, that's about all for our fifteenth year as a Winter Swimming Club. There are plenty of exciting events and activities to come this year. Check out the website as this contains all the dates of coming events as well as the soup roster.

Get those friends prepped for Bring-A-Friend Day, work on the 100% attendances and keep your eyes open for incriminating things for the Fines Marshals.

Phil Kelly,  
Secretary, Stanwell Park Sea Eels
