| Hon. Auditor | Evan Griffiths |
| Hon. Medical Officers | Dr. Beaufils, Dr. Lam, Dr. P. Crossley-Meates |
| Caretakers | Bryant Phillips, Mark Thompson, Kevin Morton |

PRESIDENTS REPORT

It would be great to be able to record that everything went highly satisfactorily in the season under review. Actually in some areas, things went great. Some patrols were really good, and generally patrols showed an improvement over previous seasons; however, some patrols and patrol members could have performed much better.

Some elected officers were heavily overworked and had to cover sections for which other people were really responsible. In this respect the assistance of some volunteers was greatly appreciated.

Carnivals were not well attended most of the time, however those who did attend regularly fared well, and on the few occasions that the Club was well represented good results were obtained.

Club functions such as the Fun Run, the Annual Carnival, etc. were well presented thanks again to the few willing members who did assist. Collection Day could have shown a much better result had more members turned up and shown the same drive as those who did assist.

The building of the new club house gained a new lease of life with a much appreciated grant of \$10,000.00 from the New South Wales Government through the N.S.W. State Centre of S.L.S.A. and our sincere appreciation is expressed for this. Our appreciation is also extended to Wollongong City Council for its involvement with the new building.

Thanks also to the Illawarra Branch S.L.S.A. and its Board of Examiners and to all other supporters and well wishers, and especially must I say thanks to those members who have assisted with the new stage of the club house building.

The Junior Section of the Club, the Seagulls and Seagalls, as usual was well run by a very energetic set of officials.

To those officers and members who helped shoulder the load of running the Club, I convey my appreciation, however I feel the club must apply itself to operating as a Club of the 80's as in many instances this is not the case at present.

Having said all that may I implore all members to start thinking along the following lines -

**'Think not what more can the Club offer me, rather think
What more can I offer MY Club.'**

**Con Asmussen,
President.**

Throughout the year, the club has again been assisted by many people and businesses, but it is almost impossible to record every individual act of assistance in this report. To all who have helped we extend our sincere thanks for your assistance.

This season saw the club obtain for the first time, part sponsorship of a major piece of equipment, the I.R.B. motor, by Graham Connery of B.M.K. Office Furniture. Thanks Graham.

All of the nine patrols were again sponsored, and members were provided with surf patrol tee shirts, through the help of the following -

- Helensburgh Smash Repairs
- B.P. Helensburgh
- Helensburgh Offset Printing
- Helensburgh Lions
- Donmar Holdings Pty. Ltd.
- Prestige Textiles
- Engadine Coffee Lounge
- Modern Motor Magazine
- Grant Shane & Co.

The Burgh to Beach Fun Run was again fully sponsored, with the major sponsor being United Permanent Building Society. Financial assistance towards the organisation and running of the event has also been forthcoming from other quarters, including Helensburgh Workmens Club, Centennial Hotel, Helensburgh, and various stores in Engadine; acknowledgement of this assistance is included under the Fun Run section of this report.

Special thanks to our patrons, Roger Bayley of the Centennial Hotel, and Bob Harris our local Mushroom Grower, for their continued support and regular donations to the club.

STATISTICS

RESCUES

| | | | |
|-------------------------|-----|-----|----|
| Total number of rescues | 100 | 89 | 48 |
| Resuscitation cases | - | - | - |
| First Aid Cases | 77 | 121 | 52 |

AWARDS

| | | | |
|-------------------------|-----------|-----------|-----------|
| Bronze Medallion | 4 | 25 | 4 |
| Life Saving Certificate | 8 | 11 | 4 |
| Others | 5 | 48 | 23 |
| Totals | 25 | 17 | 84 |

LIFE SAVING AND PATROLS

Nine patrols were formed again this season, with six or seven members in each. Roving patrols were continued for those members who had difficulties maintaining regular rostered patrols.

Wollongong City Council again appointed club members as Honorary Beach Inspectors for the season. These included the Club Captain and other officers, plus the nine patrol captains.

Throughout the season, which was a long one with a late Easter, a total of 48 rescues were performed. The I.R.B. featured in 8 of these, with most others being performed with rescue boards.

There were no persons requiring resuscitation; 41 people were treated for stings, etc., and 11 people were given first aid treatment.

During the year it was necessary to revamp one patrol whose members were regularly failing to fulfil their patrol obligations. Appropriate action was taken by the Committee with the defaulting members.

Again, a safe season with no lives lost.

CLUB EQUIPMENT

Although application was made for a Commonwealth Government \$ for \$ gear grant, the club was not successful this season.

During the year, repairs to the Con Assmussen were completed and the boat has been returned to the Club. However, the lack of serviceable oars has prevented the boat being used for competition this season.

A new I.R.B. motor was acquired this season, and efforts have been made to dispose of the old I.R.B., the Alex McKenzie. Up to the end of the year, these have been unsuccessful. The old I.R.B. motor was sold during the year.

A new rescue board was won by the Club in an Illawarra Branch competition during 1982/83 for the club with the most awards gained in relation to the number of members in the club.

Club radios and other small items of equipment were stolen when the club was broken into in January, 1984. These items have since been replaced through insurance.

A new I.R.B. trailer is being obtained and will be available before the start of the season.

Certain club equipment, particularly competition craft and rescue boards, has been subject to mis-use during the year. Action has been taken to place stricter controls on the use of all club equipment.

At the end of the season, it was estimated that club equipment was valued at approximately \$15,000.00.

S.L.S.A. AWARDS GAINED 1983/84 SEASON

BRONZE MEDALLION

**Peter Phillips
Ron Burke
Paul Hoole
John Sruhan**

We were proud to have three members represent Illawarra in the Inter-branch teams. They were Cadet Brian Morton, Junior Paul Hobby, and senior Graham Mercer.

The team competing at the Australian Championships at Kurrawa Beach in Queensland, were Graham Mercer, Paul Hobby, John Boyle, Brian Morton and Peter Phillips. All competed well and were a credit to the club.

We also had a representative colour party march at the Australian Championships with Terry Daintry, Keith Newell, Geoff Wood, Jeff Lucke and Graham Mercer.

I am confident the club will do even better this coming season because of our up and coming Cadets and Juniors, we will be able to compete in more team events.

Lance Morton,
Team Manager.

CLUB COMPETITION

Results of the 1983/84 Club Competition are set out below.

CLUB CHAMPIONSHIPS

| | |
|-------------------------------|--------------|
| Veteran Surf Championship | Gary George |
| Senior Surf Championship | Kevin Morton |
| Junior Surf Championship | Paul Hobby |
| Cadet Surf Championship | Brian Morton |
| Veteran Iron Man Championship | Gary George |
| Senior Iron Man Championship | Kevin Morton |
| Junior Iron Man Championship | Paul Hobby |
| Veteran Belt Championship | Gary George |
| Senior Belt Championship | Bobo White |
| Junior Belt Championship | Paul Hobby |
| Veteran Craft Championship | Gary George |
| Senior Craft Championship | Kevin Morton |
| Junior Craft Championship | Paul Hobby |
| Cadet Craft Championship | Brian Morton |

POINT SCORES

| | | |
|--------------------------|-----|---------------|
| Veteran Surf Point Score | 1st | Gary George |
| | 2nd | Terry Daintry |
| | 3rd | Jeff Lucke |

| | |
|---------------|---|
| Marina Wood | 1st Ladies Beach Sprint 3rd Ladies Beach Flags |
| Graham Mercer | 1st Open Beach Flags |
| Kevin Morton | 1st Open Wave Ski |

ILLAWARRA BRANCH I.R.B. CHAMPIONSHIPS

Helensburgh-Stanwell Park teams gained the following placings

| | | |
|-------------------------|-----|---|
| A Grade Assembly Rescue | 1st | Mark Ryan, Mark Wallace and Paul Hobby |
| A Grade Teams Rescue | 1st | Mark Ryan, Paul Potter, Mark Wallace, Robert Reynolds, and Paul Hobby |
| B Grade Teams Rescue | 1st | Paul Potter, Mark Wallace, Robert Reynolds, Mark Ryan, and Paul Hobby |
| B. Grade Mass Rescue | 1st | Paul Potter, Robert Reynolds, Anne Dreghorn, Christine Hill, and Brian Morton |
| A Grade Mass Rescue | 2nd | Mark Ryan, Mark Wallace, Anne Dreghorn, Christine Hill and Paul Hobby |
| B Grade Assembly Rescue | 2nd | Paul Potter, Robert Reynolds and Brian Morton |
| B Grade Rescue | 3rd | Paul Potter, Robert Reynolds and Brian Morton |

Helensburgh-Stanwell Park club won the overall point score on the day.

N.S.W. STILLWATER CHAMPIONSHIPS

| | |
|--------------|----------------------|
| Brian Morton | 2nd Cadet Single Ski |
| John Boyle | 3rd Cadet Single Ski |

AUSTRALIAN CHAMPIONSHIPS

Brian Morton

6th Cadet Single Ski

OTHER CLUB COMPETITION AND AWARDS

Patrol Competition - won by patrol no. 6; Patrol Captain Kevin Morton, and members Peter Mills, Graham Cook, Paul Hobby, Anne Dreghorn, Christine Hill and Gabrielle Simpson.

Patrol Member of the Year - Rick Dzopalic.

Club Member of the Year - Keith Mills.

Most Consistent and Successful Carnival Competitor - Brian Morton.

M.U.L.L. (Most Uninteresting Love Life) Award - Darrell Smith.

SOCIAL COMMITTEE REPORT

The best way to describe our last season from the social point of view is - Thank you Phil, Spook, Harley, Clicker, Skinner, Scratch, Geoff, Bobo, Terry and John, and everyone else who helped in raising monies in the way of golf days, bowls days, raffles, etc.

A special thanks to the people who supported our fund raising ventures.

Our sponsors played a big part in helping us raise money and the best part I liked was the everlasting friendship between club members - sponsors - and workers within the whole of our club.

The season was over-shadowed with a lack of communication between the younger members, members and the committee. In the forthcoming season, and even now we are working on a plan to rectify this so we can all work together in making the Helensburgh - Stanwell Park Surf Life Saving Club the best on the coast.

In conclusion, I would like to show my appreciation to our sponsors and our compatriots by acknowledging them in the following list:

Welsh's Wackers
Helensburgh Workmens Club
Centennial Hotel, Helensburgh
Ken Luck Butchers
Rowes Butchers, Helensburgh
Highway fruit stall

Clarrie Whitten,
Deputy President &
Chairman of Social Committee.

SOCIAL ACTIVITIES

The 1983 Car Trial was held on 16th July 1983 was won by Mark and Joanne Ryan.

The Annual General Meeting was held on 31st July 1983 in the C.W.A. Hall, Stanwell Park with 47 members and visitors attending. A presentation was made to retiring Alderman, Ian McManus, for his assistance and guidance to the club.

The Burgh to Beach Fun Run was held on Sunday, 14th August 1983 see separate report.

The Old Boys Re-union was held on Sunday, 16th October 1983; thanks to Jim Thorn and Ken Bridle for their efforts in organising this function.

A club carnival was held on Saturday afternoon 5th November 1983, proceeded in the morning by a Junior carnival.

The Hal Williamson boat was put to rest on Saturday evening 5th November 1983 with a spectacular Boat Burning. The boat had been launched 21 years earlier. Portion of the Hal Williamson has been retained for refurbishment and display in the new club house.

A social golf and fund raising day was held with the Welsh's Wackers on 12th November 1983. The day was organised by Phil Anger, Clarrie Whitten and Jeff Lucke and raised over \$300.00. A second day was held on Saturday, 14th April 1984, raising \$162.00.

A Fancy Dress Ball was held in the Helensburgh Workmens Club on Saturday evening 10th March 1984; profits from the night totalled \$76.00

The Annual Patrol Dinner was held on Saturday, 19th May 1984 in the Helensburgh Workmens Club, with 60 members attending.

Arrangements were in hand for Presentation Night to be held in the Helensburgh Workmens Club on Saturday evening 28th July 1984.

THE SECOND ANNUAL BURGH TO BEACH FUN RUN

Thanks to the sponsorship of the United Permanent Building Society, it was again possible to conduct the Burgh to Beach Fun Run. The winner this year was Harry Ward of Grays Point with a time of 27 min. 24 secs. breaking the inaugural race record set at 27 min. 33 secs. by Murray Halls of Bankstown.

Race organiser was again Terry Daintry, and congratulations are due to him not only for his detailed organisation of the day, but for his success in obtaining the sponsorship and other assistance that is needed to make the day successful.

Our special thanks go to the following:

United Permanent Building Society
Pacific Film Laboratories - printing of chest numbers
Helensburgh Workmens Club - donation of trophies and refreshments
Centennial Hotel, Helensburgh - donation of refreshments
Helensburgh Bus Company - bus transport
St. John Ambulance Brigade - first aid attention
Helensburgh area Bush Fire Brigades - road marshalls
Radio 2WL and WIN Channel 4 - for promotion and media coverage
Northern News - for promotion and media coverage
Wheels Runners Club - for assistance in conducting the run.

The day again proved to be popular with nearly 700 runners, and a profit to the club of \$1300.00.

SECRETARY'S REPORT

As was foreshadowed in the previous Annual Report, the club proceeded to form three sub-committees to specifically look after Lifesaving, Competition and Social matters. The three sub-committees have reported regularly to monthly Committee meetings.

Two special General Meetings were convened during the year. The first on 2nd October 1983, was to elect a new President, following the resignation of Terry Daintry due to other commitments.

The general administrative function of the club has improved during the year with more active involvement of elected office bearers in running their own specific area.

Public relations have been improved during the year by regular reporting in the Wollongong Northern News.

The club's involvement with the Illawarra Branch has been maintained on a satisfactory level, and the club has been well represented at Branch meetings, seminars, etc. arranged by the Branch. Club members continue to serve at Branch level with Bobo White as District Supervisor, and Graham Cook and Jeff Lucke joining Bobo and Con Asmussen on the Board of Examiners.

One of the biggest difficulties during the year has been finance, or rather the lack of it, despite some concerted efforts to overcome this. The main fund raising activities were Lifesavers Appeal Day, the Liverpool promotion and the Fun Run, whilst the largest item of expenditure was the repair of the surf boat.

The Junior Association has continued to report regularly to the Club Committee through their officers. Discussions took place during the year with the Junior Association officers about National Council plans for amalgamation of the Senior and Junior bodies.

Water safety has been provided as required by the Seagulls for their Sunday morning point scores, and for their club carnival and Junior Branch Championships.

Congratulations to the Seagulls on celebrating their 25th season.

Congratulations also to Evan Griffiths on his election as a Life Member of the Illawarra Branch of the Junior Surf Life Saving Association.

The financial statements for the 1983/84 year have been included in the following pages of this report. We are extremely grateful for a loan of \$1,000.00 made by the Seagulls to assist us in paying for the various items for the new building, pending receipt of advancements from the \$10,000.00 State Government Grant.

In conclusion, I would like to extend my thanks to the various officers and members who have assisted me during the year in the general administration of the club.

Harley Dreghorn,
Hon. Secretary.

THE NEW CLUB HOUSE

During the past year, Wollongong City Council completed as much work as possible with the funds made available through a \$ for \$ Unemployment Relief Grant. At the time of Council's work being completed, the upstairs (hall) area has reached lock up stage and the club began to occupy and use this partly completed 'barn' from early in the season, particularly the radio/observation room. This in turn has allowed the Jack Mawson Memorial First Aid Room to revert to its intended use solely, as a first aid room.

The club was required to assist Council financially with the work carried out, and has paid \$4,000.00 from funds specially set aside in the Building Account, to Council.

Application was made to State Centre of the Australian early in 1984 for a Capital Assistance Grant from funds provided by the State Government. The club has been successful in obtaining a grant of \$10,000.00, and this is now being used towards fitting out the interior of the upstairs area.

Because of the value of materials to be purchased and the amount of labour involved, most of the \$10,000.00 grant will need to be spent on materials, thus leaving nearly all the labour to be undertaken by volunteer (club members) with technical assistance being provided by licensed tradesmen.

The club is extremely appreciative of the funds that have been provided by the State Government and Wollongong City Council, as well as our own members, to enable the new club house project to proceed.

SEAGULLS REPORT

Another season, 83/84 has now passed but this one being our 25th Anniversary year proved to be just as successful as other years and with another increase in membership now totalling in excess of 130 junior lifesavers. It has been a busy year, not only for the Juniors with their many success's at the various carnivals, but also for our club executive, Senior club members and the many parents who have all pitched in and given us their support.

During this Anniversary year we hosted a half day carnival and gained 2nd place which was a great effort for the 49 Junior lifesavers who competed. This carnival was not the only one well contested by our club. Two new twilight carnivals were introduced this year, one at Bellambi of which 32 club members won overall 4th place and to cap off the Bulli Twilight carnival, we proudly took out 1st place.

The McDonalds Carnival which is one of the more competitive carnivals with 19 teams competing, saw our club take out 12th place. North Wollongong Carnival resulted in 4th place with a team effort from 27 club members.

The highlight for our club this season was the Branch Carnival hosted at Stanwell Park Beach which ended in a great result for our 45 Juniors who competed and gained for their efforts, 3rd place overall, with our March Past Team winning 2nd place.

Our R & R teams who spent many ours of training under the guidance of Evan Griffiths, had their efforts rewarded by securing the following placings:-

2 Person (A) team. 1st Place - Shelly Harper & Sarina Woods
(B) team. 3rd Place - Melinda Valbusa & Shayne Poole
(C) team. 4th Place - Jannine Powell & Grant Dezius

The 5 Person R & R Team won 1st Place - Louise Phillips, Louise Stewart, James Powell, Jason Powell, Steven McDonald.

I would like to give thanks to the senior club members for their assistance in setting up the beach and for the water safety the following day. The Carnival ended being a success for all involved. The sea though threw a damper on the proceedings by being so rough and causing our water events to be deferred, but a big thanks to Bulli for holding these water events at their beach the following day. I would also give thanks to the barbeque and drink boys - Keith Mills, Skinner Woods and Keith Newell. They were there every time we required food and drink, and the best thing about them is, they are self organising. Thanks Fellas.

Expressions of appreciation also go to my wife, Irene and all the ladies who so professionally catered for the officials, guests and workers. A great job! Thanks ladies.

Our 25th Anniversary year was further highlighted by having so many members selected as Interbranch representatives.

Congratulations to: Shelley Harper, Sarina Woods, Shane Luck, Dean Mercer, Andrew Beevors, Brian Morton.

We also had Dean Mercer as a representative at the National Titles in the N.S.W. State Team. Our Junior club will certainly miss Brian Morton, Andrew Beevors and Dean Mercer who have won many competition points for the club this season and have been great examples for our younger members interested in and already competing in water events. At all carnivals they proved superior competitors. e.g.

| | | |
|---------------------|-----|--|
| Senior Iron Man | 1st | Dean Mercer |
| | 2nd | Brian Morton |
| Senior Board Rescue | 1st | Dean Mercer & Brian Morton |
| Cameron Relay | 1st | Brian Morton, Andrew Beevors & Dean Mercer. |

On behalf of the Juniors we wish you every success in the Cadets.

During the last 2 seasons we have seen a great improvement in our March Past Team and I must congratulate the Junior Lifesavers for their success at carnivals this season and in particular for the untiring efforts of our March Past Trainer, Jim Powell for the time taken in training the team. Many top placings were gained -

1/2 day Carnival - Stanwell Park - 2nd Place
Bellambi - 2nd Place
McDonalds - 5th Place (19 teams entered)
North Wollongong - 1st Place
Branch Carnival Stanwell Park - 2nd Place.

We were very pleased to see Evan Griffiths presented with Life Membership of the Illawarra Branch Junior Life Saving Association for his many years of devotion to the Junior movement. Congratulations Evan!

I would like to extend a special thanks to Lance Morton for his time in training our Juniors in Surf Board riding and look forward to his assistance next season.

Our Presentation night was well attended and we thank the committee of the Helensburgh Workers Club for allowing us to use their club facilities. The night went very smoothly due to the superb organising of the trophies and agenda by our Secretary, Leslie Harper, who for her first year did a marvellous job. Major award winners this year were:-

| | |
|-----------------|----------------------------|
| Shayne Luck | Seagull of the Year |
| Jannine Powell | Seagull of the Year |
| Grant Dezius | Endeavour Trophy (Boys) |
| Michelle Harper | Endeavour Trophy (Girls) |
| Shayne Luck | Best at Carnivals (Beach) |
| Dean Mercer | Best at Carnivals (Water) |
| Tayne Garforth | Surf Encouragement (Girls) |
| John Cowan | Surf Encouragement (Boys) |

**Jannine Powell
Louise Phillips
Michelle Harper &
Serena Woods**

**Best Junior at Carnivals (Girls)
Best Senior at Carnivals (Girls)
R & R Championship Trophy**

To celebrate our 25th Anniversary a family square dance was held which proved very successful both as a special evening and as a fund raising event.

Fund raising which is generally a worry, proved successful this year. I am pleased to report a healthy bank balance which will help us to purchase rescue boards etc, this next season. Our Raffles had good support and I thank all those who made donations. The most successful means of raising club funds has been through running Disco's for the children of the district. These have been well supervised and all very successful. Thanks to the 14 or so parents who have helped at each disco. The 4 Disco's have raised for us in the vicinity of \$1,400.00. Thanks to all parents for their assistance and to the children for their support. We will be trying to run more disco's on a regular basis.

To all officials and particularly to our sponsors we extend thanks for their support and look forward to their continued assistance and donations.

Finally, I wish to thank the executive committee, parents and my wife Irene for helping make our 25th Anniversary year a success and rely on their continued assistance to start another 25 years.

**Mike Dezius,
President,
Seagulls.**
