

Helensburgh–Stanwell Park Surf Life Saving Club Inc.

Season 2017 – 2018

Annual Report & Financial Statements

2017 - 18

Members

On behalf of the Executive Committee, I submit for your perusal and adoption the 111th Annual Report of the Helensburgh-Stanwell Park Surf Life Saving Club covering activities for the year ended 30 June 2018.

Financial Statements are included in this Report and cover the 12 months ended 31 March 2018.

Main highlights of the year:

- Our patrol teams achieved the Club's primary objective of no lives lost whilst patrols were on duty
- Junior Activities section continued to focus on surf skills and education for our nipper members.
- Our members competed at both local carnivals and Championship events, with a number of medals won at Branch, State and Australian championships.
- A strategy to increase funding through sponsorship and donations from local businesses was successful.
- The local community continued to support the Club as it has done for years, whilst this year financial support was also received from three levels of Government.

Ralph Hall
Secretary

1 July 2018

President's Report

This report is to highlight the achievements and conduct of Helensburgh-Stanwell Park Surf Life Saving Club in its 111th season of serving the public and providing a safe environment for the public to use Stanwell Park Beach, training life savers, competing at surf carnivals and providing a breeding ground for future life savers.

Life Saving

The club had a good year in respect to life saving, with a strong patrolling presence on the beach over the entire season. Patrols were very well attended, even during the peak competition times and towards the end of the season. While numbers were down slightly on the previous season and some members didn't complete the entire season due to either work commitments and personal issues the clubs patrol strength was consistent.

A demonstration of the commitment to life saving was on Saturday, 20 January 2018 when a call came from SurfCom that members of the public would need to be evacuated from the Royal National Park due to an approaching bushfire. A message to the clubs "Emergency Callout Team" and subsequent message to the patrolling membership resulted in more than 20 members attending. During the afternoon patrols members supported emergency services with the airlifting of an injured patient from the rescue at the north end of the beach, including setting up a helicopter landing area in the park. Fortunately, the evacuation did not proceed and after about 4 hours of readiness the Emergency Callout Team was stood down. The response by members did not go unnoticed by emergency services or SLSNSW with notes of praise received after the event.

Patrol Members assisting with the rescue on 20 Jan.

Just wondering if you could please thank everyone that helped us out at the beach today. It's always very much appreciated to have people around to assist. Can you particularly thank the three young lifesavers on scene initially - Max, Karl and Lachie. They were eager to help and tried their best to do as I asked. Thanks to you too

Message of appreciation received from the NSW Ambulance Paramedic for support on 20 Jan.

22 January 2018

I write to Helensburgh-Stanwell Park SLSC in relation to the actions of both members on Patrol, and assisting members, who responded to the medical emergency involving a serious spinal injury at the northern end of Stanwell Park Beach on Saturday 20 January 2018.

The actions of your patrolling members, both young and mature, were outstanding and exemplifies the professional actions both required and expected of our volunteer lifesavers. From assisting paramedics on the rock platform stabilise the patient, establishing the emergency landing zone for the TOLL helicopter, and the radio communications both to SurfCom and other agencies were all outstanding.

Both the Wollongong Lifeguard Supervisor, senior paramedic on scene and emergency response doctor all commented to me on how impressed they were with your members' actions. Could you please pass on my congratulations to all those members involved in the rescue.

Yours sincerely,

Steven Pearce AFSM
Chief Executive Officer
Surf Life Saving New South Wales

Copy of Letter sent by Surf Life Saving NSW congratulating members on their action on 20 Jan.

With seven patrols this season, members were called upon to do more patrols than in previous season especially with the season being extended beyond ANZAC Day. Despite the lengthy season 22 members attended 100% of their patrols, with many doing beyond their rostered requirements. These members were not just the patrol captains, but across all levels of the patrolling membership from SRC holders upwards to new members to long serving. Congratulations to all members who achieved their 100% patrol attendance.

Stanwell Park Beach is becoming increasingly popular, as it is really the first beach that many people see when coming from the western and south-western suburbs of Sydney. Sadly, many of the visitors are very unfamiliar with the surf and the rules of swimming at the beach. Many shy away from swimming between the flags due to cultural reasons, our members do their best to persuade swimmers to "Swim Between The Flags" but for some the message is often lost in translation. I applaud the patience and willingness of our patrol members who vigilantly patrol the whole beach to ensure that there are no lives lost on Stanwell Park Beach during patrolling hours.

The biggest disappointment for the season, was the lack of a Club Captain or Club Vice Captain. Not having these

positions filled, meant additional work for the club's Executive Committee. These 2 roles are crucial to the success of the club and need to be filled. Even if the role is shared between a couple of members to lighten the load the club would be better off. Having the executive cover these position means that other non-lifesaving activities suffer. The club has a good support structure and an experienced Patrol Secretary to relieve a lot of the administrative work required, so the Club Captain and Club Vice Captain can work at maintaining patrol strength and ensuring equipment is available to meet the club's lifesaving agreement requirements.

Sponsorship and Fundraising

The club enjoyed continued support from its long term sponsors, including Tradies and Peabody. The club welcomed a new sponsor at the end of the season, who has come on-board to support the Boaties. WestFund donated \$10,000 towards the cost of a new surf boat and has agreed to further funding based on members signing up for private health insurance thru WestFund. The support from WestFund was a result of contacts made during the "Boaties Trivia Night" held in December 2017.

The "Boaties Trivia Night" was a great success with \$3,580 being raised thru ticket sales, donations, raffles, coin toss and the silent auction. Well done to the organising team who put the event together especially Monique Lehane, Leisa Thomson and Ed White.

A new form of fundraising was introduced to the club because of the NSW Governments Return and Earn Scheme. SLNSW has partnered with Envirobank to provide services collecting cans and bottles on behalf of the clubs and returning 8 cents per container to the club. Towards the end of the season and into the winter months Envirobank has been holding community collection days at the surf club. While slow to get started more and more containers are being deposited at the club, resulting in more funds being directed toward the surf club. In readiness for the new patrolling season an Envirobank Donation Station will be permanently

located at the surf club enabling members and the public to deposit containers any time of day.

The Surf Life Saver Annual Appeals Day was scaled back this season, with club members stationed outside Coles and the newsagent for collection. The Appeals Day raised just over \$2,000 for the club which is down on previous years. A decision was made by the Club Executive to reduce the scale of Appeals Day and no longer "knock on doors" due to safety concerns for members, a general unwillingness of members to knock on doors and the fact that there are alternate methods available to the club for the generation of funding from the community.

Media Release

Westfund announce partnership with Helensburgh-Stanwell Park Surf Life Saving Club

Westfund Health Insurance is pleased to announce a partnership with Helensburgh-Stanwell Park Surf Life Saving Club.

Established in 1908, Helensburgh-Stanwell Park Surf Life Saving Club (SLSC) is one of the oldest surf lifesaving clubs in Australia.

Club members have been serving the local area for 110 years, providing the community with a safe, patrolled beach environment, high quality training and competition and the development of future lifesavers through the running of the Junior Activities Committee (Nippers).

The partnership will see Westfund make a significant financial contribution to the club for the purchase of a modern surf boat.

"We're proud to be supporting such a worthy group," said Westfund Regional Manager Lence Naumovski.

"There is no sight more iconic on Australian beaches than the yellow and red surf lifesaving cap. "These volunteers give freely of their time to ensure that we can all enjoy clean, safe beaches."

"Like Helensburgh-Stanwell Park Surf Life Saving Club, Westfund has a long history of community ties and it is within this shared commitment to communities that we are pleased to contribute to the future of the Club through the purchase of a new surf boat."

"I look forward to celebrating the continued success of Helensburgh-Stanwell Park SLSC at a competition level," she said.

Westfund Health Insurance is a regional, not-for-profit health fund with locations across NSW and Queensland. Helping Australians look after their health since 1953, Westfund is a wholly Australian-owned and operated fund.

President's Report

Competition

The Boaties continued to be the backbone of the club's competition group this season, 2 crews performing consistently well through a long boat rowing season culminating in the U/23 Women's Crew competing in Perth at the Aussies. The U/19 Men's crew finished 16th in the national rankings, which was a great effort for their first full season rowing together. A great season for all the crews and their loyal band of parents/supporters.

Jack Bridges toughed it out on his own all season, but it had rewards. Jack picked up a Bronze Medal at the Aussies and Gold at the State Championships. This was all on top of strong performances throughout the year including being selected in the Illawarra Branch Team for the NSW Interbranch Championships. Awesome effort Jack, and a well deserved Highly Commended for Surf Life Saving Illawarra Youth Athlete of the Year.

Comments by Jack Bridges on his achievement

Coming into this Season I felt more motivated than ever. I felt confident. It was a great season like most seasons but this season I finally achieved one of my long awaited goals and that was achieving a Gold Medal in the Under 15 beach flags, at the NSW state championships. This was a goal that I had set for the past 4 years and this year was the year. I was stoked with the results and felt confident leading up to the Australian Titles in Perth where I ticked another goal off the list, and picked up a bronze medal in the Under 15 beach flags.

After an absence of 25 years, the club has made a return to IRB Racing. Driven by new member Anthony Ashley, a small group of members have been happily training since January 2018 and started competition in the NSW IRB Premiership. While not winning any races, they have been honing their skills and improving the equipment in readiness for a full-on assault in the 2018/19 season. Great work and dedication Anthony Ashley, Matt Webber, Barry McGuinness and Guy Ezzedine.

Members Development and Training

Bobo White and his team of instructors have worked hard this season to ensure new awards are gained by

members, and the development of members is continued.

11 Surf Rescue Certificates, 14 Bronze Medallions, 1 IRB Crew, 1 Basic Beach Management Award, and 3 Advanced Resuscitation Techniques were gained by members during season, along with 140 Surf Awareness Awards for the nippers.

Member development is a very important aspect of surf lifesaving, the organisation is looking for provide opportunities for members become better equipped to handle various situations. The club needs IRB Drivers and Crew, ARTC and Basic Beach Management to fulfil its Life Saving Agreement requirements, but there are more awards that offer members the opportunity to be further qualified life savers. It also enables these members to support their fellow members during emergency responses. If members are interested in gaining new awards, contact the club Chief Training Officer at any time during the season.

Well done Bobo and the Education Team on another excellent season.

Junior Activities – Seagulls

The nippers had a big season, with terrific results at the Branch and State Championships and Ava Rushton being selected as the Surf Life Saving Illawarra Junior Life Saver of the Year. There is no doubt the results in competition stem from the club's nipper program on a Sunday morning. Beach has traditionally been strong for the club, and the nippers are put thru their paces at pointscore in all beach events under carnival conditions. The water skills and water events are continuing to build our nippers confidence in the water, and this can be seen in the number of competitors in water events at carnivals.

Ava Rushton and Gemma Gallagher represented the club in the Illawarra Junior Life Saving of the Year program, with Ava being selected. Ava also attended the SLSNSW Junior Life Saver of the Year Camp. Both Gemma and Ava did the club proud during the interview phase of the program. Well done to both the girls.

A highlight of the season was the U/13 Girls Beach Relay Team winning their 2nd State Title. Maddie, Abbey, Sabine and Mia are such cool customers, taking everything in their stride.... even if they don't really have a coach. These girls are very talented and between them picked up all the club's medals at State. Sabina 2nd U/13 Female Beach Sprint and Beach Flags, and Maddie 3rd U/13 Female Beach Sprint.

11 Seagulls transition to the Senior Club during the season, with all of them starting the patrolling career. They are all taking the skills learned during the time as a nipper and applying them to real life patrols.

The Junior Activities Committee was led by Steve Agnew in his 2nd year as Chairperson, and just when we thought Karen Gallagher had escaped she came back to support the club as Junior Secretary for 1 more season. Steve

and Karen were supported by a new but string committee. Thanks to all the Water Safety, Age Managers and area organisers for making Nippers fun and safe during the season.

Jazmin Way & Monica Way at Parliament House with the Minister for Police & Emergency Services, the Hon. Troy Grant, MP & Steven Pearce, CEO of Surf Life Saving NSW.

National Volunteers Week 2018

On the 23rd of May, we attended morning tea at the NSW Parliament House to represent the volunteer junior lifesavers across NSW. We were more than happy and appreciative for the kind invitation from The Hon Minister Ray Williams and Steven Pearce CEO of SLSNSW who accompanied us.

Walking around the Sydney CBD in our lifesaving uniform turned many heads, we seemed to be fish out of water, literally. Steven introduced us to Troy Grant MP; Minister Police and Emergency Services, we also met many other volunteers and organisations of which come from across a range of different area's including Salvation Army Australia, Duke of Edinburgh, previous 'Australian volunteers of the year' and so forth.

The morning tea was a significant turnout and it gave recognition to the millions of Australians who volunteer across our nation in services in rural area's, coastal area's, youth supporting programs, volunteer charities, ambassadors etc.

As members of Helensburgh-Stanwell Park SLSC, we felt extremely proud not only to represent for the volunteer junior lifesavers but also to represent our club. Despite the fact that we may not consider ourselves as 'recognised', together we make a difference.

Jazmin Way and Monica Way

Member Retention

Retaining members in a voluntary organisation is always a challenge with so many competing interests, it is hard to inspire members to give up their time to stand on the waters edge and watch out for people that they have no relationship with. Fortunately, we have over 100 members who willing do this, but how do we keep them in the club and what opportunities can the club give them?

Surf Boat Rowing is great for retention, as you need 4 members for a crew plus a sweep that gives you 5 patrol members, another crew another 5 patrol member, and so on.

Luckily this season the IRB Racing Team forms, and while not bringing in any new members yet, it provides another avenue for members to pursue, and it maintains interest all year round.

I encourage members to get involved in club activities, to look beyond just the patrolling aspect and embrace all of club life. Drag your friends to the beach, to club functions, to Friday Night Drinks and give them a glimpse into surf club life. They may not all join up, but another 1 member is better than no new members. If you have an idea for the club or a program you would like to run, then talk to the committee we are all ears!

Acoustics Upgrade – Progress

As of the start of July 2018, the club has a design for the renovation of the hall and upstairs areas of the club including Acoustics Treatments for the walls and ceiling. The acoustic treatment will reduce the noise levels to a standard noise level for entertainment venues, this is a result of an acoustic survey of hall and a report prepared by acoustics engineers.

The club has engaged an architect and designer to implement the recommendations from the acoustics engineers and integrate these into a general renovation and modernisation of the hall.

It is expected that the works once approved by Wollongong City Council will be completed by the end of the year.

Finally

To the Executive and Management Committee, thank you for your support during the season, we are making great progress with sponsorship activities, patrols are great, competition is thriving, and club governance is strong.

Thanks to every member who contributed to the on-going success of the club.

Steven McDonald | Life Member | President
Helensburgh-Stanwell Park Surf Life Saving Club

Lifesaving and Patrols

The season was completed without a Club Captain or Club Vice Captain. The club's Patrol Captains and Vice Captains managed their patrols and resources to effectively patrol Stanwell Park Beach during the season.

The clubs 105 patrol members completed 3656.5 hours between 24 September 2017 and 29 April 2018. A massive thankyou to every member who stood on the waters edge and patrolled Stanwell Park Beach.

The season started with Patrol Captains and Vice Captains completing the first patrols. During this patrol the Captains discussed the coming season and were updated on expectations for Patrol Audits and any changes to procedures and processes. The Captains and Vice Captains were as follows,

Patrol Number	Captain	Vice-Captain
1	Stephanie McGuinness	Barry McGuinness
2	Karl Weber	Rod Hampson
3	Ed White	Nick Lowe
4	Carl Williams	James Webb
5	Steven McDonald	Blake Drysdale
6	Anthony Rooskie	Stacie Lea
7	Ralph Hall	Anthony Ashley

The life saving agreement required that the club provide 3 Bronze Medallion Holders, that include 1 x IRB Driver, 1 x IRB Crew, 1 x ARTC and 1 x Basic Beach Management. Each of the 7 patrols were resourced with at least the minimum requirements and exceeded the requirements in most cases.

This season new member Anthony Ashley stepped into the role of Powercraft Officer. Anthony comes to the club with several years' experience gained at Coogee SLSC. He has sparked new life into the IRB area of the club, improving the maintenance and service standards for the motors and associated equipment.

Mike Malherbe had continued to support patrolling activities thru the upkeep of the First Aid Room and Radios. These areas are vital to the club providing effective patrols on the beach. Mike ensures the radios are cleaned, charged and functioning on a weekly basis and that the First Aid is well stocked and ready to handle any situation that confronts patrol members.

Peter McDonald as Patrol Secretary and ably assisted by Sandra McDonald ensure that the Patrol Log is written up for the next weekends patrols, the Patrol Caps are washed and ironed...yes, ironed, and that all essential patrol data is updated in SurfGuard.

Carl Williams in his role as Rescue Craft Maintenance Officer constantly monitored the condition of Rescue

Boards and non-powered rescue equipment to ensure that it was in a fit condition for patrolling activities.

It is these behind the scene activities that make the club patrols run flawlessly, these people perform these tasks without being asked, and just go that extra mile to make the club a success.

Congratulations to the patrol members who achieved 100% Patrol Attendance, a great effort considering the very long season.

Patrol Number	100% Attendees
1	Barry McGuinness
2	Karl Weber, Rod Hampson, Matthew Anger
3	Ed White, Steve Scullion, Dakota Curkoski
4	Carl Williams, James Webb, Kate Lee, Jorja Williams, Mackinley James Best, Minnie Monkhouse
5	Steven McDonald, Blake Drysdale, Erin Blackwell, Peter McDonald, Lachlan McDonald
6	Anthony Rooskie, Stacie Lea, Hayley Lea
7	Ralph Hall

A special mention goes to all members who responded to the following callouts,

- Christmas Eve Patrols
- New Year's Eve Patrols
- 20 January 2018 Emergency Callout to evacuated members of the public from the Royal National Park
- Easter Weekend support for Rostered Patrols

Congratulations to the winners of life saving awards for the season,

Patrol Member of the Year – Stacie Lea

Young Life Saver of the Year - Rahul Gurmukhani and Drew Walsh

Patrol of the Year – Patrol 4 – Captain Carl Williams and Vice-Captain James Webb, Toby Lea, Josh Lea, Alysha Watson, Kate Lea, Minnie Monkhouse, Zoe Corliss, Charlotte Loring, Mackinlay James Best, Jorja Williams and Natasha Waters

Helicopter Rescue Stanwell Park Beach (Royal National Park Fire Day)

On the 20th of January 2018 Patrol 5 was rostered on for a Saturday patrol there where 4 Patrol members on patrol (Myself, Karl Gibbs, Steven McDonald, and Peter McDonald). This day was during that heat wave that hit NSW which drove at least 2000 people to Stanwell Park Beach to cool off in the ocean which wasn't being completely friendly there was a massive shore break at least 6ft breaking in the flags and the flags were full there where so many people swimming between the them. The patrol was on a Saturday so as well as the 4 patrol members on patrol there where 3 WCC lifeguards on patrol.

Arriving at the beach we signed on and went down onto the beach said "Hey" to the WCC lifeguards that were on patrol then Karl and I thought that we were going to spend the rest of the patrol getting hammered in the shore break. After about an hour of being in the surf I turned around and saw what I thought was smoke up on the escarpment, I turn to Karl and say, "Hey mate is that smoke or is that a cloud" and Karl said that he thought it was a cloud, probably another 30 minutes after that the smoke from the fire had made its way around Bald hill and was clearly smoke. Also, the RFS Water Bomber had started doing laps into the national park. We had been in the water for ages and were quite thirsty so got out of the surf and walked up to the club for a drink. We met up with Karl's Dad who said that we had been put on emergency standby because there were people stuck in the national park and they only way they would be able to get out would be by water and Stanwell Park is the closest beach, so we were told to get ready for IRB's and RWC's. Karl and I grabbed our patrol hats put them on and went down on to the beach to help set up an area for the IRB and RWC's to land and bring people in from the water. When we were put on standby dad sent out an emergency call out to everyone and asked if anyone was available and could help with the mass evacuation of the National Park we got a turn up of an extra 15 people (Carl Williams, Karl Weber, Stephen Pearce, Geoff Ryder, Luke and Drew Walsh, Barry and Emilie McGuinness, Max Walker, Cameron Gibbs, Natalie Manley, Stephen "Bucket" Scullion, Mike Malherbe, Matt Webber, and Harley Dreghorn).

In the process of this the club had been notified by a member of the public that he had fallen on the rocks and couldn't move, since technically our patrol had finished the lifeguards that were on patrol said that they will take care of the person on the rocks, 2 of the 3 lifeguards went up to the north end of the beach on their RWC leaving 1 life guard in the flags so dad sent Karl and I to watch the flags. As we got to the flags the lifeguard left the flags and was pulling resus gear out of the ute and I asked if he needed any help, and he turned to us and said, "yeah could you two grab these and take them up to the north end.", I grabbed the Oxy-Viva and put it on my back and Karl grabbed the two first aid kits and we ran up to the north end. As we got to the north end the life guards had already got to the patient, so we started to head over to them over the rocks and as we got about half way to them 1 of the lifeguards saw us and came over and took the Oxy-Viva. I asked if he wanted us to help until the paramedics got here and he said no he didn't want us getting any closer, so we headed back on to the sandy area off the rocks and waited for the paramedics to arrive. In that time our mate Max walker had got up to the north end and we hung out there for a bit then after about 10 minutes Dad turned up with a radio and gave it to me because I had done my radio training during the holidays and knew

what to say if we needed to use the radio. 15 minutes later the paramedics arrived, and I saw them walking up the beach, so I ran over to them and told them what I knew and where the patient was. 1 of the paramedics asked if anyone had a radio and I said that I did, and they told me to radio back to the club house and tell them to take some cones up in to the park and set up a landing area for the Toll helicopter to land which to me is very cool. Max and Karl were told to go and help secure the landing area and I was left to wait up at the north end.

During the entire time I was up there, there were groups of people walking up there and starting to climb over the rocks so I walked over and asked what they were doing they said they were planning on walking around the rocks because apparently there is a beach around the corner a little bit I said "I'm sorry but you can't walk around there at the moment we have a situation going on, on the rocks and the Life guards told me not to let anyone walk on the rocks." the people did listen and they walked back to the main part of the beach. Quite some time had passed by the time the helicopter had turned up and as soon as the helicopter flew over and it flew over very low, most of the people on the beach followed it up to the north end to where 2 life savers had set up, so no one would walk down and get in the way. From what I could make out the 2 life savers standing there were Dad and Stephen Pearce, this made me feel special because there was a massive crowd behind them and I was the only person standing down there and when the helicopter flew over I was nearly blown over by the wind coming off it, it was that powerful. The Helicopter dropped off another 2 paramedics and flew over and landed in the park where the landing area had been set up. I stayed up at the North end until the helicopter had picked up the patient and had flew off.

I was under the impression that the evacuation was still on, so I started walking over to where we set up for the IRB's and the RWC but thankfully that had been called off, so we packed up what we had got out, a few of us stayed back for a bit and had a drink. Watching the news, we found out that it had been a busy day, it was also the day of the light plane crash in the Hawkesbury river.

At the end of the day I think everyone needed a sleep.

This is what I experienced on the busiest and most hectic Patrol day I have ever been on.

Report by Lachlan McDonald on the helicopter rescue on 20 January 2018.

Patrol Members involved in the rescue on 20 Jan

Education and Training

Chief Training Officer's Report

This year was a bit harder than normal as we lost Peter Turner to the Sunshine Coast (Qld) and Klaus Liss to China (work). Peter & Klaus have been major contributors to our Education Team for a number of years and they were missed. Lucky we had the expertise and knowledge of Mr Mac (Peter McDonald), Geoff Ryder and Ralph Hall to continue the high standard of training and assessing. Helensburgh – Stanwell Park Surf Club is fortunate to have such members who can assist with the training and assessing of our members enhancing the skills of our patrolling members. **We would like to see some new members join our Education team next season.**

The team this season consisted of Bobo White (Chief Trainer), Ralph Hall, Natalie Manley, Peter McDonald, and Geoff Ryder.

The Association is always placing additional burdens on our Education members to ensure their qualifications are current. I would like to thank our Education team for satisfying these extra demands which is in addition to their actual training and assessing of the candidates for their awards.

As in previous seasons we utilised our Patrol Captains and expert patrol members to assist in ensuring our patrol members have maintain all their existing skills (eg water rescues, resuscitation, IRB operations etc). Thank you – Steph & Barry McGuinness, Karl Weber, Ed White, Nick Lowe, Carl Williams, Steve McDonald, Anthony Rooskie, Anthony Ashley, Ralph Hall and Matt Webber. The more we can get our patrol members in the water the better.

Awards

The Education team had to commit to many weeks for the Bronze Medallion (BM) and Surf Rescue Certificate (SRC) training. The team commits to be at the beach every Sunday morning from the beginning of the season to at least mid-December (11 -13 weeks). The training for BM and SRC occurred on Sunday mornings before the Nippers started. Bobo White and his team trained the Bronze while Peter McDonald trained the SRC with minimal assistance. Well done Mr Mac.

Ralph Hall trained an ART (AID) squad in May. This training required 5 mid-week training sessions at the club house for 2-3 hours per session. Mike Malherbe assisted with the training and Peter MacDonald assisted with the assessing of the squad.

Under Natalie Manley's guidance the Junior Club successfully trained for many awards & completed the required proficiencies (another year of well over 200 successful candidates) – huge effort by the Junior section.

This season the IRB training was enhanced by Ash (Anthony Ashley) who is getting the club back into IRB

racing at carnivals. I expect next season to see an increase in IRB awards because of Ash's initiative. We have a number of our younger members who under the guidance of our most experience drivers have obtained the required IRB skills for awards. They just need to ensure they write the IRB training hours in the IRB log book. The new Drivers and Crewies need proof of the actual hours in the log book. I'm sure we can fix this next season. Well done everyone we are getting there.

An important factor for the Club was that ALL persons who started training successfully completed their award.

The Education team trained successfully the following awards:

- 30 Senior awards
- Surf Rescue Certificate (SRC) – 11 awards
- Bronze Medallion – 14 awards
- Advance Resuscitation Technique (AID) – 3 awards
- IRB Crewperson Certificate – 1 award
- Silver Medallion Beach Management – 1 award
- 140 Junior awards

Proficiencies

The proficiencies of our patrolling members were completed while performing their patrols. Anthony Ash ran a special day for IRB maintenance and skills. This season we utilised the e-learning skills maintenance courses in the "member's portal" which helped members keep up to date with their skills.

The dry components of the assessments (eg. resuscitation, questions, signals) can be done any day on patrol but the "Run-Swim-Run" and surf rescue has to wait for suitable surf conditions. Some of the proficiencies weren't fully completed until mid to late December. I would like to thank all the patrolling members for their understanding and assistance with the proficiencies.

Overall the system appears to be working well with the following proficiencies being completed:-

- SRC – 6 members
- BM – 88 members
- ART(AID)/ARTC – 65 members
- IRB Crew – 28 members
- SM IRB Drivers – 38 members

Natalie coordinated over 200 Junior evaluation proficiencies.

Education Team Highlights

- The Club had three education meetings during the season. These meetings are very important as some of our Assessors & Trainers can't attend the Branch's Education meetings because of family, work or other important commitments.
- The Club obtained 11 new SRC members and 14 new Bronze members. Thanks to all our trainers

Education and Training

and Assessors. Special thanks to Mr Mac for the SRC members.

- Junior Education – Natalie Manley showed great enthusiasm and dedication with the training and assessing of all the Junior awards. This is a major task and a big thank you goes to Natalie and her helpers.
- The Club's ART (AID) training this year was driven by Ralph Hall. Thank you to Peter McDonald and Mike Malherbe for assisting Ralph.
- The increase use of e-learning in members training for awards and proficiencies.
- The Education Team again fulfilled their aim to enhance all our patrol members' lifesaving skills

and ensure each patrol satisfies the Association's requirements.

- Thanks to Peter McDonald and Bobo White for the ongoing mentoring of our education team members to maintain our Club's excellent training and assessing standards and quality.

Once again I would like to thank the Club's executive and the whole education team for their continued support and efforts.

Bobo White
Chief Training Officer

SRC Report

This is something that I start every report off with each season, but it is something that I am proud of and more importantly something that I enjoy. I started training Surf Life Saving Certificates now the Surf Rescue Certificate, some 28 years ago when my daughter progressed from the Nippers, something I have never regretted for a number of reasons, the main one being the young members I have met along the way.

This season was no exception with 9 young adults, being 4 boys and 5 girls who all got along well. All showed great enthusiasm, all wanting to qualify so that they could wear the patrol uniform and perform patrols on the Stanwell Park beach. A great fun group, enthusiastic, and attentive, all loved the surf, and to see them attacking the surf on point score days setting an example to the younger ones was pleasing, making my biggest problem in the end was getting them out of the surf. Once again theory was not a great attraction but was made a bit of difference because of the introduction of "E-learning" which meant it was done on-line and had to be completed to receive a certificate, which also meant that they had to refer to their manuals for answers. Still quite amount of time was spent talking about local conditions, where to expect problem dangers, the north and south lagoons, rips, shore breaks and the rocks each end of the beach and lost children. I am now totally convinced that the introduction of the longer boards for point score and competition have given them the skills to take a rescue board out with confidence and return a patient back to the beach. Still the thrill of catching a wave on return to shore was most exhilarating, or actually making it back to shore was rewarding. Their ability was proven later when they performed water safety for the Nippers.

Most of the success of this group can be attributed to their Age Manager Peter Gallagher who through many years' of involvement in the surf club and with this group, understands and encourages youth and our

future life savers. The season culminated in a sleep over at the surf club following the Branch Championships.

Out of this group came the two Junior "Lifesavers of the Year" finalists for Illawarra being Ava Rushton and Jemma Gallagher, although both worthy winners of this prestigious award Ava was successful and both are great ambassadors for our club. Ava will now represent our club and Branch at a camp along with other Branch representatives in preparation for consideration for NSW Junior Lifesaver of the Year, we all wish her well no matter what the outcome.

To all those who assisted with this group, I thank you and especially to Bobo White, (Chief Training Educator) for his understanding of surf conditions faced by the group and realizing the future potential of these young lifesavers.

A message to the Parents.

"I understand that these young ones are growing up and need a bit of space, but I ask that you still associate yourselves with the surf club and participate in social events even dropping into the surf club on the occasional Sunday morning. You have done the hard yards over many seasons, socialized and been friendly, the club needs your support. Unfortunately this is the time when we lose a lot of our younger members, they have two seasons of patrols before they complete their Bronze Medallion and the encouragement that they had as Nippers is sometimes waning and they may need a kick along, please consider.

Finally to all, I wish them well in the future and encourage them to go on to do their Bronze Medallion and other awards. Community involvement looks very good on their resumes and there a lot of old lifesavers out there who employ these people. They are an asset to the club and a credit to their parents.

Regards
Peter McDonald
Training Officer

Financial support for member education and development was received from

- \$1,168 2508 Community - Lifesavers Appeal Day
- \$771 Member donations
- \$455 Patrons Anzac Day Two-up at Tradies Helensburgh
- \$320 Public donations

Thank you for your support

Junior Activities

This time of year signals the end of another exciting Nippers season. It is a time to celebrate and be proud of what the children have achieved.

It is very pleasing to see such strong numbers turn up to Nippers each week. The weather has been mostly kind, which allowed us to get through our weekly program. The children this year have been especially willing to enter the water and continue to build their surf skills. I am a firm believer that the lessons learnt in the Nippers program continue to benefit a child throughout their whole life.

A huge thank you to all those people that have assisted in the running of this years Nippers program. This includes beach managers, skills coaches and those that work tirelessly in the canteen, organise uniforms, calculate point score and cook the BBQ. Without you, Sunday Nippers would grind to a halt. Into this mix, I would like to add all those people that officiate for the club at carnivals. You make it possible for our kids to represent the club at carnivals and without you they may be denied this opportunity.

I take this chance to give the age managers and water safety personnel special recognition. Firstly the age managers, who make sure Sundays mornings run as smoothly as possible whilst contending with unknown variables of weather and surf conditions. Your efforts are greatly appreciated. Secondly to the water safety team that set out and supervise each weeks water events. Your expertise allows for the safe running of these water events and brings a huge level of reassurance having you down by the waters edge.

A massive thankyou to the members of the Junior Activities Committee. I appreciate your support and guidance. Special mention to Karen and Nat who have signalled their intentions to step away from the JAC this year. Nat has made significant contributions in establishing the Nippers education program and is an integral part of the JAC. Karen is a huge workhorse for the club and has been an integral part of organising Nippers for several years. I thank you for your efforts and wish you well on your future endeavours. To Todd and Karl, I have enjoyed working with you this year and the success of this season is a testament to your efforts.

There were many highlights for me this year. One would have to be the very strong turnout by our club at the Illawarra Branch Carnival. It was great to see so many keen faces competing for the club and doing so well in beach and water events. This day saw two of our U/14's be nominated for Junior Illawarra Lifesaver of the Year, Gemma Gallagher and Ava Rushton. Congratulations to both of you. Ava went onto to be announced as the Illawarra Junior lifesaver of the Year. An outstanding effort.

Ava Rushton receiving her Illawarra Junior Lifesaver of the Year Award

This season has been a really positive one for me, being awarded the Illawarra Junior Lifesaver of the Year. It was a massive honour to have been chosen and I was really proud to represent our club.

JLOTY's act as a face for our branch in junior lifesaving, and since being chosen I have engaged in multiple opportunities for both our branch and SLNSW. Some of these opportunities included taking part in a youth group within Surf Life Saving Illawarra, which focuses on giving the youth a voice within our branch and I continue to work with them along with Jemma Gallagher. Following that I attended a NSW camp for both JLOTY's and YOM's (Youth Opportunity Makers). This four day camp was held at the Collaroy Centre and was such an inspiring and fun week. I went with all the other JLOTY's chosen from 11 branches across NSW and met so many new people. I was introduced to so many new opportunities within SLS and was shown how many different careers you can make out of it.

I would like to continue doing work for our club and hope to stay as involved as possible. My next goal is to complete the Bronze Medallion course and then further enhance my skills as a lifesaver. I learnt so much and am so grateful to both the club, the Illawarra branch and SLS NSW for the opportunity of being Junior Lifesaver of the year and for all the experiences that has come with it.

Ava Rushton

A big thank you to all the parent helpers in the club. Without your help on the beach, in the canteen and on the BBQ, Sundays would not run as smoothly. I take this opportunity to invite all parents to become more involved in the surf club. Thank you to the patrol members and Seniors that have assisted in Sunday activities.

Lastly, I would like to congratulate all the children on their attitude and efforts throughout the season. To the U/14 nippers and their families, congratulation on what you have achieved and remember you are always welcomed in and around the club. To everyone else, I look forward to seeing you in the 2018/19 season.

State Medalists:

GOLD MEDALIST: U13 Female Beach Relay – Madison Agnew, Abby Bailey, Mia Corliss & Sabina Rogers

SILVER MEDALIST: U13 Female Beach Flags – Sabina Rogers

SILVER MEDALIST: U13 Female Beach Sprint – Sabina Rogers

Finance

Treasurers Report

The 2017-18 season ended with a small deficit (\$1,442) after factoring in depreciation expenses.

Highlights:

- \$34,700 received from donations and fundraising.
- \$18,858 from Government grants, an increase of \$9,485 compared to the previous year.
- \$12,866 was expended on asset replacement including a new IRB motor, set of 4 surf boat oars, 2 digital handheld radios, Oxy-resus kit, replacement television and sound system.

Whole-of-Club Results

Total income - \$128,337 (\$29,894 less than 2016-17).

Expenditure - \$129,779 (\$3,080 less than 2016-17).

Financial Position

Cash at bank at 31.03.2018 was \$76,902. After deducting funds accrued for committed payments in 2018-19, net cash was \$23,686.

Accrued amounts include \$21,875 Building Funds, \$8,300 final payment for new IRB, \$10,008 for unspent donations and grants, \$6,996 membership levies, and \$6,036 for other accrued amounts.

At 31.03.2018, the Club was not in debt to any supplier (other than within 30 days trading terms). As at 30.06.2018, this statement was still valid

Financial Management

MYOB accounting software continued to be used to manage Club accounts. Reports showing individual payments, a summary of income received, and performance against budget were generated and tabled at monthly committee meetings.

Almost all accounts were paid by EFT, with some food and beverage purchases paid by Club credit card. Direct debit arrangements have been entered into with regular suppliers such as Telstra, AGL Energy, BOC, Supagas and MYOB.

Donations and Government Grants

Thanks to our major donors and supporters: \$5,871 from Surf Life Saving NSW Lotteries, \$3,000 from CFMEU Helensburgh Lodge (Metropolitan Colliery), 2508 community on Appeal Day \$1,168, and Ron and Christine Kissell for their annual \$1,000 donation.

Thanks also to Westfund Limited for a \$10,000 donation, and Peabody Energy (Metropolitan Colliery), a \$5,000 donation, both to be used towards the purchase of a new surf boat in 2018-19 year.

Additional information about donations and fundraising is recorded elsewhere in the Annual Report and is also accessible on the Club's website.

Government grants: \$10,000 from the Australian Government and \$1,995 from the NSW Government for beach safety equipment, \$3,120 from the NSW Government for pink safety vests for Junior Activity members, and the annual patrol services grant of \$2,655 from Wollongong City Council.

A grant of \$62,875 from the NSW Government Surf Club Facilities fund has also been approved for acoustic treatment of the Club building and will be paid as the work progresses. The Club is required to contribute towards the cost and \$21,875 has been set aside from the Building Fund.

Explanatory Notes

The financial year under review is from 01.04.2017 to 31.03.2018.

All income and expenditure recorded in the Financial Statements and throughout this Annual Report, is shown as net amounts exclusive of GST collected, or GST paid, where applicable.

Income and Expenditure Statements for Club/senior activities, Junior Activities, Winter Swimming and the Building Fund are included in the Financial Statements.

Club/senior section

This includes all income and expenditure except that specifically associated with Junior Activities and winter swimming.

Without factoring in depreciation, a surplus of \$4,211 was recorded.

Both income and expenditure were approximately \$22,000 less than in 2016-17, partly the result of a reduction of \$29,300 in donations and fundraising income. Donations income this year reduced from \$42,557 to \$22,125 whilst fundraising income was \$7,000 less with the ocean swim not run in 2017.

\$12,866 was expended on asset replacements including an IRB motor and a set of 4 surf boat oars.

The boat section continued their fund raising activities this year raising \$5,400 from a Trivia Night and raffles; this fundraising and a personal donation from Boat Captain Ed White have assisted in minimising expenditure from general Club funds.

Thanks to Will Canavan for providing space at his Helensburgh property for storage of two surf boats (stored in shipping containers), and the gear trailer.

The bar was open for trading on Sundays for winter swimming activities, and on various Sundays during the summer months after point score. Friday BBQ and drinks were run once a month from October to March with local residents joining Club members for a social evening.

The net bar surplus was \$6,590, with 50% of this transferred to the Building Fund.

Saleable stock (bar and clothing stock) at 31.03.2018 was valued at \$3,574. Selling price of history books was reduced during the year from \$50 to \$30, and book stocks were valued at a written down amount of \$2,536.

Junior Activities

A surplus of \$4,021 was recorded.

A grant of \$3,120 from NSW Government Office of Sport together with a donation of \$5,000 from Tradies Helensburgh, enabled all Junior members to be provided with vests and uniform clothing this year.

\$3,347 was paid for Junior members to participate in inter-club carnivals, with these expenses again reimbursed back to the Club – thank you to parents for your support in this regard.

\$1,437 was raised from the annual Christmas raffle, whilst \$2,908 was raised from refreshment sales on Sunday mornings.

Clothing stock on hand at 31.03.2018 was valued at \$8,158.

Winter Swimming

A surplus of \$1,629 was recorded.

Fund raising income totalled \$3,304, much of this being donations and contributions by members of the Sea Eels. A donation of \$1,000 was again made to the Cram House Foundation.

Clothing stock on hand at 31.03.2018 was valued at \$1,780.

Building Fund

At year end the Building Fund balance was \$159,404.

\$6,393 was added during 2017-18, viz \$1,943 bank interest, \$3,295 half profit from bar sales, and \$1,155 repayment of the loan for printing of the Club history book.

Building Funds are invested in two Term Deposits totalling \$137,529, and \$21,875 is held in the Operating Account in preparation for payment of the Club's contribution towards the Club building acoustic treatment project.

Membership fees

Income from membership fees is primarily allocated towards payment of affiliation expenses and membership levies to Surf Life Saving NSW and Surf Life Saving Illawarra, insurance and general administrative expenses to run the Club, and building utility charges.

The current fees of \$52 per member cover these expenses and no increase in fees is proposed at this time.

Appreciation

Thanks to Todd Andrew, Junior Activities Treasurer and parents of Junior members who assisted with collecting and receipting of income during the year.

Thanks also to Terry Wood who again filled the role of Sea Eels Treasurer and managed all payments and banking associated with winter swimming activities.

A special thanks to Kevin and Leisa Thomson for managing the bar and keeping it well stocked with a good range of products, and returning a healthy profit to the Club, and an activity that continues to generate income for the Club.

Harley Dreghorn

Treasurer

Competition

Boat Captains Report

GOLD, GOLD, GOLD to the fundraising efforts of the Stanny Rowers this season! As the sun was setting on season 2017-18, a new sponsorship was announced with WestFund Health Insurance. The sponsorship was announced in an effort to support the club to purchase a new surfboat for the 2018-19 season. WestFund are a not for Profit regional Health Insurer starting out in Bathurst in the mining community out there. Being from like minded not for profit organisations looking to promote healthy lifestyles and having a history deeply rooted into our respective communities, we see this as a perfect fit for the club. If you are reviewing your Health Insurance needs at this time, be sure to include WestFund in your calculations and be sure to mention that you are a Helensburgh-Stanwell Park club member in your correspondence.

The WestFund sponsorship would not have been possible without the efforts of U23 female rower Monique Lehane putting in the hard yards by organising a trivia night. The night itself brought in approximately \$4000 in much needed funds though the clincher was an offhand shout out to anyone present who could possibly give us some sponsorship leads. A non member and friend of bar managers Kev and Leisa Thomson heeded the call. Ben Thompson came forward with the WestFund opportunity, facilitating the initial contact and guided us through our sponsorship proposal documentation leaving Dave Anger to close the deal. Earlier in the season, Luke Walsh had gone about approaching the minors union down metropolitan coal for sponsorship of a new set of croker oars. Luke was successful in his efforts with the club now having purchased 2 sets of oars in 2 seasons after Chris Reilly secured sponsorship for a set JAC oars. The past 2 seasons fundraising efforts have been enormous with the most pleasing aspect being they have been organic. Every dollar earned has been from the collective effort of the parents of our rowers and more significantly they rowers themselves. Take a bow, it truly has been a superhuman effort.

On the water results were mixed. The season started out with 5 crews, 2 u19 male crews, u19 female crew, an u23 female, and finally a reserve mens crew. Training started early September, a little later than previous seasons and the crews hit it with the enthusiasm required to get a good start to the 2017-18 campaign. Things seemed to be going swimmingly with the 2 u19 male crews pushing each other and the u23 girls putting on an exhibition of surf experience for the other younger crews to imitate. The u19 female crew started slow but were starting to get in some sessions and filling in for the u23 girls when required. Reggie boys were a bit hit and miss for training early on but managed to hit up most of the early carnivals.

After Christmas, it became evident that the wheels were falling off some crews. A combination of work

commitments, family commitments, extended travel plans, lack of transport, lack of commitment, and poor attitude began to seep its way into the boatie section. The result being only 2 crews progressed through to the remainder of the championship carnivals. The Weapons u19 male, the Stanwell Park Benches reggies crew, and the u19f crew finished up just after Christmas leaving the Pasties u19m crew and the snack packs u23 female crew to continue on with the rest of the season. For the crews that finished up just after Christmas, if we work on our commitment and make a few changes to our approach, we are more than happy to have you back in the boat for next season.

The Pasties and Snack Packs really stepped it up in January putting in some solid sessions. Wherever possible we trained at the same time and venue and tried to race each other as much as possible. This gave the young blokes a chance to be consistently under pressure in race conditions whilst the girls had to work hard perfecting their surf skills against a stronger less experienced crew. Close racing ensued leaving both crews in much better position going into the championship months.

February saw the Pasties prove to themselves that they can mix it with the best crews in Australia making the top 8 at the ASRL open which is second only to the Aussies for prestige. Plenty of good rowing with a bit of luck mixed in saw them compete well into the Sunday in rather large surf. Their luck ran out in the semi when one stood up on the outer bank producing a spectacular backshoot and ensuring their spot on the highlights reel for many a year come.

The girls best came at state narrowly missing out on progressing deeper into the competition but a fantastic row none the less. Again surf played a major part in the State championships with a heavily modified schedule and harsh cuts. The boys rowed well but self preservation saw them miss out in their 2 races after being in position to qualify for the Sunday.

The final carnival of the season saw the girls take on the notorious shoredump at Aussies at Scarborough WA. They were chewed up and spat out by the shoredump in their first race receiving no points for the round robin race. A second place in the second race and a solid race in the third showed great spirit to come back from the bad start but unfortunately there were too many points to overcome and girls missed the cut.

Overall a solid season by the boaties. Thanks to Nick Lowe, Kieran Beaumont and Aaron Abela for helping with the training, cheers to the parents for their support and lastly thank you to the rowers. Hope to be seeing you all in the boat again soon.

Cheers

Ed White

Boat Captain

Developing member skills & teamwork through competition was supported by:

- \$3,000 CFMEU, Helensburgh Lodge at Metropolitan Colliery
- \$2,610 Member donation
- \$2,415 Trivia Night
- \$1,850 Raffles income
- \$532 Chocolate fundraising sales

Thank you for your support

Winter swimming

The Sea Eels commenced our 29th winter swimming season on Sunday 30 April 2017. We had had a few unusual off-season events:

- Ralph Hall had been asked to look definitively at the issue of Public Indemnity insurance for all members of the Stanwell Park Sea Eels Winter Swimming Club.
- After many years of pleading with Wollongong City Council, and staving off rapacious dark forces who would steal the legacy left by our founder, the late Phil Anger, the WCC finally gave in to reason and threatened closure of the Coalcliff Pool, whilst it conducted long-overdue upgrades to the pool, its surrounds and amenities. This meant that we would have almost no notice of when or how long our home pool would be closed. We discussed alternatives and it was suggested Wombarra Pool because its width as well as its depth had been measured. It was not too shallow as had been previously suggested.
- Whilst on an educational wine tour of country Victoria with his darling bride, our President had a near-death experience that forced him to spend some extended time in the tender mercies of the Victorian Health Service; we were sure of the date of his return home.

As this was an unusual set of circumstances, the Vice-President, Anne Marie Connolly, held a partial AGM, wherein all the previous committee were re-elected. We deferred decisions around membership fees and the possible relocation of our weekly swims until the return of our President.

The following week our pool at Coalcliff was indeed closed for the remainder of the winter season, and we scoped out alternatives. We settled on Wombarra Pool as it was unused by any other winter swimming club, it was reasonably close to home and it was 25 metres across the pool, making a return journey the regulation 50 metre swim. It also had showers and was large enough to host visitors.

An Extra-ordinary General Meeting was held on 21 May 2017 to discuss memberships and insurance issues. It was discussed by Ralph Hall that there were xx Winter Swimming Clubs in New South Wales, mostly stand-alone clubs with their own insurance. There were only three out of 27 clubs as sub-committees of registered Surf Life Saving Clubs. It was proposed, and after much deliberation, accepted that, to be covered by public indemnity insurance, all Stanwell Park Sea Eels members must belong to Helensburgh-Stanwell Park SLSC to be covered by Surf Lifesaving NSW's insurance. Those members who are not full or affiliated members already, will have to pay affiliation fee, currently \$15.00 to be covered by the parent club's insurance. The added bonus is that, in so doing, all members of Stanwell Park

Sea Eels will be covered for visits to other clubs, such as Bulli Sea Lions, as well as the Sea Eels not having to pay \$600 plus annually for insurance for the South Coast Winter Swimming Championships.

On 28 May 2017, we hosted our sister club the Bulli Sea Lions for our annual get-together. It was beautiful sunny weather, but the sea was huge, the pool was lashed by fierce southerly squalls, and the Vice President was all but swept away by the swirling tide, until saved manfully by Klaus Liss. The Jimmy Johns Trophy was conducted in an unashamedly biased fashion. True to form, there was yet another rule that we had overlooked which ensured that Bulli retained the trophy. A wonderful lunch, for which our members are noted, ensured that the Sea Lions hopped back on their bus substantially lubricated and well-fed. It was a good day indoors with lovely people and we look forward to visiting their club next time.

Sydney South Metropolitan Winter Swimming Championships

Another faultless day where all our members were welcome to swim, both as individuals and as members of a relay team. Iconic venue, sensational program and legendary hospitality has made this a highpoint of our calendar which bonds our club members together. It's just so great to all get to go together to a competition that is inclusive. It also helps that our club backs our attendance and it is a family day out for the whole club, regardless of gender or age.

Eternal thanks to our friends at the Cronulla Polar Bears for including our club initially, which seems to have consolidated into a recurrent invitation. We hope our inclusion might translate into a permanent inclusion.

South Coast Winter Swimming Championships

The South Coast WSC Championships were held on 16 July 2017. See their website for information about the day.

For those not at liberty to partake in the SCWSA Championships, namely all our female members, and for their male sympathisers, a quiet swim was held at Wombarra pool, followed by Chicken Laksa, buttered baguettes and boiled jacket potatoes at the Stanwell Park surf club.

CRAM House Day at The Helensburgh Tradies Club

Sunday 13 August was another high-point in the year's activities. We had about 48 guests this time, which stretched our resources somewhat. This year, it was a "Treasures under the Sea" theme from the ladies to get the Cram House clients and staff as well as the Sea Eels to dress-up for the event. Thank you especially to Binner's Farm and Christian's Family Meats. Extra-special acknowledgement to the Helensburgh Tradies' Club

management for their support and to the Sea Eels members and families who donated to help others throughout the season. It was a great day particularly for the CRAM house clients and their carers who always seem to enjoy their day out.

Club Championship and Presentation Day

Sunday 27 August 2017 saw the conclusion of our 29th season, when the Championships and Presentation were held. xx won the prestigious John Stacpoole Cup and the other winners are on the attached page.

Congratulations to all those award-winners as well as all the contenders. Another busy season and many thanks to all those who helped out to make it a memorable day.

At the Club Championships there would have been four contenders with 100% attendance for the most coveted award, the "Slippery Eel". Unfortunately for them, the Marshall family had a weekend away and "Brains" Van Zyl had to swim with the pretender, Damo Lloyd, who falsified his eligibility for contention. Congratulations to Brains for winning the Slippery Eel, yet again.

The Stan McCabe Cup for Club Person of the Year was awarded to xx for efforts beyond her years, always trying, her ever-present joy and eagerness to help. She was an inspiration to all the Sea Eels.

Winter Swimming Association of Australia Championships

The Sea Eels were represented by a fine body of men and women at the WSAA Championships at the Southport Pool in the lead-up to the Gold Coast Commonwealth Games in early 2018, on Sunday 10 September 2017.

Christmas Drinks

We finished the season off with Christmas Drinks at the home of El Capitano, Pirate Pete and the fair Sandra. The food was plentiful and very tasty, the company was friendly and fun and a good time was had by all. Another memorable if overcast day to finish off a memorable season.

Patrons and Supporters

The Sea Eels are grateful for donations at our annual support for CRAM House Day from Helensburgh Butchery, Binner's Farm. Special thanks for all the wonderful support from the staff and management of the Helensburgh Tradies Club and to the Helensburgh Hot Bread Shop for their weekly support.

Extra special thanks as ever to Marg and Peter Hunt for donating the weekly raffles.

About Helensburgh – Stanwell Park Surf Life Saving Club Inc

Registered address: Post Office Box 111, Helensburgh NSW 2508
Principal place of business: Stanwell Park Surf Club, Beach Road, Stanwell Park NSW 2508
Principal business: Voluntary aquatic rescue service.
Australian Business Number: 92 267 821 862

Helensburgh-Stanwell Park Surf Life Saving Club Inc has been an incorporated association since 3rd April 1995, Incorporation No. Y2151644. The Club operates as an incorporated association under the provisions of the *Associations Incorporation Act (NSW) 2009*.

Through affiliation with Surf Life Saving NSW Inc, the Club is able to conduct charitable fundraising activities in NSW in accordance with the provisions of the *Charitable Fundraising Act (NSW) 1991*. Surf Life Saving NSW Inc holds Licence No 11033, valid until 6 May 2019, with the Club listed on the Licence as a “branch”.

The Club has been registered for GST with the Australian Tax Office since 1 July 2000.

The Club has been endorsed by the Australian Tax Office to access the following tax concessions:

- Income Tax Exemption from 1 July 2000 under Sub-Division 50-B of the *Income Tax Assessment Act 1997*
- GST concessions from 1 July 2005 under Division 176 of *A New Tax System (Goods and Services Tax) Act 1999*
- FBT Exemption from 1 July 2005 under Section 123C of the *Fringe Benefits Tax Assessment Act 1986*

The Club has been endorsed since 1 July 2000 as a Deductible Gift Recipient under the provisions of Sub-Division 30-B of the *Income Tax Assessment Act 1997*.

The Club is registered with the Australian Charities and Not-for-Profits Commission, with notification of registration being received on 29 January 2013.

The Stanwell Park Surf Club premises are vested in Wollongong City Council. Other than Council lifeguards whilst on duty, Helensburgh-Stanwell Park Surf Life Saving Club is the sole occupier of the building with the consent of Council.

Harley Dreghorn, Public Officer 22 June 2018

Statement by the Club Executive:

At the date of this report, the Club Executive is not aware of any matters that may have a detrimental impact on the operation of the Club, or prevent or impede the Club in fulfilling its objectives in the coming year.

Signed for and on behalf of the Club Executive

Steven McDonald
President

Governance and Club Management

The Club is an Incorporated Association established under the provisions of the *Associations Incorporations Act* (NSW) 2009.

The Club Constitution (Rules, By Laws and Regulations) dated 30.09.2009 was reviewed during 2017, and a revised Constitution and By-Laws which meet the updated requirements of the *Associations Incorporations Act* was approved by members at the 2017 Annual General Meeting.

Executive Committee

With introduction of the revised Constitution, the Club's affairs are now controlled by the Executive Committee of eight elected officers. Sub-committees including the Lifesaving Committee, Education Committee, Junior Activities Committee, Surf Sports Committee, Winter Swim Committee report to the Executive Committee.

Special General Meetings

A Special General Meeting to elect the Junior Activities Committee and officers for the 2018-19 season was held on 08.04.2018.

Junior Activities Committee

The Junior Activities Committee dealt with day-to-day matters autonomously and held regular meetings during 2017-18 year.

Stanwell Park Sea Eels

Stanwell Park Sea Eels sub-committee dealt with day-to-day matters autonomously and convened meetings as required.

The Sea Eels sub-committee for 2018-19 was elected at a meeting of Club members on 30 April 2018.

Objects of the Club

The Objects of the Club (amended as part of updating the Club Constitution) are to:

- (a) Provide for the conduct, encouragement, promotion and administration of surf lifesaving;
- (b) Participate as a Member of Surf Life Saving Illawarra, Surf Life Saving New South Wales and Surf Life Saving Australia through and by which surf lifesaving and the preservation of life in the aquatic environment can be conducted,

encouraged, promoted, advanced and administered;

- (c) At all times act on behalf of and in the interest of the Members and surf lifesaving;
- (d) Affiliate with and otherwise liaise with SLSI, SLSNSW and SLSA in the pursuit of these Objects and surf lifesaving;
- (e) Promote the involvement and influence of surf lifesaving standards, techniques, awards and education with bodies involved in lifesaving;
- (f) Prepare junior members for admittance as surf lifesavers;
- (g) Promote competition at Club and inter-club level for junior and senior members;
- (h) Review and/or determine any matters relating to surf lifesaving which may arise, or be referred to it, by any Member;
- (i) Pursue through itself or other such commercial arrangements (which are not in conflict with other SLS bodies), including sponsorship and marketing opportunities as are appropriate to further the interests of surf lifesaving;
- (j) Represent the interests of its Members and of surf lifesaving generally in any appropriate forum;
- (k) Have regard to the public interest in its operations;
- (l) Undertake and/or do all such things or activities which are necessary, incidental or conducive to the advancement of these Objects.

Affiliation with SLSA

Members at the Annual General Meeting on 23 July 2017 resolved to apply for continuing affiliation with Surf Life Saving Australia for the 2018-19 year with a formal application submitted on 2 September 2017.

Audit of Accounts 2017-18

The Financial Statements for the 12 months ended 31.03.2018 were approved and signed-off at the Executive Committee meeting on 22.05.2018, following completion of the audit by Paul Mattock of Evolve Small Business Accounting. The Financial Statements and Auditors Report are reprinted towards the end of this Annual Report.

Statutory and other Obligations

Financial Reporting 2016-17 year

The Financial Statements for year ending 31.03.2017 including Auditors Report, were published in the 2016-17 Annual Report.

The Club is obligated by Commonwealth and State legislation to submit details of its financial activities to the NSW Fair Trading Office and the Australian Charities and Not-for-Profits Commission (ACNC).

NSW Fair Trading – report form completed and lodged 01.08.2017

ACNC – on-line submission of the Annual Information Statement was completed on 09.07.2018. The audited 2016-17 Financial Statements were also submitted, and become public documents accessible by visiting the ACNC website.

Note: ACNC regards the Club's financial year ending 31.03.2017 as falling in their 2017 year, this being the reason for the perceived delay in submitting Annual Information Statements to ACNC.

Charitable Fundraising

As required by the *Charitable Fundraising Act 1991*, the Club is required to submit an audited Financial Report covering its operations each year, together with a signed declaration of compliance with the Act.

This obligation is met by forwarding a copy of the audited Financial Statements to Surf Life Saving NSW, which holds the 'Authority to Fundraise' on behalf of all NSW surf clubs. The Financial Statements for 2017-18 were submitted on 14.09.2017.

GST reporting

Business Activity Statements were submitted to the Australian Taxation Office at the end of each quarter, the last Statement being submitted on 01.04.2018.

Working with Children Checks

The Club Executive has continued to pursue with individual Club Officers and members who have some association as part of their surf club activities with children under the age of 18 years, and obtain an appropriate clearance under the *Child Protection (Working with Children) Act 2012*, and *Child Protection (Working with Children) Regulation, 2013*.

SLSA Member Protection Policy

In addition to WWCC, members are required to complete a Member Protection Declaration form when they join a surf life saving club.

Insurance

Surf Life Saving Australia has arranged insurance coverage for all surf life saving clubs and entities covering public liability and property loss and damage through brokers Jardine Lloyd Thompson Pty Ltd. Each club is responsible for finalising its own coverage requirements and payment of premium direct to the broker.

The policy includes Public Liability Insurance to the amount of \$20 million, with the Certificate of Currency valid to 07.10.2018.

Insurance policies are current to 01.10.2017 for loss or damage by theft, fire, storm, etc of all Club equipment, motor vehicle insurance for the ATV, boat trailers and board trailer, as well as Directors and Officers Insurance.

Members continue to be covered for medical expenses incurred as a result of an injury whilst involved in an approved surf club activity through the NSW government scheme for volunteer workers. Members who become incapacitated and unfit for work as a result of an injury, are also re-imbursed for loss of wages for a limited period.

Environmental management

Refuelling of IRBs and the ATV within the boat shed and paved outdoor area is the main environmental risk during Club activities. Similar to previous years, the risk continued to be mitigated by the availability of a spill kit located in the boat shed, and briefing of IRB crews and patrol members on their duty of care when refuelling.

Liquor Licence

The Club continues to hold an On-Premises Liquor Licence for Stanwell Park Surf Club (LIQO 660031060). Michael Dent resigned as Manager of the Licence, and OLGR approved Harley Dregghorn being appointed as Manager from as from 06.09.2017.

No incidents relating to the Liquor Licence were recorded during the year.

Motor Vehicle Registration

Motor vehicle registration is current for two surf boat trailers, and the gear trailer and ATV.

Membership overview

Total membership was 442 compared to 422 in 2016-17 year – refer Membership statistics elsewhere in this report.

Representation at Branch, State and Australian level

The following members were involved in surf life saving activities at Branch, State or Australian level

- Steve McDonald: as Club President was a member of Surf Life Saving Illawarra Branch Council
- Mark Thompson, Jeff Lucke, Bobo White, Andrew Bell and Carl Williams were appointed Competition

Officials at various local, Branch, State and SLSA carnivals.

Communicating with Members

Communication with members was managed through the website, Facebook, and regular email and SMS messages through SurfGuard.

Notification of the Annual General Meeting and the election of officers, and membership renewal was posted to members residing outside the 2508 postcode area, and hand delivered (courtesy of Sea Eels members) to members living in Helensburgh, Stanwell Park, Stanwell Tops and Otford.

Club Building

As reported in the 2016-17 Annual Report a grant of \$62,875 has been received from the NSW Government (Office of Sport) through the Surf Club Facility Grant Program to improve acoustics in the Club building. The Club is required to contribute \$21,875; this will be funded from the Building Fund.

To date the Club has received a report on recommended treatment from an acoustics consultant, and a design concept plan for the work. Final plans are currently being finalised and it is expected work will be completed prior to the end of 2018.

Wollongong City Council has advised the Club and other Illawarra clubs, of the need to enter into a lease agreement for continued occupation of the Club building. A draft lease agreement is currently being reviewed by the Club Executive.

Asset Register

A summary list of Club assets is included at the end of this report. Detailed information about the more significant assets including IRBs, ATV, surf boats, and lifesaving equipment is also contained in the SLSA Surfguard database.

Asset Register

Assets acquired between 01.04.2017 and 31.03.2018: IRB motor with prop guard; set of 4 timber surf boat oars; cash register and scanning device; 2 Hytera portable digital radios; oxy-rescus kit; 40" television.

Redundant items disposed of: Commander ATV (decommissioned 2016-17 and sold 2017-18); two IRB motors (decommissioned 2016-17 and disposed of 2017-18); 40" television; disco lighting set.

A summary of assets as at 31.03.2018 follows:

Notes to the Financial Statements

Helensburgh-Stanwell Park Surf Life Saving Club Incorporated is an association incorporated in NSW under the *Associations Incorporation Act (NSW) 2009*.

This Financial Report covers all operations and activities of the Association including sub-groups, as an individual entity.

1 Basis of Preparation

The Financial Report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board, and to meet the requirements of the *Associations Incorporation Act (NSW) 2009*, and the *Charitable Fundraising Act (NSW) 1991* and Regulations under those Acts.

The Financial Report has been prepared on an accruals basis and is based on historical costs, modified where applicable by the measurement at fair value of selected non-current assets, financial assets, and financial liabilities.

Income Tax

The Association is exempt from Income Tax under Division 51, Section 50-10 of the *Income Tax Assessment Act, 1997*.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property, Plant and Equipment

The Association does not own any real property.

Each class of property, plant and equipment valued at more than \$1,000 at the date of this report, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

2 Financial Instruments

Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office.

GST recoverable (\$935) from the Australian Tax Office for period 1 January 2018 to 31 March 2018 is included in the accounts as a Sundry Debtor.

Comparative Figures

This report is for the 12 month period commencing 1 April 2017 and ending 31 March 2018, with comparative figures for the 12 months ended 31 March 2017.

Financial Report for the 12 months ended 31.03.2018

17 Financial Risk Management

The Association's financial instruments consist primarily of deposits with banks, including short term investments, and accounts receivable and payable.

The Association does not have any derivative instruments at 31.03.2018.

18 Association Details

The principal place of business of the Association is: Stanwell Park Surf Club, Lot 20 Stanwell Avenue, Stanwell Park, NSW 2508, located at the eastern end of Beach Road, Stanwell Park.

19 Segment Reporting

The Association provides services to the community in regard to surf life saving for the Stanwell Park district.

20 Information and declarations to be furnished as required by the *Charitable Fundraising Act (NSW) 1991*

(a) Fund raising activities

The Association is affiliated with Surf Life Saving New South Wales, along with all other surf life saving clubs in NSW. Surf Life Saving NSW holds Authority to Fundraise Licence No 11033 valid to 6 May 2019, and the Association is one of the affiliated surf life saving clubs listed on the Licence as a Branch of the Licence holder.

The following appeals were conducted by the Association:

- Raffles, fund raising events and public appeals (street collection).
- An on-going appeal for donations through the "Give Now" website operated by Our Community Pty Ltd (ABN 24 094 608 705) from 29.11.2016.

Financial Statements

22 Declaration furnished under the *Charitable Fundraising Act, 1991*.

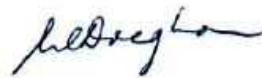

This declaration is made in accordance with Authority Conditions 7(4) and 7(5) issued by the Minister under Section 19 of the *Charitable Fundraising Act, 1991*

We, Steven McDonald, President, and Harley Dreghorn, Treasurer of Helensburgh-Stanwell Park Surf Life Saving Club Inc declare that in our opinion:

- (a) the accounts give a true and fair view of the state of affairs of Helensburgh-Stanwell Park Surf Life Saving Club Inc with respect to fundraising appeals, and
- (b) the Balance Sheet gives a true and fair view of the state of affairs of the Club with respect to fundraising appeals, and
- (c) the provisions of the *Charitable Fundraising Act, 1991*, the Regulations under the Act and the conditions attached to the Authority to Fundraise Licence issued to Surf Life Saving NSW Inc have been complied with by the Club, and
- (d) the internal controls exercised by Helensburgh-Stanwell Park Surf Life Saving Club Inc are appropriate and effective in accounting for all income received and applied by the Club from any of its fundraising appeals.

President

Treasurer

STATEMENT MADE BY MEMBERS OF THE EXECUTIVE COMMITTEE

In the opinion of the Executive Committee, the Financial Report as set out above:

- 1 presents a true and fair view of the state of affairs of Helensburgh-Stanwell Park Surf Life Saving Club Inc at 31 March 2018 and its performance for the period from 1 April 2017 to that date, and
- 2 at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HELENSBURGH-STANWELL PARK SURF LIFE SAVING CLUB INC

Scope

We have audited the accompanying Financial Statements of the Helensburgh-Stanwell Park Surf Life Saving Club Inc. for the period ending 31 March 2018. The Club's Management Committee is responsible for the preparation and fair presentation of the financial report in accordance with applicable Australian Accounting Standards and the Associations Incorporations Act 1987. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagement and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for an audit opinion.

Independence

In conducting this audit, we followed applicable independent requirements of Australian professional ethical pronouncements and the Australian Charities and Not-for-Profit Commission Act 2012.

Qualification

As is common with organisations of this type, it is not practicable for the Helensburgh-Stanwell Park Surf Life Saving Club to maintain an effective system of internal control over donations and other fund raising activities until their initial entry in the accounting records. Accordingly, my audit in relation to fund raising was limited to amounts recorded.

Liability Limited by a scheme approved under Professional Standards Legislation

Financial Report for the 12 months ended 31.03.2018

Qualified Audit Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation in the qualification paragraph not existed, the financial report of Helensburgh-Stanwell Park Surf Life Saving Club Inc is in accordance with the Australian Accounting Standards (including the Australian Accounting Interpretations), and

- (i) the Financial Statements show a true and fair view of the financial results of fund raising appeals conducted during the year;
- (ii) the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and Regulations issued under that Act;
- (iii) monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the Regulations issued under that Act, and'
- (iv) at the date of this report, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.
